- (4) that Progress Reports on the Resource Plan 2023/2024 be provided at Quarter 2 and Quarter 4 to future meetings of this Committee.

3. Background

- 3.1. The Resource Plans for 2023/2024 were prepared in line with the corporate resource planning guidance.
- 3.2. The Resource Plan is a key element of the council's performance management arrangements. It provides details of the context within which the Resource operates and establishes actions and measures for the year ahead based on the priorities and outcomes set out in the Council Plan Connect 2022-27.
- 3.3. Performance management is a keystone of Best Value and ensures that the Council can demonstrate sound governance arrangements. The Resource Plan is one part of the Council's framework for planning and budgeting and demonstrates how this leads to effective front line service delivery.
- 3.4. As part of this framework, the Resource Plan reflects the aspirations of the Council Plan and the Community Plan as well as being complemented by the details of individual Service, Business and other Plans. Ultimately, these details are included in the key work objectives of individual officers. This demonstrates the 'Golden Thread' of performance management which ensures a clear understanding of the Council's vision, values, priorities and outcomes at all levels.
- 3.5. The current format for performance reporting has been established since 2007 and is used for Executive Directors' reports to the Chief Executive, Resource Management Teams, Resource Committees and the Performance and Review Scrutiny Forum.

The focus has been on reporting progress on Council outcomes, statutory performance indicators, other key performance measures and high-level Resource outcomes. Progress reports are provided at Quarter 2 and Quarter 4 to this Committee.

- 3.6. In preparing the Plan, account has also been taken of the need to ensure a robust response to Risk Management and Control. Risks associated with delivery of the actions in this Resource Plan have been identified and evaluated and are listed in the Resource Risk Register. Where necessary, controls or further actions to mitigate these risks have been agreed. Such actions are tracked through the Resource Risk Control Plan which is kept under review by the Risk Sponsor for the Resource.
- 3.7. Following approval at individual Resource Committees, all Resource Plans will be presented, as a pack, to the Executive Committee on 21 June 2023, for noting.

4. Resource Plan 2023/2024

- 4.1. The Resource Plan 2023/2024 is attached as Appendix 1 and is structured around the following headings:-

1. Introduction
2. Key areas for the year ahead
3. Resource outcomes
4. Measures and actions
5. Resourcing the Plan

- 4.2. Resource Outcomes 2023/2024

The Resource has established a number of outcomes to support the delivery of the Connect Outcomes in 2023/2024. To support these outcomes, the Resource has developed performance measures in an action plan which is set out in section 4 of the Resource Plan. Key or strategic measures will be included in the Council Pan Connect Progress Reports 2023/2024, with the rest being monitored and reported at Resource level.

- 4.3. Monitoring and reporting

As part of the performance management arrangements, the Committee will receive a mid-year update of progress on the measures in the Resource Plan covering the period April 2023 to September 2023 (Quarter 2) as well as an end of year progress report covering the full year April 2023 to March 2024 (Quarter 4).

5. Employee Implications

- 5.1. The outcomes noted within the Resource Plan will inform the Service Action Plans, where applicable, and, in turn, the Performance Appraisal process for individual employees.

6. Financial Implications

- 6.1. The outcomes within the Resource Plan are reflected in the respective Resource Revenue and Capital budgets and, longer term, within the framework of the Council's approved Financial Strategy.

7. Climate Change, Sustainability and Environmental Implications

- 7.1. There are no climate change or environmental implications as a result of this report.
- 7.2. The council acknowledges the serious and immediate threat of climate change and is committed to accelerating the pace of action in response to the climate emergency and in Scotland's transition to a net-zero and climate resilient society and economy.

All Resource Plans have recognised sustainable development and climate change as a key area of focus for 2023/2024.

- 7.3. Education Resources has a specific priority on 'empowering learners to shape and influence action on climate change and sustainability and will, therefore, be able report on progress made on the actions and measures highlighted in the Education Resource Plan and also noting this aligns closely with the priority in the Youth Strategy, which reflects the voice of children and young people.

8. Other Implications

- 8.1. Resource Plan actions are assessed as part of the Resource's risk management arrangements and relevant issues have been added to the Resource Risk Register.

9. Equality Impact Assessment and Consultation Arrangements

- 9.1. Many of the actions detailed within the Resource Plan reflect ongoing strategies and policies which will be or have been the subject of consultation and equality impact assessment.
