## **3. Background**

3.1. The Council operates a community grants scheme to support local constituted community groups and voluntary organisations. All applications require to be

supported by a constitution, audited accounts or annual income and expenditure accounts, a bank statement, and confirmation that the group/organisation will adhere to the conditions of the grant award. Applications are invited continually throughout the year.

3.2. The main aims of the community grants scheme are to:-

- ◆ fund activities and projects which bring community benefit
- ◆ involve people in the community by bringing them together to enjoy educational, recreational, leisure and other community activities or to improve the local environment

3.3. Support can be provided for a range of activities including administration and publicity costs, purchase of equipment and materials, annual outings and entrance fees, start-up costs and special events.

#### **4. Employee Implications**

4.1. None.

#### **5. Financial Implications**

5.1. The current position of the community grants for the Cambuslang and Rutherglen Area Committee area in 2021/2022 is as follows:-

|   |         |
|---|---------|
| Total allocation for Community Grants     | £41,430 |
| Grants previously allocated               | £4,736  |
| Community grants allocated in this report | £1,850  |
| Remaining balance                         | £34,844 |

5.2. In view of the fact that this is the last meeting of the Committee in the current financial year and, to allow any further applications submitted prior to the end of the current financial year to be considered, it is proposed that the Executive Director (Finance and Corporate Resources), in consultation with the Chair, be authorised to approve any further community grant applications meeting the relevant criteria in the period to 31 March 2022. Information on those grants awarded would be reported to a future meeting.

#### **6. Climate Change, Sustainability and Environmental Implications**

#### **8. Equality Impact Assessment and Consultation Arrangements**

8.1. This report does not introduce a new policy, function or strategy or recommend a change to an existing policy, function or strategy and, therefore, no impact assessment is required.
