3.2 **Review of Admissions Policy for Early Learning and Childcare Establishments – Extract of Minute**

3.2.1 A report dated 16 January 2018 by the Executive Director (Education Resources) was submitted on a review of the policy for the admission of children into Early Years' establishments in South Lanarkshire.

Since 1996, the Council's Admissions Policy for Early Years' Establishments had been regularly reviewed to reflect changes in legislation and national policy development. On 1 September 2015, the Committee had noted the implementation of the delivery of 600 hours of free early learning and childcare arising from the Children and Young People (Scotland) Act 2014.

The last review of the Admissions Policy had been completed in March 2016 and implemented in May of that year.

A consultation exercise had been undertaken between November 2017 and January 2018 with a range of stakeholders to evaluate the impact of the current Admissions Policy in meeting the needs of individual children in the context of their family. The main priorities which had emerged from the consultation process were outlined in the report and the proposed revised Policy, attached as Appendix 1 to the report, had taken account of those priorities.

The Admissions Policy would be used for the allocation of an early learning and childcare place. Should Early Learning and Childcare establishments have sufficient places and employees, they might be able to offer additional hours, on a paid basis, to children within the Council's exemption criteria. Additional hours would be allocated in accordance with the following priorities:-

- | | |
|-------------------|---|
| Priority 1 | all children within Priority 1, as detailed in the Admissions Policy |
| Priority 2 | children whose parents and/or carer were in employment or education |
| Priority 3 | all children allocated a place in the nursery, including those children returning to nursery for a further year which included approved deferred children |
| Priority 4 | all children resident outwith the Council area |

To ensure greater consistency and equity, a new process for the allocation and approval of all places would be implemented in May 2018. This would involve a central meeting with nominated representatives of local authority and partner providers. Places would be considered across the 4 geographical localities of the Council and would be based on the information held in the Nursery Admissions Management System.

The Committee recommended to the Executive Committee:
