- 3.2. The current approved list was agreed by the Conference Allocation Committee in 1996 and since that time a significant number of the organisations on the list have either disbanded, were no longer relevant or had completely changed their identity. In view of this, it is proposed to discontinue the use of the Approved List of conference providers, when considering attendance at conferences.

In addition to the list of Approved Conferences a large number of free learning events are available to elected members from various organisations. These events often support members' training and development requirements.

Information received regarding invitations to attend free learning events, which contribute to members' learning and development requirements will be distributed to members in accordance with procedures for dealing with invitations received regarding learning events. Details of the events will be issued to the Leaders of the Political Groups.

Any travel/subsistence and accommodation expenses incurred while attending free learning events will be progressed in line with the Council's Financial Regulations.
