3. Background

- 3.1. The Council operates a community grants scheme to support local constituted community groups and voluntary organisations. All applications require to be supported by a constitution, audited accounts or annual income and expenditure accounts, a bank statement, and confirmation that the group/organisation will adhere to the conditions of the grant award. Applications are invited continually throughout the year.
- 3.2. The main aims of the community grants scheme are to:-
 - ◆ fund activities and projects which bring community benefit
 - ◆ involve people in the community by bringing them together to enjoy educational, recreational, leisure and other community activities or to improve the local environment
- 3.3. Support can be provided for a range of activities including administration and publicity costs, purchase of equipment and materials, annual outings and entrance fees, start-up costs and special events.
- 3.4. In light of the community efforts in response to the COVID-19 pandemic, it was agreed that £20,000 from the 2020/2021 community grants budget be allocated to assist community groups engaged in supporting their communities during the COVID-19 pandemic. The £20,000 had been apportioned equally between the 4 Area Committee areas i.e. £5,000 from each.
- 3.5. Community groups who wished to provide assistance and support to those most in need were able to apply for small grants to meet expenses associated with this work. As it was anticipated that funds would be required immediately to assist in the response effort, it had been agreed that applications would be considered by the Executive Director (Finance and Corporate Resources), in consultation with the appropriate Chair.
- 3.6. Any remaining balance from the £5,000 allocation from each Area Committee community grants budget, as at 31 December 2020, would be returned to the 2020/2021 community grants budget. As detailed in paragraph 2 above, £2,950 has been awarded to community groups who assisted in the response to the COVID-19 pandemic, leaving a balance of £2,050.

- 3.7. As per the community grants scheme, community groups would normally only be permitted to submit one application in each financial year, however, community groups that had applied for funding to assist in the COVID-19 response would still be entitled to apply for a grant for another purpose under the scheme in the same financial year.

4. Employee Implications

- 4.1. None.

5. Financial Implications

- 5.1. The current position of the community grant and the COVID-19 response grant allocations for the Cambuslang and Rutherglen Area Committee area in 2020/2021 is as follows:-

Total allocation for Community Grants	£25,750
Community Grants previously allocated	£5,770
Funding allocated to the COVID-19 response effort	£2,950
Community grants allocated in this report	£1,000
Remaining balance	£16,030

- 5.2. In view of the fact that this is the last meeting of the Committee in the current financial year and, to allow any further applications submitted prior to the end of the current financial year to be considered, it is proposed that the Executive Director (Finance and Corporate Resources), in consultation with the Chair, be authorised to approve any further community grant applications meeting the relevant criteria in the period to 31 March 2021. Information on those grants awarded would be reported to a future meeting.

6. Climate Change, Sustainability and Environmental Implications

- 6.1. There are no implications for climate change, sustainability or the environment in terms of the information contained in this report.

7. Other Implications

- 7.1. The risk to the Council is that grant funding is not utilised for the purpose of which it was intended. This risk is mitigated by internal controls including audit procedures and conditions of grant agreement.

8. Equality Impact Assessment and Consultation Arrangements

- 8.1. This report does not introduce a new policy, function or strategy or recommend a change to an existing policy, function or strategy and therefore no impact assessment is required.
- 8.2. All the necessary consultation with the community groups has taken place.
