### **3. Background**

- 3.1. The Council operates a community grants scheme to support local constituted community groups and voluntary organisations. All applications require to be supported by a constitution, audited accounts or annual income and expenditure accounts, a bank statement and confirmation that the group/organisation will adhere to the conditions of the grant award. Applications are invited continually throughout the year.
- 3.2. The main aims of the community grants scheme are to:-
- ◆ fund activities and projects which bring community benefit
  - ◆ involve people in the community by bringing them together to enjoy educational, recreational, leisure and other community activities or to improve the local environment
- 3.3. Support can be provided for a range of activities including, administration and publicity costs, purchase of equipment and materials, annual outings and entrance fees, start-up costs and special events.
- 3.4. In respect of those applications received for the purpose of outings and for special events to take place over the forthcoming months, due to the current uncertainty in relation to COVID-19, it is proposed that those applications be approved, in principle. This will provide organisations with the flexibility to reschedule outings and events to a later date, if possible. Groups will be asked to inform the Council of their intentions in this regard. Should an organisation be unable to use the grant award for the planned purpose, the grant funds will require to be returned. As per normal procedure, receipts for all spend must be provided.

### **4. Employee Implications**

### **5. Financial Implications**

### **6. Climate Change, Sustainability and Environmental Implications**

- 6.1. There are no significant implications in terms of climate change, sustainability or environmental issues.

### **7. Other Implications**
