Applications are invited continually throughout the year.
- 3.2. The main aims of the community grants scheme are to:-
- ◆ fund activities and projects which bring community benefit
 - ◆ involve people in the community by bringing them together to enjoy educational, recreational, leisure and other community activities or to improve the local environment
- 3.3 Support can be provided for a range of activities including administration and publicity costs, purchase of equipment and materials, annual outings and entrance fees, start-up costs and special events.
