Application

**Reasons for
comment:**

Comments: I would like to strongly support this application as my
grandson and my 2 nephews are pupils at Hamilton
College senior school.
As it is just now after school hours especially in the
winter months the school grounds especially in the
wooded area is being used by local teenagers as a place
to congregate.
Therefore it would be beneficial for these properties to
be
built as it would become a safer place overall for the
school,
the pupils and the local residents.
