3. Background

- 3.1. Following the publication of The Local Authority Accounts (Scotland) Regulations 2014, the members of the Committee have to meet to consider whether to approve the Audited Annual Accounts for signature, no later than the 30 September 2020. Due to COVID-19 pandemic, the Scottish Government introduced legislation which allowed this deadline to be extended to 30 November.
- 3.2. The members are also required to have regard to any report made or advice provided on the Annual Accounts by the External Auditor.
- 3.3. The External Auditor's Report was included as an earlier report to this meeting and will be referred to the meeting of South Lanarkshire Council (16 December 2020) for information.
- 3.4. Copies of the (unsigned) Audited Accounts 2019/2020, for both the Council and Related Charities, have been emailed to members of this Committee under separate cover. Copies of the Council's Audited Accounts, the Charitable Trusts' Audited Accounts and the External Auditor's Report, will be issued to all Elected Members for their information.

- 3.5. Once signed, the Audited Accounts will be available to the general public on the Council's website and due to COVID-19 restrictions, we can arrange to send a copy out to anyone who requests them rather than them being available on the 4th Floor, Council Offices, Almada Street, Hamilton.

7. Financial Implications

- 8.1 There are no implications for climate change, sustainability or the environment in terms of the information contained in this report.

9 Other Implications

- 9.1 The main risk associated with the Council and Charitable Annual Accounts is a qualified audit report. The risk has been assessed as low due to the detailed preparation in relation to the year end process, technical training undertaken by key finance staff and the roll out of this to Resource finance staff as appropriate. Finance and Resources work together to achieve key deadlines and actions set from timetables.

10 Equality Impact Assessment and Consultation Arrangements

- 10.1 This report does not introduce a new policy, function or strategy or recommend a change to an existing policy, function or strategy and therefore no impact assessment is required.
