Community and Enterprise Resource Outcomes 2022/2023

Connect Outcomes	Resource Outcomes
Communities and Environment	• High-quality streets, parks and other public areas ensures South Lanarkshire is a place where people want to live, work, visit and invest • Communities are encouraged and supported to reduce, re-use and recycle their waste • The Council addresses climate change by reducing carbon emissions, protecting our natural environment, adapting to the impacts of climate change, and acting sustainably • The Council supports and promotes a fairer, healthier, and more sustainable food system • All roads, footways, cycle routes, bridges and associated infrastructure are safe and fit for purpose • Road and transportation infrastructure supports new development, enables use of public transport and encourages active travel
Education and Learning	• No resource outcomes for this priority
Health and Wellbeing	• Public health is safeguarded through an effective environmental regulation and enforcement service • All school and nursery children have access to nutritious school meals • All residents have the opportunity to access cultural, leisure and outdoor recreational activities to help improve their wellbeing and quality of life
Children and Young People	• No resource outcomes for this priority
Housing and Land	• Vacant, derelict and contaminated land is brought back into productive use
Our Economy	• Our economy is fair, inclusive, sustainable and low carbon, with thriving town and neighbourhood centres which provide a focal point for local communities • South Lanarkshire is an attractive place to start, grow and locate a business • Physical development and land use in the area is enabled, guided and controlled to help facilitate economic growth • Consumers and communities are protected through an effective trading standards service
Delivering the Plan and achieving Best Value	• Customers experience high quality and improving Council services • The Council demonstrates high standards of governance and sound financial stewardship • The workforce has the skills, flexibility and capacity to deliver the Council's priorities • Digital and ICT services meet the needs of the Council and its customers
