|       | Through use of EMPOWER, identify and take action on areas for improvement | First programme of EMPOWER assessments has been completed. Second programe of EMPOWER assessments commenced in February 2014. Improvement plans have been prepared from all the assessments and are being implemented and monitored.  Within Community and Enterprise Resources in 2012/13, performance levels improved against nine Statutory Performance Indicators (SPIs), declined against three SPIs, and remained unchanged in relation to two SPIs. Two new SPIs were introduced in 2012/13, therefore there was no comparative information for these SPIs.
