1 Declaration of Interests

The following interest was declared:-

| Councillor(s) | Item(s) | Nature of Interest(s) |
|----------------------|--|------------------------------|
| Gray | Community Grant Application (EK/5/22) Coffee, Chat and Company, East Kilbride | Member |

2 Playscheme Grant Applications 2022/2023

A report dated 25 May 2022 by the Executive Director (Finance and Corporate Resources) was submitted on playscheme grant funding for 2022/2023.

Playscheme funding allowed an allocation of £600 to be made to playschemes that operated over the summer, October and Easter holiday periods with £400 for the summer period only and £100 for each of the October and Easter periods.

Financial provision was available for individual playschemes to receive, as appropriate, Travel and Freedom Passes from Strathclyde Partnership for Transport.

At the request of councillors, officers confirmed that, going forward, the Playscheme Grant allocation amounts recommended would be reviewed in consultation with the Chairs of all Area Committees.

The Committee decided: that playscheme grants be awarded as follows:-

- | | | |
|-----|-----------------|--|
| (a) | Applicant: | Special Needs Adventure Playground (SNAP) Playscheme, East Kilbride (PS/EK/1/22) |
| | Amount Awarded: | £400 |
| (b) | Applicant: | Strathaven After School Club (PS/EK/2/22) |
| | Amount Awarded: | £600 |

- (c) Applicant: Moss Out of School Service, East Kilbride (PS/EK/3/22)
Amount Awarded: £600
- (d) Applicant: East Kilbride Universal Connections (PS/EK/4/22)
Amount Awarded: £600
- (e) Applicant: Playcare Out of School Care, East Kilbride (PS/EK/5/22)
Amount Awarded: £600

3 Community Grant Applications

A report dated 30 May 2022 by the Executive Director (Finance and Corporate Resources) was submitted on:-

- ◆ applications for community grant to be met from the 2022/2023 budget
- ◆ 7 community grant applications which had been dealt with by the Executive Director (Finance and Corporate Resources), in consultation with the Chair, during the period from 16 December 2021 to 31 March 2022 to ensure that the 2021/2022 budget was utilised as fully as possible

At the request of councillors, officers confirmed that, going forward, the Community Grant award amounts recommended would be reviewed in consultation with the Chairs of all Area Committees.

The Committee decided:

(1) that community grants be awarded as follows:-

- (a) Applicant: Agape Wellbeing, East Kilbride (EK/3/22)
Purpose of Grant: Outing, entrance fees and materials
Amount Awarded: £550
- (b) Applicant: 17th East Kilbride Brownie Pack, East Kilbride (EK/4/221)
Purpose of Grant: Annual outing and materials
Amount Awarded: £440
- (c) Applicant: Coffee, Chat and Company, East Kilbride (EK/5/22)
Purpose of Grant: Start-up costs (outing/entrance fees)
Amount Awarded: £250

Councillor Gray, having declared an interest in the above application, withdrew from the meeting during its consideration

- (d) Applicant: The Acting Bairns of Stonehouse (TABS) (EK/7/22)
Purpose of Grant: Outing and entrance fees
Amount Awarded: £250
- (e) Applicant: 17th East Kilbride Guides (EK/8/22)
Purpose of Grant: Outing, entrance fees and specialist transport
Amount Awarded: £535
- (f) Applicant: Hunter Ladies' Bowling Club, East Kilbride (EK/9/22)
Purpose of Grant: Annual Outing
Amount Awarded: £200

- (g) Applicant: East Kilbride Sports Club (*EK/10/22*)
Purpose of Grant: Equipment

Report

5

| | |
|------------------|--|
| Report to: | East Kilbride Area Committee |
| Date of Meeting: | 23 August 2022 |
| Report by: | Executive Director (Community and Enterprise Resources) |

| | |
|----------|--|
| Subject: | Participatory Budgeting: Footways |
|----------|--|

1. Purpose of this Report

1.1. The purpose of the report is to:-

- ♦ advise the Area Committee of the outcome and level of engagement for the Participatory Budgeting (PB) consultation exercise to identify £2.500m of footway projects and next steps.

2. Recommendation(s)

2.1. The Committee is asked to approve the following recommendation(s):-

- (1) that the outcome and level of engagement for the PB consultation exercise to identify £2.500m of footway projects, as set out in this report, be noted

3. Background

- 3.1. Following the participatory budgeting investment in carriageway and footways completed in 2021/2022, a second phase of investment has now been agreed that will focus on the improvement of footways, making our towns and villages safer for pedestrians, supporting healthy lifestyles through physical activity, and improving the look and feel of our environment.
- 3.2. £2.500m ring-fenced investment in the Roads Capital Programme will support footway improvements which are part of the adopted footway network. This investment will continue the Council's commitment to prioritise investment in roads and related infrastructure by directing additional funds to help improve the condition of our footways.
- 3.3. As was the case in 2021/2022 the split between geographical and operational areas is largely based on the estimated footway network length.

| Operational Area | Footway length (Km) | Footway network share (%) | Allocation |
|---------------------------|---------------------|---------------------------|-------------------|
| Clydesdale | 498.70 | 20.5% | £512,500 |
| Hamilton | 812.07 | 33.5% | £837,500 |
| East Kilbride | 701.09 | 28.9% | £722,500 |
| Rutherglen and Cambuslang | 413.91 | 17.1% | £427,500 |
| Totals | 2425.77 | 100.00% | £2,500,000 |

- 3.4. Furthermore, to address concerns that the vote could be dominated by larger population centres or more affluent/organised communities and using learning from national and 2021/2022 PB exercise pilots, the process was again organised in 'thematic options' rather than specific streets/roadways.
- 3.5. The public were asked to vote on the following themes they wished to see delivered through this fund:-
- (1) minor and residential footways
 - (2) main and distributor footways
 - (3) footways in business areas
- 3.6. Last year there were both carriageway and footway themes put forward including those unrelated to the public adopted road network (e.g. cemeteries, country parks). However, this year a more focused investment on footways that are part of/adjacent to the public adopted road and footway network has been progressed.

4. Consultation Outcomes

- 4.1. The consultation ran between 22 April and 5 June 2022 and was promoted via the Council's website, social media channels and third sector networks.
- 4.2. Separate votes were held for each of the 4 Areas and each participant was allowed multiple votes for the chosen themes. Participants were able to apportion the votes in any way they chose; for example, all 3 votes could be allocated to a single theme or, at the other extreme, a single vote could be allocated to each of 3 themes.
- 4.3. As was the case last financial year, rather than having only a single winning theme the available funding was allocated across all themes. 60% of funding in an area was allocated to the top scoring theme, 25% to the second top theme and 15% to the third-place theme.
- 4.4. The proposed allocation of funding allows a proportion of the funding to be distributed to all themes (and in turn priorities). This provides the flexibility to continue to target key priorities within each theme based on engineering merit rather than to solely target all funds into one theme, while providing our communities with the opportunity to influence spend across specific themes.
- 4.5. This also represents best practice in terms of risk management as it gives the service the ability to continue to target funds to those areas in greatest need with the aim of improving those footways that are in the worst condition in the first instance.
- 4.6. The results of the vote, are shown in Appendix 1 with numbers of votes cast in brackets. In each of the areas the first-place theme was minor and residential footways, followed by main and distributor footways, and then footways in business areas.
- 4.7. The equalities information attached in Appendix 2 was collected from participants to identify how representative the process was of the area profile of South Lanarkshire. Some participants opted not to leave their information so there is a discrepancy between total participants and the information available below.
- 4.8. In terms of participation several areas showed significant strength that should be noted, namely:-

- ◆ 83% of respondents fell under the category of working age (25 to 64). This is a harder to reach group and should be regarded as a sign of success for the project
- ◆ 16% of respondents classified themselves as having caring responsibilities out with parental responsibilities. This showed significant representation from this community
- ◆ 15% of respondents identified as having a long-term disability or illness which showed good representation from this community
- ◆ representation from SIMD 1 (bottom 20%) considerably increased this year rising from only 12% representation last year to 19% this year.

4.9. In terms of participation, specific areas that stand out that require improvement in the future to try and ensure the process is representative are:-

- ◆ Under 24's – This could be due to the nature of the process but there was also no specific targeted work done to engage this group. Joint work to promote was undertaken with the Education department, this requires further development.
- ◆ Ethnic Minorities – Improvement from last year was demonstrated in this area with an increase to 1.5% representation. This area still requires further development.
- ◆ East Kilbride and Cambuslang and Rutherglen were both underrepresented in this process. More targeted work to engage residents in these areas may be required.

5. Next Steps

5.1. In line with the results of the vote, the funding has been allocated as set out below to each of the areas and prioritised themes and specific named schemes have subsequently been identified.

| Area | 1st (60%) | 2nd (25%) | 3rd (15%) | Totals |
|-------------------------|------------|-----------|-----------|------------|
| Clydesdale | £307,500 | £128,125 | £76,875 | £512,500 |
| Hamilton | £502,500 | £209,375 | £125,625 | £837,500 |
| East Kilbride | £433,500 | £180,625 | £108,375 | £722,500 |
| Rutherglen & Cambuslang | £256,500 | £106,875 | £64,125 | £427,500 |
| Totals | £1,500,000 | £625,000 | £375,000 | £2,500,000 |

5.2. Appendices 3 to 6 sets out the specific schemes and indicative sums allocated to each scheme. These schemes have been identified using our scheme assessment criteria which allows us to score potential footway schemes based on several factors, which collectively contribute towards an overall score enabling us to prioritise our resources. This ensures that funds are targeted at those footways that are in greatest need of repair based on engineering judgement.

5.3. Schemes in East Kilbride are indicated at Appendix 5.

5.4. It should be noted that these are provisional project estimates and there may be some variance in terms of final outturn once more detailed design is undertaken and works are completed.

- 5.5. As a result other projects may come forward should projects outturn under budget. Conversely, some projects may require to be deferred or supplemented from other budgets if costs increase from the provisional estimates.
- 5.6. Given an already full and challenging workload, and as already intimated to elected members, to ensure delivery of both our core capital investment programme and the participatory budget priority projects, it has been necessary to commence the schemes prior to the August Area Committee cycle.
- 5.7. An essential element of any participatory budgeting process is advising participants of the outcome of the vote. The Community Engagement Team will contact those respondents who provided their email address to advise them of the successful themes in each area with a link to a tracking area for PB on South Lanarkshire's website.
- 5.8. The Community Engagement Team, with support from the Service, will also work alongside the Corporate Communications/Digital Team to publicise the results through the SL View and social media posts to raise awareness of both the process and the results.
- 5.9. Reports have been prepared for the 4 Area Committees to update elected members on the voting process and the outcomes from it. These reports are for noting only given the budget allocation has been agreed as part of budget setting process.

6. Employee Implications

- 6.1. There are no employee implications at this time.

7. Financial Implications

- 7.1. The intention is to spend the full £2.500m during 2022/2023, however, market conditions (for example contractor/material availability) are likely to result in some spend moving into 2023/2024.
- 7.2. Specific issues have emerged and are ongoing in relation to bituminous materials due to the Ukraine/Russia conflict and a saturated market is also impacting on contractor availability. However, every effort will be made to deliver the projects identified in appendices 3 through 6 during 2022/2023.
- 7.3. In terms of an update on the 2021/2022 participatory budgeting programme for footways, 29 projects within residential areas, town centres, country parks and parks were identified and 26 were completed.
- 7.4. The footway project in Chatelherault Country Park is expected to be undertaken during 2022/2023 and is linked to the replacement of White Bridge and a feasibility study is underway. Work was also not fully completed and is continuing at Calderglen Country Park. These works are being progressed by colleagues in Facilities, Grounds and Waste.
- 7.5. An adopted footway project in Clydesdale was only partially completed due to weather related issues and works are now programmed for 2022/2023. Funding of circa £0.120m from 2021/2022 has, in addition to the share identified for 2022/23, been made available to the Clydesdale Area. A further £0.040m is also available from 2021/2022 for Hamilton schemes and this will be used to manage inevitable cost variances.

7.6. For completeness, in addition to the PB funding discussed in this report, circa £1.000m funding, has been allocated from the Roads Investment Programme for prioritised footway improvements. Specific schemes are shown at the bottom of Appendices 3 through to 6 and it should be noted that the projects are similar in terms of their alignment to the top two PB themes emerging from the PB exercises.

8. Climate Change, Sustainability and Environmental Implications

8.1. There are no significant implications in terms of climate change, sustainability and environmental implications associated with this report.

9. Other Implications

9.1. There are no other significant implications as result of the contents of this report.

10. Equality Impact Assessment and Consultation Arrangements

10.1. There is no need to conduct an EIA and the consultation arrangements and results are as set out in section 4.

3. Background

- 3.1. To commemorate the 75th anniversary of East Kilbride’s designation as a New Town and following a survey, promoted through the Council’s website and social media platforms (see Section 4), applications were invited from groups to host events which reflected the type of celebrations the community identified as being its wishes throughout the engagement process. This allowed the celebrations to be community led and at grass roots level, with the opportunity for every community to be involved in the design and delivery of an event which meant something to them.
- 3.2. Following receipt of the applications for EK@75 grant award, a working group of officers and partners met to consider the applications and to make recommendations on the level of award, as detailed in Section 2 of this paper. The grant award could be used to fund materials, resources, venue hire, hospitality, promotion or similar costs to facilitate small local events or projects.
- 3.3. Recommendations were made by the working group on the basis that the projects with the closest focus on EK@75 were fully funded and the remainder of the funding split between the final 3 which they considered to be worthy projects but not as directly linked to the anniversary. The maximum grant available per group was £2,000.

4. EK@75 Summary Survey Results

- 4.1. The survey was designed with input from stakeholders from statutory and voluntary agencies who contributed to the design and delivery methods.

4.2. 1,051 people responded to the survey, with the top 10 results as follows:-

| | |
|---|-----|
| ◆ Mural | 258 |
| ◆ Historical event | 247 |
| ◆ Street party/party | 196 |
| ◆ Fair/gala/festival | 187 |
| ◆ Time capsule | 183 |
| ◆ Walking tour | 126 |
| ◆ Art work (banners/flags/posters) | 99 |
| ◆ Fireworks display | 91 |
| ◆ General improvements to East Kilbride | 90 |
| ◆ Parade | 85 |

4.3. People shared memories when responding to the survey and those that stood out were detailed in the summary survey results.

4.4. Feedback from the survey was published through the Council's Communications Team, with the Community Engagement Team sharing a list of the proposals arising with the community networks in East Kilbride.

5. Employee Implications

5.1. None.

6. Financial Implications

6.1. Award funding totalling £10,000 had been identified from unspent funds within the Community Grants budget allocated to the East Kilbride Area Committee in 2021/2022 and had been allocated towards supporting specific community activities to celebrate EK@75.

7. Climate Change, Sustainability and Environmental Implications

7.1. There are no implications for climate change, sustainability or the environment in terms of the information contained in this report.

8. Other Implications

8.1. None.

9. Equality Impact Assessment and Consultation Arrangements

9.1. This report does not introduce a new policy, function or strategy or recommend a change to an existing policy, function or strategy and therefore no impact assessment is required.

9.2. All the necessary consultation with the community groups has taken place and the Executive Director (Finance and Corporate Resources) consulted with the Area Committee members before agreeing the allocation of grants.

3. Background

- 3.1. The Council operates a community grants scheme to support local constituted community groups and voluntary organisations. All applications require to be supported by a constitution, audited accounts or annual income and expenditure accounts, a bank statement and confirmation that the group/organisation will adhere to the conditions of the grant award. Applications are invited continually throughout the year.
- 3.2. The main aims of the community grants scheme are to:-
- ◆ fund activities and projects which bring community benefit
 - ◆ involve people in the community by bringing them together to enjoy educational, recreational, leisure and other community activities or to improve the local environment
- 3.3. Support can be provided for a range of activities including administration and publicity costs, purchase of equipment and materials, annual outings and entrance fees, start-up costs and special events.

4. Employee Implications

- 4.1. None.

5. Financial Implications

- 5.1. The current position of the community for the East Kilbride Area Committee area in 2022/2023 is as follows:-

| | |
|---|------------|
| Total allocation for Community Grants | £25,750.00 |
| Grants previously allocated | £5,965.00 |
| Community grants allocated in this report | £3,951.40 |
| Remaining balance | £15,833.60 |

6. Climate Change, Sustainability and Environmental Implications

- 6.1. There are no implications for climate change, sustainability or the environment in terms of the information contained in this report.

7. Other Implications

- 7.1. The risk to the Council is that grant funding is not utilised for the purpose of which it was intended. This risk is mitigated by internal controls including audit procedures and conditions of grant agreement.

8. Equality Impact Assessment and Consultation Arrangements

- 8.1. This report does not introduce a new policy, function or strategy or recommend a change to an existing policy, function or strategy and therefore no impact assessment is required.
- 8.2. All the necessary consultation with the community groups has taken place.
