### **3. Background**

- 3.1. The Council operates a community grants scheme to support local constituted community groups and voluntary organisations. All applications require to be supported by a constitution, audited accounts or annual income and expenditure accounts, a bank statement, and confirmation that the group/organisation will adhere to the conditions of the grant award. Applications are invited continually throughout the year.
- 3.2. The main aims of the community grants scheme are to:-
  - ◆ fund activities and projects which bring community benefit
  - ◆ involve people in the community by bringing them together to enjoy educational, recreational, leisure and other community activities or to improve the local environment
- 3.3. Support can be provided for a range of activities including administration and publicity costs, purchase of equipment and materials, annual outings and entrance fees, start-up costs and special events.
- 3.4. At the meeting of the full Council on 28 September 2022, it was agreed that the Chief Executive would bring forward a package of cost of living supports for agreement, in consultation with the Group Leaders, and endorsed by the Executive Committee at its meeting on 30 November 2022. This package included support for a Warm Welcome Initiative.
- 3.5. Working in conjunction with South Lanarkshire Leisure and Culture and community and voluntary groups and organisations, the Warm Welcome Initiative is a network of warm spaces in community settings and public buildings where members of the public are welcomed and can participate in activities and access advice and support.

To support the Initiative, a small grants scheme was created offering grants to a maximum of £1,000 to cover extra costs incurred by offering a Warm Welcome. A total of £40,000 was identified for the Initiative and the monies were apportioned equally between the 4 Area Committees.

- 3.6. As funds were required immediately to assist in the response effort, it was agreed that applications would be considered by the Executive Director (Finance and Corporate Resources), in consultation with the relevant Area Committee Chair and submitted to the Area Committee for noting.
- 3.7. In terms of the community grants scheme, community groups would normally only be permitted to submit one application in each financial year, however, community groups that applied for funding to assist in the Warm Welcome Initiative are entitled to apply for a grant for another purpose under the scheme in the same financial year.
- 3.8. A total of 6 grants were awarded to community and voluntary groups/organisations in the Hamilton Area, totalling £5,500.
