## 1. Purpose of Report

1.1. The purpose of the report is to:-

- ◆ advise members of the forward programme for the meetings of the Community Wealth Building Commission
- ◆ invite members to suggest topics for inclusion in the Committee's forward programme

## 2. Recommendation(s)

2.1. The Commission is asked to approve the following recommendation(s):-

- (1) that the report and the outline forward programme for the meetings of the Commission, attached as an appendix to the report, be noted.

## 3. Background

- 3.1. At the last meeting of the Commission there was a wide-ranging discussion of Community Wealth Building in response to the input from Neil McInroy and the Scottish Government. Members of the Commission expressed an interest in bringing forward items to future meetings which would explore each of the 5 pillars in detail and allow constructive discussion on how collectively to progress the CWB agenda in South Lanarkshire.
- 3.2. In a similar vein, it has been noted at previous meetings that the updates on the action plan at Q2 and Q4 provide only an overview of progress, with brief summaries of the actions that are being taken. For a detailed understanding of the context, progress and challenges under each pillar, it is necessary to look at specific topics in detail.
- 3.3. To assist in shaping the future deliberations of the Commission, an outline forward programme is attached as an appendix to the report. Members are invited to consider the programme and suggest topics that they would like to see addressed at future meetings.
