| Introduce new waste management initiatives to reduce waste and increase recycling | Waste audits undertaken and waste collection arrangements reviewed in council buildings, identifying opportunities to reduce residual waste and increase recycling capacity in council buildings by March 2016 | The new council buildings contract will see food waste collection services extended to a further 61 premises as of January 2016. This will mean a corresponding fall in the amount of residual waste going to landfill. | Green | | | | | |
| | | The Resource continues to work with Education Resources (via the Learning About Sustainability in Schools Group) to facilitate the installation of can crushers in secondary schools throughout South Lanarkshire. The 'Every Can Counts' scheme diverts waste from litter bins and school residual bins by encouraging pupils to recycle metals such as aluminium. | | | | | | |
| | Procurement of long term waste treatment contract progressed, with procurement timetable milestones met | The procurement process for the long term waste treatment contract is on track, with the Invitation to Tender being issued on 1 September 2015 and Bidders Day taking place on 30 September 2015. The Waste Steering Group is working to a timetable that will see the new contract start as planned by April 2017. | Green | | | | | |
| | Implement new waste collection service in Hamilton and East Kilbride to incorporate food waste as per proposed plan and subject to Committee approval | The first phase of the implementation of the new waste collection services is completed for the Hamilton area, with the first collection of paper and card recycling material and food and garden waste completed week ending 19th June 2015. All new bins, caddies, compostable liners and information booklets for the second phase in the Hamilton area have been distributed to the householders. | Green | | | | | |
| | Council target achieved for total percentage household waste arising that is recycled - 50% in line with Government target | Priority has been given to rolling out the new waste and recycling services this quarter. Quarter 2 figures are therefore not available, but will be reported in Quarter 3. | Report Later | 50.0% | | 37.7% | 39.1% | 47.4% |

| Further implementation of action plan to maintain use of museums | Maintain number of visits to/usages of council funded or part-funded museums per 1,000 population (705) | Year to date, there has been a 23% increase in attendances / visits (both in person and through the internet) to SLC part/funded museums, compared to the same period last year. | Green | 705.0 | 475.3 | 813.0 | 864.1 | 706.8 |
| | Maintain number of those visits to council funded or part funded museums that were in person per 1,000 population (630) | Despite a 9% decrease in quarter two (July - September 2015) in the number of visits to SLC part/funded museums, figures remain on target, with the year to date visits showing a decrease of less than 1%. The above figure includes attendances recorded at the David Livingstone Centre. Visits to museums managed by SLLC (Low Parks Museum and the Mausoleum) reported a 40% decrease in quarter two attendances and a 28% decrease in year to date attendances compared to the same period last year. However, this was largely down to the successful Lego exhibition held last year which boosted visits during that period. | Green | 630.0 | 365.0 | 757.0 | 835.9 | 637.7 |
