

# Report

Report to:	<b>Community and Enterprise Resources Committee</b>
Date of Meeting:	<b>29 June 2021</b>
Report by:	<b>Executive Director (Community and Enterprise Resources)</b>

Subject:	<b>Strathaven Conservation Area Regeneration Scheme (CARS) – Grant Application</b>
----------	--

## 1. Purpose of Report

1.1. The purpose of the report is to:-

- ♦ seek approval for a grant application from Strathaven CARS from Donna Dickson (t/a The Green Room Hair Studio Ltd), 17/19 Green Street, Strathaven

## 2. Recommendation(s)

2.1. The Committee is asked to approve the following recommendation(s):-

- (1) that a grant up to a maximum of £157,387 be awarded to Donna Dickson (t/a The Green Room Hair Studio Ltd), 17/19 Green Street, Strathaven towards the external fabric improvements, including a new shop front, roof and render works at 17/19 Green Street, Strathaven;
- (2) that the above grant is subject to a full appraisal of the application for support being carried out, match funding being secured and written confirmation of this being received by the Council; Planning and Building Standards matters being agreed; agreement from Strathaven CARS Community Group; and
- (3) that the Executive Director (Community and Enterprise Resources), in consultation with the Head of Administration and Legal Services, be authorised to complete such agreements and supporting documentation as necessary to administer the grant.

## 3. Background

- 3.1. Historic Environmental Scotland operate a Conservation Area Regeneration Scheme (CARS) which provides financial assistance, over a five-year period, for regeneration and conservation-based initiatives undertaken by Councils, National Parks, Community Groups and Third Sector organisations. The scheme was originally to end on the 31 March 2021 however due to the current Coronavirus pandemic a one-year extension has been granted and Strathaven CARS will cease on the 31 March 2022.
- 3.2. South Lanarkshire Council submitted a bid for funding to undertake such a regeneration scheme in the Strathaven Conservation Area in August 2014 which was approved in January 2015 with an award of £625,000 of support from Historic Environmental Scotland.

- 3.3. A key eligibility requirement is the need for the development of a partnership between South Lanarkshire Council and a range of local community groups. This partnership has been strengthened over the past four years with consultation events reflecting strongly the desire to support the CARS proposal.
- 3.4. The CARS project is delivered through a partnership between the Council and community representatives drawn from Avondale Civic Society, Strathaven Community Council, Strathaven Business Association and the Rotary Club of Strathaven. This links into established community/Council governance structures, such as the Strathaven Town Group, and the activities and priorities that they are pursuing.
- 3.5. The Community and Enterprise Resources Committee on 17 May 2016, approved the Strathaven CARS project and a mechanism for award of grant funding, similar to existing community benefit, renewable energy fund processes, with authority delegated to the Head of Planning and Economic Development for grants up to £20,000 and Community and Enterprise Resources Committee for grants above £20,000.
- 3.6. The CARS scheme is funded by Historic Environment Scotland and is underpinned by a high intervention rate in recognition of the typically high costs which may be incurred and in order to incentivise all private property owners within the Conservation Area to participate in the scheme.

#### **4. Proposals**

- 4.1. The applicant has responsibility for repair and maintenance of the properties at 17/19 Green Street, Strathaven. The property is occupied by a well-established hairdressers and residential units and it is the owner that seeks a grant to carry out improvements. The applicant is seeking a grant for a range of external fabric improvements. The property occupies a prominent location, and the proposed works will help safeguard this key building within the Strathaven Conservation Area Renewal Scheme boundary.
- 4.2. The proposed works include render and stone repairs, roof refurbishment, new rainwater goods, a new shop frontage, signage and doorway of the shop unit and residential flats.
- 4.3. The proposed works have been developed in conjunction with Robert Potter and Partners Ltd who are supporting the applicant through the refurbishment project.
- 4.4. The application and funding sought is as follows:-
  - ◆ Donna Dickson (t/a The Green Room Hair Studio Ltd), 17/19 Green Street, Strathaven seeking a Grant Award for eligible works up to £157,387 - Intervention rate maximum 80%.
- 4.5. On tendering the works the applicant received 3 quotations from appropriate contractors. The resultant overall project costs ranged from £196,732 to £234,202. Under the terms of the project, the application assessment process permits an intervention rate of up to 80% of eligible costs. The final intervention rate for the project will be determined after a full appraisal and will reflect the fit with project criteria and other fund commitments.

- 4.6. With the lowest overall cost being selected the total cost of the project, on which the grant award is based:
- ◆ up to £196,732 for Donna Dickson (t/a The Green Room Hair Studio Ltd), 17/19 Green Street, Strathaven)
- 4.7. In all cases the applicant must contribute a minimum of 20% of the project costs from their own funds. In regard to the specific project outlined above, the applicant contribution required, after appraisal will be a minimum of:-
- ◆ £39,345 for Donna Dickson (t/a The Green Room Hair Studio Ltd), 17/19 Green Street, Strathaven
- 4.8. Therefore, it is proposed that Strathaven CARS will contribute a maximum award of:-
- ◆ £157,387 for Donna Dickson (t/a The Green Room Hair Studio Ltd), 17/19 Green Street, Strathaven representing the grant intervention rate of 80% respectively
- 4.9. The works are scheduled for the summer of 2021 with completion required in advance of the 31 March 2022 when the Strathaven CARS ends.

## **5. Employee Implications**

- 5.1. There are no employee implications arising from this report.

## **6. Financial Implications**

- 6.1. Strathaven CARS has sufficient resources to meet the proposed grant award commitment detailed in this report.

## **7. Climate Change, Sustainability and Environmental Implications**

- 7.1. The projects and initiatives identified in this report will be delivered using a range of sustainable techniques and models, having regard to best practice and current construction industry guidance. It is also noted that the projects will result in the regeneration and future sustainability of historic buildings.

## **8. Other Implications**

- 8.1. The risks associated with the project are focused on the potential for cost overruns or delays to the programme. The applicant has agreed that any cost increases will be managed within their present budget subject to agreement on any changes to the proposed project. This is highly unlikely to have an impact on the Council.

## **9. Equality Impact Assessment and Consultation Arrangements**

- 9.1. This report does not introduce a new policy, function or strategy and, therefore, no impact assessment is required.
- 9.2. All necessary consultation arrangements, including any community consultations, have taken place.

**Michael McGlynn**  
**Executive Director (Community and Enterprise Resources)**

26 May 2021
