## **6. Other Implications**

- 6.1. The main risk associated with the Council's Revenue Budget is that there is an overspend. The risk has been assessed as low given the detailed budget management applied across the Resources. The risk is managed through four weekly Budget Monitoring Meetings at which any variance is analysed. In addition, the probable outturn exercise ensures early warning for corrective action to be taken where appropriate.
- 6.2. There are no implications for sustainability in terms of the information contained in this report.

## **7. Equality Impact Assessment and Consultation Arrangements**

- 7.1. This report does not introduce a new policy, function or strategy or recommend a change to existing policy, function or strategy and therefore no impact assessment is required.
- 7.2. There was also no requirement to undertake any consultation in terms of the information contained in this report.
