- (2) that the Executive Director (Finance and Corporate Resources), in consultation with the Chair, be authorised to approve any further community grant applications meeting the relevant criteria in the period to 31 March 2023 from the 2022/2023 budget.

3. Background

- 3.1. The Council operates a community grants scheme to support local constituted community groups and voluntary organisations. All applications require to be supported by a constitution, audited accounts or annual income and expenditure accounts, a bank statement and confirmation that the group/organisation will adhere to the conditions of the grant award. Applications are invited continually throughout the year.
- 3.2. The main aims of the community grants scheme are to:-
- ◆ fund activities and projects which bring community benefit
 - ◆ involve people in the community by bringing them together to enjoy educational, recreational, leisure and other community activities or to improve the local environment
- 3.3. Support can be provided for a range of activities including administration and publicity costs, purchase of equipment and materials, annual outings and entrance fees, start-up costs and special events.
- 3.4. At the meeting of the full Council on 28 September 2022, it was agreed that the Chief Executive would bring forward a package of cost of living supports for agreement, in consultation with the Group Leaders and endorsed by the Executive Committee at its meeting on 30 November 2022. This package included support for a Warm Welcome Initiative.
- 3.5. Working in conjunction with South Lanarkshire Leisure and Culture and community and voluntary groups and organisations, the Warm Welcome Initiative is a network of warm spaces in community settings and public buildings where members of the public are welcomed and can participate in activities and access advice and support. To support the Initiative, a small grants scheme was created offering grants to a maximum of £1,000 to cover extra costs incurred by offering a Warm Welcome. A total of £40,000 was identified for the Initiative and the monies were apportioned equally between the 4 Area Committees.
- 3.6. There have been no applications received under the Warm Welcome Initiative since the last Area Committee meeting.
- 3.7. In terms of the community grants scheme, community groups would normally only be permitted to submit 1 application in each financial year, however, community groups that applied for funding to assist in the Warm Welcome Initiative are entitled to apply for a grant for another purpose under the scheme in the same financial year.

4. Employee Implications

- 4.1. None.

5. Financial Implications

- 5.1. The current position of the community for the East Kilbride Area Committee area in 2022/2023 is as follows:-

| | |
|---|------------|
| Total allocation for Community Grants | £25,750.00 |
| Grants previously allocated | £14,006.40 |
| Community grants allocated in this report | £3,856.00 |
| Remaining balance | £7,887.60 |

5.2. In view of the fact that this is the last meeting of the Committee in the current financial year and to allow any further applications submitted prior to the end of the current financial year to be considered, it is proposed that the Executive Director (Finance and Corporate Resources), in consultation with the Chair, be authorised to approve any further community grant applications meeting the relevant criteria in the period to 31 March 2023. Information on those grants awarded would be reported to a future meeting.

6. Climate Change, Sustainability and Environmental Implications

6.1. There are no implications for climate change, sustainability or the environment in terms of the information contained in this report.

7. Other Implications

7.1. The risk to the Council is that grant funding is not utilised for the purpose of which it was intended. This risk is mitigated by internal controls including audit procedures and conditions of grant agreement.

8. Equality Impact Assessment and Consultation Arrangements

8.1. This report does not introduce a new policy, function or strategy or recommend a change to an existing policy, function or strategy and therefore no impact assessment is required.

8.2. All the necessary consultation with the community groups has taken place.
