## FINANCE AND CORPORATE RESOURCES COMMITTEE

Minutes of meeting held via Microsoft Teams on 17 March 2021

## Chair:

Councillor Gladys Miller

## **Councillors Present:**

Councillor Alex Allison, Councillor John Anderson, Councillor Walter Brogan, Councillor Graeme Campbell, Councillor Peter Craig, Councillor Maureen Devlin, Councillor Isobel Dorman, Councillor Joe Fagan, Councillor Grant Ferguson, Councillor Geri Gray, Councillor Ian Harrow, Councillor Eric Holford, Councillor Graeme Horne (Depute), Councillor Eileen Logan, Councillor Hugh Macdonald, Councillor Monique McAdams, Councillor Catherine McClymont, Councillor Mark McGeever, Councillor Jim McGuigan, Councillor Mo Razzaq, Councillor Collette Stevenson (Depute), Councillor Jim Wardhaugh, Councillor Jared Wark

## **Councillors' Apologies:**

Councillor Joe Lowe, Councillor John Ross (ex officio)

## Attending:

## **Finance and Corporate Resources**

P Manning, Executive Director; C Fergusson, Head of Finance (Transactions); T Little, Head of Communications and Strategy; C Lyon, Administration Officer; G McCann, Head of Administration and Legal Services; K McVeigh, Head of Personnel Services; J Taylor, Head of Finance (Strategy); B Teaz, Head of Information Technology

## **1** Declaration of Interests

No interests were declared.

## 2 Minutes of Previous Meeting

The minutes of the meeting of the Finance and Corporate Resources Committee held on 20 January 2021 were submitted for approval as a correct record.

The Committee decided:

that the minutes be approved as a correct record.

## 3 Minutes of Appeals Panel

The minutes of the meeting of the Appeals Panel held on 11 February 2021 were submitted for approval as a correct record.

The Committee decided:

that the minutes be approved as a correct record.

## 4 Revenue Budget Monitoring 2020/2021 – Finance and Corporate Resources

A report dated 10 February 2021 by the Executive Director (Finance and Corporate Resources) was submitted comparing actual expenditure for the period 1 April to 29 January 2021 against budgeted expenditure for 2020/2021 for Finance and Corporate Resources.

As at 29 January 2021, there was an overspend of £4.640 million against the phased budget which included the net costs of COVID-19 totalling £4.610 million.

Costs associated with COVID-19 were detailed in Appendix I to the report and related to COVID-19 Business Support Grants from the Scottish Government.

Following the Council's probable outturn exercise, Finance and Corporate Resources was forecasting an overspend of  $\pounds 6.336$  million before transfers to reserves. After the approved transfers to reserves of  $\pounds 0.103$  million, the position was an overspend of  $\pounds 6.439$  million.

Appendices to the report provided details on proposed budget virements across the Resource to realign budgets.

## The Committee decided:

- (1) that the forecast to 31 March 2021 of an overspend of £6.336 million, before approved transfers to reserves, as detailed in Appendix A to the report, be noted;
- (2) that the forecast to 31 March 2021 of an overspend of £6.439 million, after transfers to reserves, as detailed in Appendix A to the report, be noted; and
- (3) that the overspend of £4.640 million as at 29 January 2021 be noted;
- (4) that the budget virements, as detailed in the appendices to the report, be approved.

[Reference: Minutes of 20 January 2021 (Paragraph 4)]

## 5 Capital Budget Monitoring 2020/2021 – Finance and Corporate Resources

A report dated 24 February 2021 by the Executive Director (Finance and Corporate Resources) was submitted advising of progress on Finance and Corporate Resources' capital programme for 2020/2021 and summarising the expenditure position at 29 January 2021.

As noted in the report to this Committee on 20 January 2021, the budget for 2020/2021, including carry forward, was £3.644 million. At its meeting on 10 February 2021, the Executive Committee agreed adjustments which decreased the budget by £0.362 million, as detailed in Appendix A to the report. The revised budget for 2020/2021 was £3.282 million and spend to 29 January 2021 totalled £1.563 million.

Work had been ongoing to monitor the predicated spend for this financial year and current estimates from Finance and Corporate Resources suggested an outturn of £2.9 million which was an underspend of £0.382 million.

The progression of a number of projects had been impacted by the ongoing lockdowns due to COVID-19, including some IT Infrastructure refresh projects, where the budget was now required in 2021/2022 rather than 2020/2021. Funding would carry forward into the next financial year.

## The Committee decided:

- (1) that the Finance and Corporate Resources' capital programme of £3.282 million, and expenditure to date of £1.563 million, be noted; and
- (2) that the projected outturn of £2.9 million be noted.

[Reference: Minutes of 20 January 2021 (Paragraph 5) and Minutes of the Executive Committee of 10 February 2021 (Paragraph 3)]

Councillor Craig joined the meeting during this item of business

# 6 Finance and Corporate Resources – Workforce Monitoring – November and December 2020

A report dated 9 February 2021 by the Executive Director (Finance and Corporate Resources) was submitted on the following employee information for Finance and Corporate Resources for the period November and December 2020:-

- attendance statistics
- occupational health statistics
- accident/incident statistics
- disciplinary hearings, grievances and Dignity at Work cases
- analysis of leavers and exit interviews
- Staffing Watch as at 12 December 2020

The Committee decided: that the report be noted.

[Reference: Minutes of 20 January 2021 (Paragraph 6)]

Councillor Harrow joined the meeting during this item of business

## 7 Council-wide Workforce Monitoring – November and December 2020

A report dated 9 February 2021 by the Executive Director (Finance and Corporate Resources) was submitted on the following Council-wide employee information for the period November and December 2020:-

- attendance statistics
- occupational health statistics
- accident/incident statistics
- disciplinary hearings, grievances and Dignity at Work cases
- analysis of leavers and exit interviews
- recruitment monitoring
- Staffing Watch as at 12 December 2020

The Head of Personnel Services responded to members' questions on various aspects of the report.

The Committee decided: that the report be noted.

[Reference: Minutes of 20 January 2021 (Paragraph 7)]

## 8 Treasury Management Activity – Third Quarter Review

A report dated 24 February 2021 by the Executive Director (Finance and Corporate Resources) was submitted on the third quarter review of Treasury Management activity for 2020/2021.

Details were given on:-

- market performance
- debt management and borrowing strategy
- investment activity

- management of risk
- next quarter investment plans
- treasury management indicators

The Head of Finance (Strategy) responded to members' questions on various aspects of the report.

The Committee decided:

that the report be noted.

[Reference: Minutes of 21 January 2021 (Paragraph 8)]

## 9 Revenue Collection and Approval for Write-offs

A report dated 18 February 2021 by the Executive Director (Finance and Corporate Resources) was submitted on:-

- collection performance for the financial year 2020/2021 to 31 January 2021 on revenue income which comprised Council Tax, non-domestic rates, sundry debts and arrears
- performance in the Business Rates Incentivisation Scheme (BRIS)
- the write-off of irrecoverable Council Tax, Hamilton, Carluke and Lanark Town Centre Business Improvement District (BID) levies, sundry debt and Housing Rent and associated charges

Collection across all income streams had been significantly impacted upon by the temporary cessation of recovery action for the first 4 months of 2020/2021 due to the COVID-19 pandemic. No statutory recovery and sheriff officer activity had taken place between April and July 2020 in respect of Council Tax for both the current year and arrears. The health crisis had also seen financial support provided, via Council Tax Reduction, increase by over 10% for this financial year.

Statutory recovery in the form of reminders and recovery action for all income streams had recommenced at the end of July 2020.

In light of the impact of the health crisis, collection targets for 2020/2021 had been reviewed. Those targets were consistent with those in the Resource Plan for 2020/2021 and were detailed in the report.

Given the impact of COVID-19, the provisional annual buoyancy target for the Council in 2020/2021 had still to be confirmed by the Scottish Government (the final target in 2019/2020 was 1.0%). The Scottish Government had intimated that the 2020/2021 target would require to be adjusted significantly, with the possibility that BRIS might have to be suspended this financial year. A final decision on this would be communicated to local authorities when available.

Performance against the BRIS target was closely monitored and reported to this Committee on a quarterly basis. Buoyancy for the third quarter, to the end of December 2020 had seen a reduction of 0.15%.

Should the buoyancy target remain the same as in 2019/2020, the tax base must achieve growth of 1.15% during the remaining quarter of the financial year to secure additional income under the scheme.

It was proposed that the following debts be written off:-

- irrecoverable Council Tax accounts from 1993/1994 to 2020/2021 to the value of £121,376.11, relating primarily to prescribed debt, sequestrations and estates of the deceased
- non-domestic rates from 2018/2019 to 2020/2021 totalling £273,362.26 relating to debtors who were in liquidation, had ceased trading or had been sequestrated
- Business Improvement District (BID) levies totalling £3,764.30
- sundry debts to a value of £84,310.59
- former tenant rent arrears totalling £316,026.54 and Housing Benefit overpayments totalling £48,247.79

## The Committee decided:

- (1) that the Council's performance in the collection of revenues be noted;
- (2) that the Council's performance against the Business Rates Incentivisation Scheme target be noted, and
- (3) that the write-off of the following irrecoverable debts be approved:-
  - Council Tax debt from 1993/1994 to 2020/2021 to the value of £121,376.11
  - non-domestic rates from 2018/2019 to 2020/2021 totalling £273,362.26
  - Hamilton, Carluke and Lanark Business Improvement District levies totalling £3,764.30
  - sundry debts to a value of £84,310.59
  - house rent and associated charges totalling £364,274.33

[Reference: Minutes of 20 January 2021 (Paragraph 9)]

# 10 Youth Guarantee and Kickstart Employability Programmes – Workforce Implications

A report dated 19 February 2021 by the Executive Director (Finance and Corporate Resources) was submitted advising on the action taken, in terms of Standing Order No 36(c), by the Executive Director (Finance and Corporate Resources), in consultation with the Chair and an ex officio member, because of the timescales involved, to implement the 2020/2021 Youth Guarantee grant offer made to the Council.

Both the UK and Scottish Governments had pledged to introduce employability interventions to counteract the impact of the global pandemic on young people aged 16 to 24 years. Detailed information was provided on the Scottish Government's Youth Guarantee Funding and the UK Government's Kickstart programme.

On 16 November 2020, the Council had received a 2020/2021 Youth Guarantee grant offer of  $\pounds$ 1,654,675 with the funds to be spent this financial year, or committed beyond March 2021, for defined supports such as staff costs.

The Council had been successful in obtaining 2 Kickstart bids, an intermediary Gateway host bid for 234 opportunities in SMEs and a Council Employer bid for 50 new and additional supernumerary Council posts.

The Youth Guarantee funding allowed for the temporary appointment of Key Workers for a period of 12 months, to facilitate employability support to affected young people. Those posts would operate in 2 teams as follows:-

## **Education Resources**

- ◆ 4 posts of Key Worker at Grade 2, Level 4, SCP 57 (£30,147)
- 1 post of Team Leader at Grade 3, Level 2, SCP 65 (£33,943)

## Finance and Corporate Resources

- ◆ 4 posts of Key Worker at Grade 2, Level 4, SCP 57 (£30,147)
- 1 post of Team Leader at Grade 3, Level 2, SCP 65 (£33,943)
- 1 post of Key Worker (Single Point of Contact) at Grade 2, Level 4, SCP 57 (£30,147)

In relation to the Kickstart programme, the Council would provide up to 50 additional temporary training opportunities to unemployed young people aged 16 to 24. Those young people would be identified and referred to the Council by the Department for Works and Pensions locally. Details of the grant conditions for the Kickstart vacancies were provided in the report.

The Committee decided:

that the action taken, in terms of Standing Order No 36(c) by the Executive Director (Finance and Corporate Resources), in consultation with the Chair and an ex officio member, to:-

 increase the establishments of Finance and Corporate and Education Resources by 6 FTE posts and 5 FTE posts respectively, for a temporary 12 month period as detailed in Section 5 of the report, and approve 50 supernumerary Kickstart training placements, be noted.

## **11 Urgent Business**

There were no items of urgent business.

## **APPEALS PANEL**

Minutes of meeting held via Microsoft Teams on 27 April 2021

## Chair:

Councillor Graeme Horne

## **Councillors Present:**

Councillor Jim McGuigan, Councillor Eileen Logan

## Attending:

## **Finance and Corporate Resources**

S McLeod, Administration Officer; E Maxwell, Personnel Adviser

## **1** Declaration of Interests

No interests were declared.

## 2 Urgent Business

There were no items of urgent business.

| 3 | <b>Exclusion of Press and Public</b> |   |
|---|--------------------------------------|---|
|   | The Panel decided:                   | that, in terms of Section 50A(4) of the Local Government (Scotland) Act 1973, the press and public be excluded from the meeting for the next item of business on the grounds that it was likely that there would be disclosure of exempt information in terms of Paragraph 1 of Part I of Schedule 7A of the Act. |

## 4 Appeal Against Dismissal

The Panel considered an appeal (Ref 1/21) by an employee against their dismissal.

The appellant was present and represented by U Joe-Adigwe of GMB. The Council was represented by a Personnel Adviser. The Council called a witness and the appellant's representative called the appellant. All parties were heard in relation to the appeal and then withdrew from the meeting.

## The Panel decided:

that the grounds of the appeal had been substantiated in part and the appeal be upheld to the extent that:-

- the dismissal be replaced by a period of unpaid absence from the date of dismissal until 26 April 2021
- the appellant be issued with a final written warning
- the final written warning be subject to the completion of an appropriate assistance programme

## **RECRUITMENT COMMITTEE**

Minutes of meeting held in Committee Room 1, Council Offices, Almada Street, Hamilton on 21 May 2021

## Chair:

**Councillor John Ross** 

## **Councillors Present:**

Councillor Alex Allison, Councillor Maureen Chalmers, Councillor Gerry Convery, Councillor Joe Fagan, Councillor George Greenshields (*substitute for Councillor Margaret Cooper*)

## Councillor's Apology:

Councillor Margaret Cooper

## Attending:

**Community and Enterprise Resources** M McGlynn, Executive Director **Finance and Corporate Resources** S McLeod, Administration Officer; K McVeigh, Head of Personnel Services

## **1** Declaration of Interests

No interests were declared.

## 2 Minutes of Previous Meeting

The minutes of the meeting of the Recruitment Committee held on 21 April 2021 were submitted for approval as a correct record.

The Committee decided:

that the minutes be approved as a correct record.

| 3 | Exclusion of Press and Public |  |
|---|-------------------------------|--|
|   | The Committee decided:        | that, in terms of Section 50A(4) of the Local Government<br>(Scotland) Act 1973, the press and public be excluded from<br>the meeting for the next item of business on the grounds<br>that it was likely that there would be disclosure of exempt<br>information in terms of Paragraph 1 of Part I of Schedule<br>7A of the Act. |

## 4 Post of Head of Roads and Transportation

The Head of Personnel Services reported that Applicant Reference Number 3 had withdrawn their application.

The Committee proceeded to interview 3 candidates for the post of Head of Roads and Transportation.

The Committee decided:

that Mr C Park, Engineering Manager - Transportation Engineering, South Lanarkshire Council be appointed to the post of Head of Roads and Transportation.

Report to:Finance and Corporate Resources CommitteeDate of Meeting:02 June 2021Report by:Executive Director (Finance and Corporate Resources)

# Revenue Budget Monitoring 2020/2021 - Finance and Corporate Resources

## 1. Purpose of Report

- 1.1. The purpose of the report is to:-
  - provide information on the actual expenditure measured against the revenue budget for the period 1 April 2020 to 26 February 2021 for Finance and Corporate Resources
  - provide a forecast for the year to 31 March 2021

## 2. Recommendation(s)

- 2.1. The Committee is asked to approve the following recommendation(s):-
  - (1) that the forecast to 31 March 2021 of an overspend of £7.090 million, before approved transfers to reserves, as detailed in Appendix A of the report, be noted;
  - (2) that the forecast to 31 March 2021 of an overspend of £7.193 million, after approved transfers to reserves, as detailed in Appendix A of the report, be noted;
  - (3) that an overspend of £6.393 million as at 26 February 2021, after approved transfers to reserves, as detailed in Appendix A of the report, be noted; and
  - (4) that the proposed budget virements be approved.

## 3. Background

- 3.1. This is the fifth revenue budget monitoring report presented to the Finance and Corporate Resources Committee for the financial year 2020/2021.
- 3.2. The report details the financial position for Finance and Corporate Resources on Appendix A, along with variance explanations in Appendices B-I.
- 3.3. The Resource has incurred expenditure in relation to COVID-19, and in order to separate these costs from the Resource's normal activities, a COVID-19 Service has been included at Appendix I.

## 4. Employee Implications

4.1. None.

## 5. Financial Implications

- 5.1. **Probable Outturn:** Following the Council's formal Probable Outturn exercise, the Resource is forecasting an overspend of £7.090 million position, before transfers to reserves. After the approved transfers to reserves of £0.103 million, the position is an overspend of £7.193 million. The transfers to reserves were approved by the Executive Committee on 10 February 2021. The Resource position is outlined in Appendix A.
- 5.2. The forecast cost of COVID is £7.163 million. This is the net effect of expenditure of £6.313 million as outlined in Appendix I, a loss of income totalling £0.517 million within Finance Transactions, Administration, Legal and Licensing and Communications and Strategy (being £0.010 million, £0.452 million and £0.055 million, respectively), savings that have not been achieved totalling £0.354 million and finally unspent budget of £0.021 million which will contribute towards the costs.
- 5.3. **Position as at 26 February 2021:** As at 26 February 2021, the Resource position is an overspend of £6.393 million after approved transfers to reserves.
- 5.4. This includes the net costs of COVID-19 totalling £6.411 million.
- 5.5. The budget included in Appendix I for COVID-19 relates to Scottish Government funding in relation to COVID-19 Business Support Grants.
- 5.6. Virements are proposed to realign budgets. These movements are detailed in the appendices to this report, as appropriate.
- 5.7. Year-end Position: The final outturn position for the Resource is becoming clearer as the year-end process progresses. The late notification of funding for employability programmes will mean that full spend cannot be achieved in 2020/2021 and permission will be sought to carry forward £3.157 million of this funding through reserves for use in 2021/2022. In addition, as noted in the recent Executive Committee report (April 2021), a request to carry forward £0.060 million of Community Grants budget will also be made by the Resource. Finally, the Resource will also request that an underspend on the Scottish Welfare Fund budget (£0.129 million) can be transferred to Reserves to use in 2021/2022.

## 6. Climate Change, Sustainability and Environmental Implications

6.1. There are no implications for climate change, sustainability or the environment in terms of the information contained in this report.

## 7. Other Implications

7.1. The main risk associated with the Council's Revenue Budget is that there is an overspend. The risk has been assessed as low given the detailed budget management applied across the Resources. The risk is managed through four weekly Budget Monitoring Meetings at which any variance is analysed. In addition, the probable outturn exercise ensures early warning for corrective action to be taken where appropriate.

## 8. Equality Impact Assessment and Consultation Arrangements

8.1. This report does not introduce a new policy, function or strategy or recommend a change to an existing policy, function or strategy and therefore no impact assessment is required.

8.2. There is also no requirement to undertake any consultation in terms of the information contained in the report.

## Variance Explanations 1. Property Costs

The underspend relates to the profile of Scottish Welfare Fund payments made to date, offset by increased Administration Costs (see 2 below).

#### 2. Administration Costs

The underspend is due to lower than anticipated legal fees to date, partially offset by increased Scottish Welfare Fund payments (see 1 above).

#### Transfer Payments 3.

The underspend is due to the current profile of Housing Benefit payments and is offset in part by an under recovery of income (see 4 below).

#### 4. Income

The under recovery relates to the under recovery of Housing Benefit Subsidy income, offset by reduced expenditure (see 3 above). In addition, there is an under recovery of income from Housing Benefit Overpayments and Statutory Additions.

 Budget Virements

 a.
 Scottish Welfare Fund additional funding Net Effect £0.000m: Transfer Payments £0.169m, and Income (£0.169m)

#### Variance Explanations

#### 1. Employee Costs

The overspend is mainly due to lower than anticipated staff turnover across the Service to date.

#### 2. Property Costs

The underspend is due to the level of utilities expenditure at the Caird Centre.

#### 3. Supplies and Services

The underspend reflects the timing of spend for IT systems to date and the timing of the Caird Centre replacement programme.

#### 4. Administration Costs

The underspend is due to lower than anticipated telephone charges to date. This is offset by an under recovery in Income (see 6 below).

#### 5. Financing Charges

The overspend is due to the level of new IT Equipment leases.

#### 6. Income

The income under recovery relates to external income for services provided at Caird, and lower than anticipated recharges for telephone costs which are offset by an underspend within Administration Costs (see 4 above).

#### Variance Explanations 1. Employee Costs Employee Costs

The net underspend is due to a reduced requirement within Employee Costs for Modern Apprentices this year. This is partially offset by an overspend reflecting lower than anticipated turnover.

#### 2. Property Costs

The underspend reflects reduced spend on health and hygiene materials within the Free Sanitary Products programme due to public buildings being closed as a result of COVID-19.

#### Supplies and Services 3.

The underspend reflects lower expenditure within the Cafes, which are closed due to COVID, offset by an under recovery of income (see 6 below).

#### Administration Costs 4.

The underspend reflects reduced training expenditure as a result of COVID-19..

#### 5. Payments to Other Bodies

The underspend reflects lower than anticipated expenditure within the Employability Programme due to the timing of commencement of projects as a result of COVID-19.

#### 6. Income

The under recovery reflects lower than anticipated income from the Cafes, which are currently closed due to COVID-19, offset by a reduction in expenditure (see 3 above).

#### Variance Explanations

#### 1. Employee Costs

The overspend is mainly due to lower than anticipated staff turnover across the Service to date.

#### 2. Administration Costs

The underspend is mainly due to lower than anticipated expenditure on printing and stationery, and also a reduction in expenditure on civic events which have not taken place due to COVID, offset by an under recovery of income (see 4 below).

#### 3. Payments to Other Bodies

The underspend reflects a reduction in uptake levels this financial year of grants to voluntary organisations.

#### 4. Income

The under recovery of income relates to income from civic events which have not taken place due to COVID, offset by a reduction in expenditure (see 2 above). In addition, income from licensing and registration has been lower than anticipated due to COVID.

#### Variance Explanations

#### 1. **Employee Costs**

The underspend is due to vacant posts within the Service.

#### 2. Supplies and Services

The underspend reflects lower than anticipated computer maintenance costs and a reduction in expenditure in relation to external mail.

#### Administration Costs 3.

The underspend relates to a reduction in advertising costs, and the cost of printing from multi-functional devices a result of COVID, offset by an under recovery of income from recharges (see 4 below).

#### Income 4.

The net under recovery of income reflects the impact of COVID-19 on the work of the service, including recharges for advertising and multi-functional devices (see 3 above).

#### Variance Explanations

#### 1. Employee Costs

The overspend relates to overtime and includes the cost of the wellbeing helpline and also additional time required to process the Business Support Grants, and other benefits including Social Welfare Payments and Council Tax Reduction Scheme applications in relation to COVID-19.

#### 2. Property Costs

This overspend relates to fuel payments made to individuals.

#### 3. Supplies and Services

The overspend relates mainly to Free School Meals and Winter Payments. The overspend also includes IT expenditure including licences and devices to support staff working from home.

#### 4. Administration Costs

The overspend relates to printing and postage costs in relation to COVID-19.

#### 5. Payments to Other Bodies

The overspend relates to expenditure on Tenancy Assistance and is offset by Scottish Government COVID grant funding.

#### 6. Transfer Payments

This overspend relates to Discretionary Housing Payments, offset in part by benefit subsidy income (see 7 below).

#### 7. Income

The over recovery relates to benefit subsidy income (see 6 above).

Report to:Finance and Corporate Resources CommitteeDate of Meeting:2 June 2021Report by:Executive Director (Finance and Corporate Resources)

# Capital Budget Monitoring 2020/2021 - Finance and Corporate Resources

## 1. Purpose of Report

- 1.1. The purpose of the report is to:
  - provide information on the progress of the capital programme for Finance and Corporate Resources for the period 1 April 2020 to 26 February 2021

## 2. Recommendation(s)

- 2.1. The Committee is asked to approve the following recommendations:
  - (1) that the Finance and Corporate Resources capital programme of £3.282 million, and expenditure to date of £1.603 million, be noted; and
  - (2) that the projected outturn of £2.605 million be noted.

## 3. Background

- 3.1. This is the fifth capital monitoring report presented to the Finance and Corporate Resources Committee for the financial year 2020/2021. A final report will be presented following the end of the financial year.
- 3.2. As noted in the last report to this Committee (17 March 2021), the budget for Finance and Corporate Resources for financial year 2020/2021, including carry forward, was £3.282 million. There have been no other changes to this budget allocation since that meeting.
- 3.3. The report details the financial position for Finance and Corporate Resources in Appendix A.

## 4. Employee Implications

4.1. There are no employee implications as a result of this report.

## 5. Financial Implications

5.1. As detailed in Section 3.2, the revised capital programme for Finance and Corporate Resources for 2020/2021 is £3.282 million. Spend to 26 February 2021 totals £1.603 million.

## 5.2. <u>2020/2021 Outturn</u>

As at period 12, the predicted spend position for this financial year, advised by Finance and Corporate Resources, was anticipated to be an outturn of  $\pounds 2.605$  million, an underspend of  $\pounds 0.677$  million.

- 5.3. As reported to this Committee previously, the progression of a number of projects has been impacted by the ongoing lockdowns due to Covid-19. These include some IT Infrastructure refresh projects where the budget is now required in 2021/2022 rather than 2020/2021. Funding will carry forward into next financial year.
- 5.4. The year-end position is currently being finalised and this will be reported to the Executive Committee on the 23 June 2021. The ongoing implications of COVID-19 continue to impact on the level of capital spend achieved this financial year and the outturn is looking like a further underspend than predicted at period 12. This is a timing issue only. The final position will be reported to the next Finance and Corporate Resources Committee on 1 September 2021.

## 6. Climate Change, Sustainability and Environmental Implications

6.1. There are no implications for climate change, sustainability or the environment in terms of the information contained in this report.

## 7. Other Implications

7.1. The main risk associated with the Council's Capital Programme is that there is an overspend. The risk has been assessed as low given the detailed project management plans prepared and monitored for each project. The risk of overspend is managed through four weekly Investment Management Meetings.

## 8. Equality Impact Assessment and Consultation Arrangements

- 8.1. This report does not introduce a new policy, function or strategy or recommend a change to an existing policy, function or strategy and therefore no impact assessment is required.
- 8.2. There is also no requirement to undertake any consultation in terms of the information contained in the report.

Report to:Finance and Corporate Resources CommitteeDate of Meeting:2 June 2021Report by:Executive Director (Finance and Corporate Resources)

## Finance and Corporate Resources – Workforce Monitoring – January to March 2021

## 1. Purpose of Report

- 1.1. The purpose of the report is to:-
  - provide employment information for the period January to March 2021 relating to Finance and Corporate Resources

## 2. Recommendation(s)

- 2.1. The Committee is asked to approve the following recommendation(s):-
  - (1) that the following employment information for the period January to March 2021 relating to Finance and Corporate Resources be noted:-
    - attendance statistics
    - occupational health
    - accident/incident statistics
    - discipline, grievance and Dignity at Work cases
    - analysis of leavers and exit interviews
    - staffing watch as at 13 March 2021

## 3. Background

3.1. As part of the Council's performance management arrangements, regular workforce monitoring reports are submitted to Committee. This report for Finance and Corporate Resources provides information on the position for the period January to March 2021.

## 4. Monitoring Statistics

## 4.1. Attendance Statistics (Appendix 1)

Information on absence statistics is analysed for the month of March 2021 for Finance and Corporate Resources.

The Resource absence figure for March 2021 was 3.5%, which remains unchanged when compared to last month and is 1.4% lower than the Council-wide figure. Compared to March 2020, the Resource absence figure has decreased by 1.0%.

Based on the absence figures at March 2021 and annual trends, the annual average absence for the Resource for 2020/2021 is 2.8%, compared to a Council-wide average figure of 4.2%.

For the financial year 2020/2021, the average days lost per employee equates to 6.4 days, compared with the overall figure for the Council of 9.9 days per employee.

The attendance information contained in this report includes absences as a result of Covid-19, and employees are being supported through this difficult time to maintain attendance levels where they can. As this report was being prepared, at 28 April 2021, the Council overall absence level was 4.85% with 0.77% of this relating to Covid-19 for sickness and special leave.

Whilst the average absence rate for the Council for the financial year 2020/2021 is 4.2%, the figure excluding Covid-19 related absences was 3.7%. This is mainly accounted for by reductions in musculoskeletal absences although we have also seen a significant reduction in stomach related absences, due in some part to improved hand hygiene and reduction in social interaction.

## 4.2. Occupational Health (Appendix 2)

In terms of referrals to occupational health, which include medical examinations and physiotherapy, 59 referrals were made this period, a decrease of 5 when compared with the same period last year.

## 4.3. Accident/Incident Statistics (Appendix 2)

There were no accidents/incidents recorded within the Resource this period, a decrease of 1 when compared with the same period last year.

## 4.4. Discipline, Grievance and Dignity at Work (Appendix 2)

There were no disciplinary hearings held within the Resource this period, which is a decrease of 2 when compared with the same period last year. There were no grievances raised within the Resource this period, which remains unchanged when compared with the same period last year. There were no Dignity at Work complaints raised within the Resource this period, which remains unchanged when compared with the same period last year.

## 4.5. Analysis of Leavers (Appendix 2)

There were 3 leavers in the Resource this period who was eligible for an exit interview. This figure has decreased by 7 when compared with the same period last year. Exit interviews were held with 33% of employees, compared with 30% for the same period last year.

- 4.6. When processing an employee termination, managers are asked to identify whether they intend to replace the employee who had left the Council. If they indicate that they do not intend to replace the employee, they are asked to select from four options:-
  - plan to hold for savings
  - fill on a fixed term basis pending savings
  - transfer budget to another post
  - end of fixed term contract
- 4.7. Appendix 2a provides a breakdown of vacant posts and whether these are being replaced or held for savings. In the period January to March 2021, 4 employees in total left employment. Managers indicated that 2 posts (1.74 FTE) are being replaced, 1 post (1.0 FTE) was due to the end of a fixed term contract and 1 post (0.37 FTE) is being removed for savings.

## 5. Staffing Watch

5.1. There has been no change in the number of employees in post from 12 December 2020 to 13 March 2021.

## 6. Employee Implications

6.1. There are no implications for employees arising from the information presented in this report.

## 7. Financial Implications

7.1. All financial implications are accommodated within existing budgets.

## 8. Climate Change, Sustainability and Environmental Implications

8.1. There are no climate change, sustainability or environmental implications arising from the information presented in this report.

## 9. Other Implications

9.1. There are no implications for risk in terms of the information contained within this report.

## 10. Equality Impact Assessment and Consultation Arrangements

- 10.1. This report does not introduce a new policy, function or strategy or recommend a change to an existing policy, function or strategy and therefore no impact assessment is required.
- 10.2. There was no requirement to undertake any consultation in terms of the information contained in this report.

## Paul Manning Executive Director (Finance and Corporate Resources)

26 April 2021

## Link(s) to Council Values/Ambitions/Objectives

- Accountable, effective, efficient and transparent
- Fair, open and sustainable
- Ambitious, self aware and improving
- Excellent employer
- Focused on people and their needs
- Working with and respecting others

| Date of Meeting: | 2 June 2021  |
| Report by:       | Executive Director (Finance and Corporate Resources) |

# Subject: Council-wide Workforce Monitoring – January to March 2021

## 1. Purpose of Report

- 1.1. The purpose of the report is to:-
  - provide employment information relating to the Council for the period January to March 2021

#### 2. Recommendation(s)

- 2.1. The Committee is asked to approve the following recommendation(s):-
  - (1) that the following employment information for the period January to March 2021 relating to the Council be noted:-
    - attendance statistics
    - occupational health
    - accident/incident statistics
    - discipline, grievance and Dignity at Work cases
    - analysis of leavers and exit interviews
    - recruitment monitoring
    - staffing watch as at 13 March 2021

#### 3. Background

3.1. As part of the Council's performance management arrangements, regular workforce monitoring reports are submitted to the Committee. This report for the Council provides information on the position for the period January to March 2021.

#### 4. Attendance Statistics

4.1. Information on absence statistics for the Council and each Resource, as analysed for March 2021, is provided in Appendices 1 to 8. Points to note are:-

The Council's absence rate for March 2021, shown in Appendix 1, is 4.9%, which represents an increase of 0.1% when compared with last month and the figure has decreased by 1.3% when compared to March 2020.

When compared to March 2020, the APT&C absence rate has decreased by 1.6%, the teachers' figure has decreased by 1.9% and the manual workers' figure has decreased by 0.1%.

Based on annual trends and the absence rate to March 2021, the average absence rate for the Council for the financial year 2020/2021 is 4.2%. For the financial year 2020/2021, the average days lost per employee equates to 9.9 days.

In comparison to March 2020 (Appendix 8):-

- Psychological and musculoskeletal conditions are the main reasons for absence.
- Total days lost due to psychological conditions have increased by 376 days.
- Total days lost due to musculoskeletal conditions have decreased by 936 days.
- Total days lost due to respiratory conditions have decreased by 1845 days.
- Total days lost due to stomach, bowel, blood and metabolic disorders have decreased by 246 days.

Whilst the average absence rate for the Council for the financial year 2020/2021 is 4.2%, the figure excluding Covid-19 related absences was 3.7%. This is mainly accounted for by the noted reduction in musculoskeletal absences although we have also seen a significant reduction in stomach related absences, due in some part to improved hand hygiene and reduction in social interaction.

# 5. Occupational Health

- 5.1. Information on Occupational Health for the period January to March 2021 is provided in Appendix 9.
  - during the period there were 391 employees referred for a medical examination, a decrease of 41 when compared to the same period last year. Both musculoskeletal and psychological conditions continue to be the main reason for medical referrals.
  - a total of 367 employees attended physiotherapy treatment, showing a decrease of 194 when compared to the same period last year. Of the 367 employees referred, 71% remained at work whilst undertaking treatment.
  - during this period 408 employees were referred to the Employee Support Officer, showing a decrease of 85 when compared with the same period last year. Of the referrals made this period, 84% related to personal reasons.
  - 122 employees were referred to the PAM Assist counselling service this period, showing a decrease of 69 when compared with the same period last year. All of the referrals made this period were from management and none were made directly by employees. Personal reasons accounted for 65% of the referrals made, 11% were for work related reasons and 24% were for other reasons.
  - 32 employees were referred for Cognitive Behavioural Therapy this period, this figure has decreased by 25 when compared to the same period last year.

# 6. Accidents/Incidents

- 6.1. The accident/incident report for January to March 2021 is contained in Appendix 10.
  - the number of accidents/incidents recorded was 471, this figure has increased by 64 from the same period last year.
  - there was 1 specified injury recorded, this figure remains unchanged from the same period last year.
  - there were 438 minor accidents/incidents, this figure has increased by 49 from the same period last year.

- there were 4 accidents resulting in an absence lasting over 3 days during the period, this figure has increased by 3 from the same period last year.
- there were 28 accidents resulting in an absence lasting over 7 days during the period, this figure has increased by 12 from the same period last year.

#### 7. Discipline, Grievance, Dignity at Work Hearings and Mediation Referrals

- 7.1. Information on Disciplinary, Grievance Hearings, Dignity at Work and Mediation Referrals for January to March 2021 is contained in Appendices 11, 12a and 12b.
  - in total, 12 disciplinary hearings were held across Resources within the Council, a decrease of 21 when compared to the same period last year.
  - action was taken in 12 of these cases. One appeal was raised against the outcome, of which was upheld in part.
  - our target is to convene disciplinary hearings within 6 weeks, 75% of hearings met this target.
  - during the period, 1 appeal was heard by the Appeals Panel and this was upheld in part. 1 other appeal was withdrawn.
  - at the end of March 2021, 1 Appeal Panel is pending.
  - during the period, no grievance cases were raised.
  - during the period, no Dignity at Work cases were raised.
  - during the period, no referrals for mediation were submitted.

#### 8. Analysis of Leavers and Exit Interviews

8.1. Information on the number of leavers and exit interviews for the period January to March 2021 is contained in Appendix 13. Exit interviews are conducted with employees who leave voluntarily.

#### Labour Turnover

Using information compiled from Resources and Staffing Watch information as at 13 March 2021, the Council's turnover figure for January to March 2021 is as follows:-

105 leavers eligible for exit interviews/14,894 employees in post = Labour Turnover of 0.7%.

Based on the figure at March 2021, the annual labour turnover figure for the financial year 2020/2021 for the Council is 2.4%.

- 8.2. Analysis of Leavers and Exit Interviews
  - there were a total of 105 employees leaving the Council that were eligible for an exit interview, a decrease of 30 when compared with the same period last year.
  - exit interviews were held with 27% of leavers, which remains unchanged when compared with the same period last year.
- 8.3. When processing an employee termination, managers are asked to identify whether they intend to replace the employee who had left the Council. If they indicate that they do not intend to replace the employee, they are asked to select from four options:-
  - plan to hold for savings
  - fill on a fixed term basis pending savings
  - transfer budget to another post
  - end of fixed term contract

8.4. Appendix 13a provides information relating to vacant posts and whether these are being replaced or held for savings. From January to March 2021, 225 employees left employment. Managers indicated that 221 would be replaced, 1 post (1.0 FTE) was due to the end of a fixed term contract and 3 posts (1.19 FTE) are being removed for savings.

## 9. Recruitment Monitoring

9.1. Information on Recruitment Monitoring for January to March 2021 is contained within Appendix 14.

From an analysis of Equal Opportunities Monitoring Forms, the main points to note are:-

- overall, 4,748 applications and 4,662 completed Equal Opportunities Monitoring Forms were received
- of those applicants who declared themselves as disabled (231), 97 were shortleeted for interview and 15 were appointed
- of those applicants of a black/ethnic minority background (205), 68 were shortleeted for interview and 9 were appointed.
- Of those applicants who are veterans (30), 10 were shortleeted for interview and none were appointed. (Figures for veterans are only available from February 2020).

## 10. Staffing Watch

10.1 There has been an increase of 23 in the number of employees in post from12 December 2020 to 13 March 2021. Details of the staffing watch are contained in Appendix 15.

## 11. Employee Implications

11.1. There are no implications for employees arising from the information presented in this report.

# 12. Financial Implications

12.1. All financial implications are accommodated within existing budgets.

# 13. Climate Change, Sustainability and Environmental Implications

13.1. There are no climate change, sustainability or environmental implications arising from the information presented in this report.

## 14. Other Implications

14.1. There are no implications for risk in terms of the information contained within this report.

# 15. Equality Impact Assessment and Consultation Arrangements

- 15.1. This report does not introduce a new policy, function or strategy or recommend a change to an existing policy, function or strategy and therefore no impact assessment is required.
- 15.2. There was no requirement to undertake any consultation in terms of the information contained in this report.

## Paul Manning Executive Director (Finance and Corporate Resources)

26 April 2021

## Link(s) to Council Values/Ambitions/Objectives

- Accountable, effective, efficient and transparent
- Fair, open and sustainable
- Ambitious, self aware and improving
- Excellent employer
- Focused on people and their needs
- Working with and respecting others

Report to: Date of Meeting: Report by:

# Finance and Corporate Resources Committee 2 June 2021 Executive Director (Finance and Corporate Resources)

Subject:

# **Revenue Collection and Approval for Write Offs**

# 1. Purpose of Report

- 1.1. The purpose of the report is to:-
  - advise Committee of Revenue Collection performance for financial year 2020/2021 to 31 March 2021
  - advise Committee of performance regarding the Business Rates Incentivisation Scheme (BRIS) for financial year 2020/2021 to 31 March 2021
  - seek approval for write offs

## 2. Recommendation(s)

- 2.1. The Committee is asked to approve the following recommendation(s):-
  - (1) that performance in the collection of revenue be noted;
  - (2) that the current position in respect of BRIS be noted; and
  - (3) that write offs for the following be approved:-

| ♦ Council Tax   | £248,067.75 |

# 3. Background

3.1. Responsibility for the collection of Council Tax, Non-Domestic Rates (NDR) and Sundry Debt is the responsibility of Finance and Corporate Resources. This report and the attached appendix provide information on collection performance and proposals for write off.

# 4. Covid-19 Impact

- 4.1. Collection across all income streams has been impacted upon by the temporary cessation of recovery action for the first four months of 2020/2021 due to the Covid-19 pandemic. Specifically, as previously briefed to elected members, no statutory recovery and sheriff officer activity took place between April 2020 and July 2020 in relation to Council Tax for both the current year and arrears years. The health crisis has also seen financial support provided via Council Tax Reduction increase by over 11% this financial year.
- 4.2. Statutory recovery in the form of reminders commenced at the end of July 2020, with recovery action for all income streams also commencing from this date.

4.3. In light of the impact of the health crisis, collection targets for 2020/2021 were reviewed and these targets are consistent with those in the Resource Plan for 2020/2021 and are detailed below.

#### 5. Current Collection Performance

- 5.1. The first table in Appendix 1 presents the collection performance for Council Tax, NDR and Sundry Debts for financial year 2020/2021.
- 5.2. The annual Council Tax collection target for 2020/2021 was set at 93.7%. A Council Tax collection rate of 94.89% was achieved, ahead of target by 1.19% but behind comparable performance in 2020/2021 by 0.47%.
- 5.3. Council Tax performance is now reported nationally on a "line by line" basis, which adjusts for the impact of Scottish Water billing and collection. For information, the equivalent level of Council Tax collection for 2020/2021 when Scottish Water debts are removed is 95.55%, behind comparable performance achieved in 2019/2020 by 0.31%.
- 5.4. A Non-Domestic Rates (NDR) collection target of 96.0% was set for 2020/2021. A NDR collection rate of 96.8% was achieved, ahead of target by 0.8% but behind comparable performance in 2019/2020 by 1.8%. In addition to the impact of the health crisis, the final collection rate was impacted upon by late entries to the NDR register by the Assessor.
- 5.5. The 2020/2021 annual target for Sundry Debt collection was set at 90.0%. A Sundry Debt collection rate of 97.8% was achieved, ahead of target by 7.8% but behind comparable performance in 2019/2020 by 0.2%.

#### 6. Arrears Collection Performance

- 6.1. Arrears collection performance for Council Tax, NDR and Sundry Debt is presented in the second table of Appendix 1.
- 6.2. The 2020/2021 arrears annual target for Council Tax was set at £2.500 million, with collection of £3.507 million, ahead of target by £1.007 million (40.3%) and ahead of comparable performance in 2019/2020 by £0.014 million.
- 6.3. The 2020/2021 arrears target for NDR was set at £0.500 million, with collection of £0.907 million, ahead of target by £0.407 million (81.2%) but behind comparable performance in 2019/2020 by £0.228 million.
- 6.4. The 2020/2021 arrears target for Sundry Debt was set at £7.371 million, with collection of £7.613 million, ahead of target by £0.242 million (3.3%) but behind comparable performance in 2019/2020 by 7.3%.

## 7. Business Rates Incentivisation Scheme

7.1. The Business Rates Incentivisation Scheme (BRIS) is a Scottish Government initiative to incentivise growth of the local business tax base, with a view to increasing NDR income yields.

- 7.2. The Scottish Government sets annual targets for growth (buoyancy) and councils who achieve their target retain 50% of the additional income generated above the target. The buoyancy target is a measure of the increase in the total rateable value of the non-domestic properties on the Valuation Roll (including certain categories of public undertakings).
- 7.3. Given the impact of the Covid-19 health crisis, the annual buoyancy target for South Lanarkshire Council in 2020/2021 has still to be confirmed (the final target was 1.0% in 2019/2020). Further guidance and information is awaited from the Scottish Government.
- 7.4. BRIS performance is monitored closely and reported to Committee on a quarterly basis. Buoyancy for 2020/2021 has seen a reduction of 0.34%. This represents a reduction of 2.10% when compared to 2019/2020.

## 8. Proposals for Write Off

- 8.1. Approval for write off of the following irrecoverable debts is requested from Committee. The Council has the power to write off accounts where the debtor is deceased, sequestrated, in liquidation or the debt is prescribed or where the debt is deemed uneconomical to pursue.
- 8.2. The proposed write off of Council Tax accounts dating from 1993/1994 to 2020/2021 totals £248,067.75, relating mainly to prescribed debt, sequestrations and estates of the deceased.
- 8.3. Following consultation and agreement with Resources, the proposed write off of Sundry Debt totals £178,791.07.
- 8.4. Approval is sought for the write off of former tenant rent arrears of £123,805.28 and Housing Benefit Overpayments of £64,598.30.
- 8.5. Approval is sought for the write off of arrears for former occupants of homeless temporary accommodation of £750,913.64. The value of the proposed write-off is fully provided for by Housing Services with further write-offs expected as outstanding accounts continue to be reviewed.
- 8.6. A full list of all debts proposed for write off is held by the Executive Director (Finance and Corporate Resources).

#### 9. Employee Implications

9.1. None.

#### 10. Financial Implications

10.1. Provision has been made for the financial impact of all write offs.

#### 11. Climate Change, Sustainability and Environmental Implications

11.1. There are no direct climate change, sustainability and natural environment implications arising from this report.

## 12. Other Implications

12.1. The main risk associated with the Council's revenue collection is a failure to monitor collection rates and take effective corrective action where required, resulting in a significant reduction in collection performance and Council funding. The risk is managed through monthly performance reporting and review of performance at monthly Senior Management Meetings.

#### 13. Equalities Impact Assessment and Consultation Arrangements

- 13.1. There is no requirement to carry out an impact assessment in terms of the proposals within this report.
- 13.2. There is no requirement to undertake any consultation in relation to the content of this report.

Subject:

# Common Good - Update

## 1. Purpose of Report

- 1.1. The purpose of the report is to:-
  - request approval for funding of £8,000 from the Biggar Common Good Fund for the installation of 4 lighting units along the path between Campsie's Garage on Coulter Road and the Boghall Estate
  - provide an update on the cyclical spend currently committed against the Common Good Repairs and Maintenance budget for Lanark, specifically in respect of the dampness at the Tolbooth, Lanark
  - provide an update on the Lanark Loch project

#### 2. Recommendation(s)

- 2.1. The Committee is asked to approve the following recommendation(s):-
  - (1) that £8,000 of Biggar Common Good Funding for the installation of 4 lighting units along the path between Campsie's Garage on Coulter Road and the Boghall Estate (section 4), be approved;
  - (2) that £10,180 of the £15,000 Lanark Repairs and Maintenance budget to be spent on the Tolbooth (section 5), be noted; and
  - (3) that the update on the Lanark Loch project (section 6), be noted.

#### 3. Background

- 3.1. The Common Good is a fund of money/assets and is administered by a Scottish local authority in respect of each former burgh within the area of the local authority.
- 3.2. Common Good property is administered separately from other local authority assets for accounting purposes. What the authority can do with the assets is subject to a system of statutory control. This control has the potential to limit the extent to which the authority can dispose of or deal with the asset and on what terms.
- 3.3. The Common Good funds held within South Lanarkshire Council are Lanark, Biggar, Hamilton and Rutherglen. Accounts are prepared on an annual basis, as part of the Council's year end process. The Accounts for 2020/2021 will be presented to this Committee in September 2021.
- 3.4. The Common Good Accounts in Lanark and Hamilton hold a number of properties. A proactive approach to maintenance supports the viability of these assets and reduces the Council's risk to greater liability in the future.

- 3.5. The Finance and Corporate Resources Committee, at its meeting on 2 October 2013, approved an annual cyclical maintenance plan of £15,000 for both Lanark and Hamilton Common Good properties. The Executive Director (Finance and Corporate Resources) has delegated authority to approve maintenance work up to the value of £15,000 for each fund. If inspections highlight requirements to undertake investment which would be beyond routine maintenance, this will be considered separately for approval and will be the subject of a report to this Committee.
- 3.6. This report will provide background on the request for funding from Biggar Common Good Fund (section 4) and will provide an up-to-date position on the planned maintenance for Lanark Common Good (section 5). An update in relation to the works carried out at Lanark Loch will be provided at section 6.

## 4. Biggar Common Good – Request for funds for Lighting Installation

- 4.1. A request for funding from the Biggar Common Good fund for additional lighting units has been made by a member of the public in respect of poor lighting on the path between Campsie's Garage on Coulter Road and the Boghall Estate. Finance and Corporate Resources has consulted with Local Members and Biggar Community Council on the proposal to fund the lighting from the Biggar Common Good Fund at a cost of £8,000.
- 4.2. Biggar Community Council arranged a consultation with the public of Biggar and 84% of those consulted were in support of the use of funds.
- 4.3. As at 31 March 2021, Biggar Common Good fund has a value of £0.033 million. Biggar Common Good has no assets to maintain, so it is proposed that funds are used to install 4 lighting units on the footpath between Campsie's Garage on Coulter Road and the Boghall Estate.

## 5. Lanark Common Good – Works to address dampness at the Tolbooth, Lanark

- 5.1. There is an issue of dampness within the Tolbooth building in Lanark. Housing and Technical Resources arranged for a site visit from a contractor which has identified a number of remedial works.
- 5.2. The estimated cost of the works is £10,180 which will be funded from the £15,000 Lanark Common Good allocation for Repairs and Maintenance for 2021/2022. This is the only commitment to date from the 2021/2022 Repairs and Maintenance budget, leaving a remaining budget of £4,820.

# 6. Lanark Loch Project Update

6.1. The works are now complete at Lanark Loch. Changes to the original scope of works were required, which included a change to the repair method of the damaged scour valve and due to unforeseen ground conditions, the contractor was required to change the retaining wall design. The costs associated with these changes are currently being assessed however, the costs will still remain within the budget allocated. An update on the final costs of the project will be provided to the next Committee in September 2021.

# 7. Employee Implications

7.1. None.

# 8. Financial Implications

8.1. All costs identified will be met from the Common Good funds held within both Biggar and Lanark.

#### 9. Climate Change, Sustainability and Environmental Implications

9.1. There are no implications for climate change, sustainability or the environment in terms of the information contained in this report.

#### 10. Other Implications

10.1. The ongoing repairs and maintenance support the viability of Common Good assets and reduces the Council's risk to increased liabilities in the future.

#### **11. Equality Impact Assessment and Consultation Arrangements**

- 11.1. This report does not introduce a new policy, function or strategy or recommend a change to an existing policy, function or strategy, and therefore, no impact assessment is required.
- 11.2. There is also no requirement to undertake any consultation in terms of the information contained in this report.

Report to:Finance and Corporate Resources CommitteeDate of Meeting:2 June 2021Report by:Executive Director (Finance and Corporate Resources)

# 2021/2022 Information and Communication Technology (ICT) Asset Management Plan

## 1. Purpose of Report

- 1.1. The purpose of the report is to:-
  - advise Committee on the outcomes of the 2021/2022 Information and Communication Technology (ICT) Asset Management Plan

## 2. Recommendation(s)

- 2.1. The Committee is asked to approve the following recommendation(s):-
  - (1) that the contents of the report be noted; and
  - (2) that the Information and Communication Technology (ICT) Asset Management Plan for 2021/2022 be approved.

## 3. Background

- 3.1. The Executive Committee, at its meeting held on 22 September 2010, approved the implementation of an extended model for Corporate Asset Management from 2011. This included developing Asset Plans across a number of service areas, in line with CiPFA guidance, and summarised, under an overarching Corporate Asset Management Plan, which demonstrates how each area supports corporate objectives. The Service Areas are Property, Housing, ICT, Roads Infrastructure and Fleet.
- 3.2. The ICT Asset Management Plan aims to put in place effective ICT asset management processes which enable high quality ICT services to be provided to meet the needs of the Council.

## 4. Outcomes of the 2021/2022 ICT Asset Management Plan

- 4.1. The ICT Asset Management Plan outlines the priorities and strategies required to develop and support the ICT asset estate which is in place to support the business objectives of the Council whilst ensuring business continuity. The plan highlights the key actions planned for the year ahead, ensuring that the Council's ICT Assets are fit for purpose.
- 4.2. A major programme to migrate all desktop and laptop PCs to Windows 10 will conclude during the year. In addition, desktop and laptop PCs running older versions of Windows 10 will be upgraded.

- 4.3. The Caird datacentre is scheduled to close in December 2021 and all SLC computer hardware will be migrated to an external supplier by that date. The Asset Management Plan for 2021/2022 has taken account of this and some equipment, including computer servers and storage which would normally have been replaced will not be refreshed prior to migration.
- 4.4. Ongoing upgrades to the Council's data network will include the replacement of network access switches which are nearing end of life, upgrade of lines to increase capacity and bandwidth, and replacement of firewalls and wireless access points to maintain and enhance data security.
- 4.5. A number of small telephone systems are reaching end of life/support, a replacement programme has been established.
- 4.6. For application software, upgrades of end-of-life software will be scheduled and implemented.
- 4.7. Mobile phones running older versions of Android operating system will be refreshed.
- 4.8. The Information and Communication Technology Asset Management Plan for 2021/2022 is attached at Appendix 1.

## 5. Employee Implications

5.1. There are no employee implications.

## 6. Financial Implications

6.1. The details of the plans will influence future investment decisions and capital bids, but there are no direct Financial Implications from the production of the Asset Management Plan.

#### 7. Climate Change, Sustainability and Environmental Implications

7.1. There are no implications for climate change, sustainability or the environment in terms of the information contained in this report.

#### 8. Other Implications

8.1. There are no significant issues in terms risk.

## 9. Equality Impact Assessment and Consultation Arrangements

- 9.1. This report does not introduce a new policy, function or strategy or recommend a change to an existing policy, function or strategy and, therefore, no impact assessment is required.
- 9.2. The statutory Consultation Authorities have confirmed that the Asset Management Plan is exempt from Strategic Environmental Assessment as its implementation will have minimal effect in relation to the environment.

**Finance and Corporate Resources** 

# **South Lanarkshire Council**

## Information and Communication Technology Asset Management Plan 2021/22

75

#### 1. Introduction and contextual statement

**1.1** Information Technology Services within Finance and Corporate Resources employs 107 staff and administers a controllable annual budget of £5.69 million.

Information Technology Services operate as a centralised Information and Communication Technology (ICT) service provider for the Council, coordinating and delivering a wide range of services. These include the support and maintenance of PCs and servers, running business applications for all departments including schools. This delivery is supported by Council wide networks including fixed and mobile telephony, electronic mail, training and all internet services.

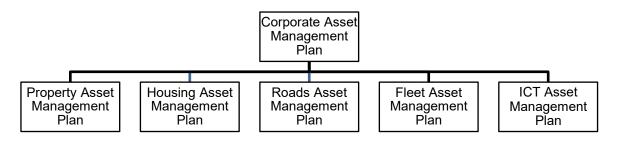

Information Technology has a significant role to play in enabling efficient and effective services throughout the Council. In addition to supporting and enabling the Council's values and objectives, the IT Service will be a key enabler of business transformation through consolidation of information systems and provision of ICT that provides cost benefit to the Council in the longer term.

Technology Services design, manage, implement, and secure all of the Council's hardware investments, including personal computers, associated servers and backup and recovery functions. In addition, the section facilitates availability of the Council's Mail and Internet Services whilst ensuring that the voice and data networks are in place to support all the Council's business.

The IT Business Project Managers and teams are responsible for planning, managing and effectively and efficiently delivering a range of IT projects and programmes. Whilst projects vary in both size and complexity, they will deliver positive business outcomes and transformational change for the Council. These projects are defined and prioritised in the ICT Service Plan 2021/2022. These teams are also responsible for the day-to-day support and maintenance of the Council's business IT systems. This includes the management and resolution of issues, the implementation of requests and minor enhancements and the performance of routine monitoring and maintenance tasks.

IT Service Delivery provide day-to-day service provision to IT Services and supply business management and process control functions. Services provided are the IT Service Centre, IT Support Team, National Entitlement Card Team, Project Management Office, and IT Security.

**1.2** In 2009, CMT and Executive Committee approved the development of an extended model for Corporate Asset Management. This included developing asset plans across a number of service areas, in line with CiPFA guidance, and summarised, under an overarching Corporate Asset Management Plan, which demonstrates how each area supports corporate objectives. The service areas are Property, Housing, Roads Infrastructure, Fleet and ICT:-

- **1.3** Aims of the ICT Asset Management Plan are:
  - To create an effective ICT asset management process
  - To modernise working practices and improve service quality
  - To effectively manage and maintain all the Council's ICT assets.

#### 2. Strategic objectives and priorities

#### 2.1 Link to Finance and Corporate Resource Plan outcomes

The ICT Asset Management Plan feeds into the Resource outcomes of the Finance and Corporate Resource plan.

Delivering the plan and achieving best value Resource outcome – Digital and ICT services meet the needs of the council and its customers Action:

- Take forward IT strategic developments

#### 2.2 Links to 2021/22 council ICT priorities

In aligning the Digital and ICT Strategy, operational service delivery and in turn ICT assets to the objectives of the Council, it is important to consider the following:

- The needs of service users to access and receive services in different ways (channels).
- Develop the right blend of channels for digital, mobile and electronic service delivery.
- Maximise availability of information and technology to include as many customers as possible.

It is therefore essential to maintain the current ICT asset estate which is in place to support the business objectives of our customers whilst maintaining a robust solution for business continuity through a disaster recovery strategy.

Objectives and strategies should reflect the needs of users for receiving services through different channels and to address the demands of Local Government in a public sector environment where both capital and revenue funding is reducing.

Therefore, future investment in ICT assets will be challenged by the IT Senior Management Team, the ICT Programme Board, and the Corporate Management Team to meet the following criteria:

- Investment in ICT assets will be closely aligned to council priorities.
- Investment in ICT assets will be sufficient to support statutory requirements.

#### 2.3 Links to sustainability objectives

- 2.3.1 Sustainable Development and Climate Change Strategy – The 2017-2022 strategy proposes the theme - Sustainable Council which considers the Council's own impact on the environment and what they will do with staff and partners to minimise it. The strategy outcomes of this theme are:
  - The Council's carbon emissions are reduced.
  - The Council is environmentally responsible in the procurement, use and disposal of resources.
  - Climate change duties are further embedded in the delivery of Council services and its collaborations with partners on climate change mitigation and adaption.

IT Services has focussed particularly on improving effective use of energy in our buildings, using our equipment more efficiently and increasing recycling. Also, ICT equipment that has come to end of life is disposed/recycled by an approved supplier who disposes of the equipment following the Waste Electrical and Electronic Equipment Regulations (WEEE) and provides a confirmation of disposal certificate.

- 2.3.2 The Council's Environmental and Sustainable Procurement Policy ensures the process of purchasing goods and services take into account the social, economic and environmental impacts that such purchasing has on people and communities. It is about considering what products are made of, where they have come from, who has made them, how are they transported and how they are eventually disposed of. It may even be about whether the purchase requires to be made at all. In addition to this the tendering process for IT contracts contains contract specific environmental questions in relation to equipment manufacturing, components, recycled content, packaging, transportation, disposal and energy consumption.
- 2.3.3 As part of the Caird exit project, the Council's server and storage estate will be migrated to a modern, energy-efficient datacentre managed by an external provider.

#### 2.4 ICT asset management objectives

Aims and objectives that will seek to ensure that the Council's ICT assets are fit for purpose within current financial constraints.

- ICT assets should meet the needs of those that use them including staff, elected members, pupils, visitors, customers and the general public through the different access channels.
- ICT assets must be safe, secure and comply with current legislative and statutory requirements, for example assets must meet the level of security accreditation required by PSN and Cyber Security Essentials, as well as DSE assessments for users, PAT testing of all electrical ICT assets, compliance with WEEE regulations for disposal of electrical ICT assets, to name a few.
- ICT assets should be environmentally sustainable, meaning the effective and efficient use of assets to reduce energy consumption and in turn CO2 emissions.
- Maximise use of existing ICT assets where possible. Where asset acquisition is necessary there is a robust business case supporting procurement of the asset and where possible a single corporate solution.

## 3. Current position

#### 3.1 What assets do we have?

#### 3.1.1 ICT assets:

| Asset type                                   | Quantity |
|--|----------|
| Desktop and server hardware:                 |          |
| Servers (Physical and Virtual)               | 340      |
| Servers (Curricular)                         | 168      |
| Storage                                      | 2        |
| Monitors                                     | 7404     |
| PCs  | 2071     |
| PCs (Curricular)                             | 9456     |
| Laptops                                      | 4118     |
| Laptops (Curricular)                         | 1947     |
| Tablets                                      | 125      |
| Port Replicators                             | 3372     |
| Portable Devices (Curricular)                | 12348    |
| Networks and communications:                 |          |
| Comms (ACI) APIC server                      | 3        |
| Comms (ACI) switches                         | 24       |
| Comms FMC                                    | 2        |
| Comms Firewall                               | 11       |
| Comms Load Balancers                         | 4        |
| Voice Gateway                                | 4        |
| Voice SIP Gateway (cubes)                    | 4        |
| Comms Wireless (Access Points)               | 280      |
| Comms Wireless (Security Appliance)          | 2        |
| Switches - Chassis                           | 13       |
| Switches – Ethernet L2                       | 455      |
| Switches – Ethernet L3                       | 56       |
| Routers - Chassis                            | 1        |
| Routers - Access                             | 23       |
| Routers (IPVPN Broadband)                    | 92       |
| Lines (Exchange)                             | 1736     |
| Lines (Private Circuits)                     | 93       |
| Lines (IPVPN broadband - including backhaul) | 93       |
| Network Management                           | 8        |
| Radius Security Appliance                    | 2        |
| Telephone System – Small                     | 218      |
| Telephone System – IP                        | 3        |
| Telephone System – SIP                       | 4        |
| Telephone System – Softphone                 | 2        |
| Mobile Devices                               | 5181     |
| Data centres:                                |          |
| Air Conditioning Units                       | 23       |
| Fire Suppression System                      | 4        |
| UPS  | 5        |
| Generator                                    | 2        |
| Video Surveillance Equipment                 | 2        |
| Environmental Monitoring System (NETBOTZ)    | 2        |
| Sprinkler System                             | 1        |
| Leak Detection System                        | 1        |
| Software:                                    |          |
| P1 Applications                              | 138      |

#### 3.1.2 Caird Data Centre

The Caird data centre houses many of the servers and storage devices which support the Council's major IT systems and much of the telecommunications infrastructure which ensures the connection of all Council sites. The Caird Centre is the primary datacentre for the Council and also hosts ICT systems for other public sector organisations in line with the Efficient Government Agenda for Shared Services.

The Caird data centre represents a significant asset for the Council, in that it was designed and commissioned as a purpose-built environment for ICT equipment. Significant work has been undertaken to improve the fabric of the building and to ensure that the air conditioning, environmental monitoring, secondary power supplies and fire suppressant systems are fit for purpose and meet new regulations.

The Caird data centre is set to close by the end of December 2021 under joint University of the West of Scotland (UWS)/Council plans to re-develop the land currently occupied by the datacentre and the former UWS campus. The Council is in the process of migrating the data centre to premises hosted by DataVita in Chapelhall and will continue to make use of the Caird data centre as its primary data centre until this is completed.

#### 3.1.3 Council HQ and Brandon Gate IT Data Hubs

As part of the move out of the Caird datacentre, the IT data hubs in Council Headquarters and Brandon Gate have been upgraded to accommodate the corporate telephony system and to maintain corporate network resiliency. The two refurbished computer rooms are the two main network hubs for connection to our new Data Centre at Chapelhall.

#### 3.2 How well are they meeting objectives?

All ICT assets have been implemented/installed following business requirements and justification exercises to ensure they meet the needs and objectives of the organisation. As the Information Technology environment continuously changes it is inevitable that some ICT assets will reach end of life and become obsolete.

Software and Hardware assets are continually reviewed to ensure they remain fit for purpose. Specific product versions are monitored, and we work closely with our software and hardware partners on product roadmaps to ensure they remain at a supported level.

Where products are approaching end of life, we will develop proposals for continued use based on risk assessment, upgrade or replacement as appropriate.

At present the majority of ICT assets meet the objectives of the organisation with a minority of assets at end of life and in need of replacement.

#### 4. Performance core facts

Notes to tables below – core facts are categorised using a traffic light system which operates on the basis of:

Green – Good or excellent Amber – Fair Red – Poor

#### 4.1 Desktop hardware

| IT desktop hardware |       |       |                 |      |  |  |  |
|---------------------|-------|-------|-----------------|------|--|--|--|
|                     |       |       | Asset condition |      |  |  |  |
| Туре                | Total | Green | Amber           | Red  |  |  |  |
| PC                  | 2071  | 285   | 341             | 1445 |  |  |  |
| PC (Curricular)     | 9456  | 9456  | -               | -    |  |  |  |
| Monitor             | 7404  | 4239  | 3165            | -    |  |  |  |
| Laptop              | 4118  | 2154  | 1127            | 837  |  |  |  |
| Laptop (Curricular) | 1947  | 1947  | -               | -    |  |  |  |
| Tablets             | 125   | -     | 35              | 90   |  |  |  |
| Port Replicator     | 3372  | 393   | 2285            | 694  |  |  |  |
| Portable Devices    | 12348 | 12348 | -               | -    |  |  |  |
| (Curricular)        |       |       |                 |      |  |  |  |

#### 4.2 Server hardware

| Server hardware     |       |       |                 |     |  |  |
|---------------------|-------|-------|-----------------|-----|--|--|
|                     |       |       | Asset condition |     |  |  |
| Туре                | Total | Green | Amber           | Red |  |  |
| Server              | 340   | 76    | 197             | 67  |  |  |
| Server (Curricular) | 168   | 168   | -               | -   |  |  |
| Storage             | 2     | -     | -               | 2   |  |  |

#### 4.3 Networks and communications

| Networks and communications                          |       |       |                 |     |  |  |  |
|--|-------|-------|-----------------|-----|--|--|--|
|  |       |       | Asset condition |     |  |  |  |
| Туре   | Total | Green | Amber           | Red |  |  |  |
| ACI APIC server                                      | 3     | 3     | -               | -   |  |  |  |
| ACI switches   | 24    | 24    | -               | -   |  |  |  |
| Firewall Mgmt (FMC)                                  | 2     | 2     | -               | -   |  |  |  |
| Firewalls  | 11    | -     | 2               | 9   |  |  |  |
| Load Balancers                                       | 4     | -     | -               | 4   |  |  |  |
| Voice Gateway  | 4     | 3     | 0               | 1   |  |  |  |
| Comms wireless<br>Access Points<br>(corporate)       | 280   | 77    | 45              | 158 |  |  |  |
| Comms wireless<br>Security Appliances<br>(corporate) | 2     | -     | 2               | -   |  |  |  |
| Switches – Chassis                                   | 13    | -     | -               | 13  |  |  |  |

| Mobile Devices                  | 5181 | 3352 | -  | 1829 |

## 4.4 Software applications

| Software applications |       |       |       |     |  |
|-----------------------|-------|-------|-------|-----|--|
| Asset condition       |       |       |       |     |  |
| Туре                  | Total | Green | Amber | Red |  |
| IT Applications       | 138   | 111   | 11    | 16  |  |

#### 4.5 Datacentres

| Datacentres            |       |       |                 |     |  |  |
|------------------------|-------|-------|-----------------|-----|--|--|
|                        |       |       | Asset condition |     |  |  |
| Туре                   | Total | Green | Amber           | Red |  |  |
| Air Conditioning Units | 23    | 2     | 8               | 13  |  |  |
| Fire Suppression       | 4     | 1     | -               | 3   |  |  |
| System                 |       |       |                 |     |  |  |
| UPS                    | 5     | 2     | -               | 3   |  |  |
| Generator              | 2     | 1     | -               | 1   |  |  |
| Video Surveillance     | 2     | 1     | -               | 1   |  |  |
| Equipment              |       |       |                 |     |  |  |
| Environmental          | 2     | 1     | -               | 1   |  |  |
| Monitoring             |       |       |                 |     |  |  |
| System                 |       |       |                 |     |  |  |
| Sprinkler System       | 1     | -     | 1               | -   |  |  |
| Leak Detection         | 1     | -     | -               | 1   |  |  |
| System                 |       |       |                 |     |  |  |

#### 5. Review of current performance

#### 5.1 Summary

The majority of ICT assets are of a good standard (Green) and work efficiently and effectively.

All desktop assets and server assets are supported and maintained to a high standard as part of the 'ICT Desktop Equipment' and 'Supply and Support of Servers and Storage' contracts.

The Caird centre represents a significant asset for the Council, in that it was designed and commissioned as a purpose-built environment for ICT equipment. Significant work has been undertaken on the property over recent years to improve the fabric of the building and to ensure that the plant systems are fit for purpose and meet new regulations. The building will be shut by the end of 2021.

Desktop and server hardware information along with information on smart devices is captured in the Assyst Configuration Management Database which is managed by IT Services.

Overall, there is a high level of confidence and reliability in the ICT assets.

#### 5.2 What issues have been highlighted?

5.2.1 Red – These assets have been classified as approaching end of life and require replacement:

Caird Datacentre – the datacentre is due to be shut by the end of December 2021. Servers marked as 'end of life/red' will continue to be maintained and only replaced if its failure cannot be fixed and threatens Council service operation.

Caird UPS units – the 3 units are 'life expired' and will continue to be maintained and only replaced if its failure cannot be fixed and threatens Council service operation.

Datacentre – 7 AHUs within Caird data hall 1 and 5 in Almada server farm are 'life expired' and will continue to be maintained and only replaced if its failure cannot be fixed and threatens Council service operation.

Legacy server hardware – 7 Virtual Machine hosts are out of general support from March 2020 and technical guidance support from March 2022. There are currently 33 Windows servers running MS Windows Server 2008 which is no longer supported. The above will be replaced as part of the move to the new data centre in Chapelhall. There are 21 Linux v5 servers which went out of extended support in November 2020 which require to be upgraded.

Legacy storage hardware – Extended support for XIV storage was purchased from IBM until January 2022. This will provide support until the completion of the Caird datacentre migration in December 2021 when this hardware will be decommissioned.

Desktop hardware – A PC refresh programme is underway to upgrade all desktops and laptops to Windows 10. This work is scheduled for completion by December 2021.

Legacy software versions -

| Application                   | Reason                                       |
|-------------------------------|--|
| Capita Academy Housing        | No longer supported by supplier. Project     |
|                               | underway to replace.                         |
| Oracle Financial Management   | No longer meets business needs. Project      |
| System                        | underway to consider upgrade or              |
|                               | replacement.                                 |
| Oracle Human Resource         | No longer meets business needs. Project      |
| Management System             | underway to consider upgrade or              |
|                               | replacement.                                 |
| SWISPlus Social Work System   | No longer meets business needs. Project      |
|                               | underway to replace.                         |
| Civica Flare                  | Not compatible with remote working software. |
|                               | Project underway to replace.                 |
| Parking Gateway               | Application does not work with Windows 10.   |
|                               | Project underway to replace.                 |
| Weighbridge                   | Application does not work with Windows 10.   |
|                               | Consultation with system owner underway to   |
|                               | determine options                            |
| Filemaker                     | Not compatible with remote working software. |
|                               | Project initiated to move to the cloud.      |
| Mimaki – Wide format printing | Application does not work with Windows 10.   |
|                               | Consultation with system owner underway to   |
|                               | determine options                            |

|                               | Consultation with system owner underway to   |
|                               | determine options                            |

Firewalls - The Council's corporate wireless solution offers a GUEST and PARTNER service. The firewall required to provide this service also provides content filtering to its users. This firewall and filtering service is at the end of manufacturer support and requires to be replaced. In addition, the multi context firewall pair which supports connectivity to PSN, Education, NHSL, and NLC is also at end of manufacturer support and requires to be replaced. Replacement hardware has been purchased to be live by October 2021.

Load Balancer – inbound access to web-based services are dependent on load balancers located at the Council's datacantre. The current load balancers are now 'end of life' and a replacement solution has been purchased go live by October 2021.

Layer 2 switches – These switches provide end user device (printer, PCs, CCTV, VoIP phones, wireless access points) connectivity to the corporate network. The manufacturer has announced that a number of layer 2 switches are end of hardware support. Hardware has been purchased to be installed by Dec 2021

Network Management – Servers/appliances required to monitor (e.g. alerting and utilisation) and administer (e.g. hardware backup and policy push) the corporate network to ensure continued network performance and availability. These devices need to be replaced during 2021/22 to ensure supplier support and critical updates.

Lines (private circuits) - The Council has a number of core circuits that are reaching maximum available bandwidth, these circuits require to be upgraded to ensure continuity of service.

Lines (VPN) – many of the small corporate sites currently connected by ADSL VPN and are experiencing performance issues due lack of available bandwidth which prevents normal operational working, these circuits require to be upgraded to ensure continuity of service.

The Council's small telephone estate has a number of systems which have reached the end of support and require immediate replacement. In addition, the enforced migration of telephony system from analogue to digital by 2025 will require an addition number of switches and circuits upgraded to remain in operation prior to this.

Wireless access points. The council has 158 Wireless Access points installed throughout the corporate network which are now end of life and will require investment to replace.

Mobile devices – devices are approaching end of life and a refresh programme is currently being undertaken to ensure new devices can be automatically upgraded to the latest security version.

5.2.2 Amber – This classification denotes assets that are of a fair condition and should be considered for upgrade, or are processes which require improvement:

Corporate data network - South Lanarkshire Council has a significant investment in the corporate data network which is used throughout the geographic area of the Council. The infrastructure requires investment to keep it secure, reliable, up to date and fit for purpose. Continued investment will be required to progress the refresh going forward, for equipment currently marked as amber.

Firewalls – the Council's corporate SIP (telephony) firewalls are nearing end of manufacturer support and require to be replaced to ensure continued software support to address vulnerabilities.

Layer 3 switches and routers – These switches provide network connectivity for many of the outlying offices on the Council's corporate data network. The manufacturer has announced that a number of layer3 switching devices are approaching end of life. It is important that these devices are refreshed to maintain the current reliability and support levels.

Layer 2 switches – These switches provide end user device (printer, PCs, CCTV, VoIP phones, wireless access points) connectivity to the corporate network. The

manufacturer has announced that a number of layer 2 switches are approaching end of hardware support in 2022 through to 2024.

Lines (VPN) – the current contract with RM computers ends in 2023 and funding is required to replace existing equipment as part of any new contract.

VoIP/SIP/Softphone telephone systems – The current system hardware goes out of support in 2023/2024 and will require replacement.

The Council's small telephone estate has numerous systems which rely on analogue switched and telephony circuits. The enforced migration of telephony system from analogue to digital by 2025 will require switch and circuit replacements to keep these systems in operation prior to this.

| Application                   | Reason   |
|-------------------------------|--|
| Oracle Customer Relationship  | Current version no longer fully supported.     |
| Management                    | Replacement or upgrade to be considered.       |
| Aareon - MRI EDRMS            | Runs on old browser versions and does not      |
|                               | work with remote working software              |
| Aareon - 1st Touch Scheduling | Runs on old browser versions                   |
| Vernon (Corporate)            | Not compatible with remote working software.   |
| Snap Surveys                  | Not compatible with remote working software.   |
| Northgate Glamis Licencing    | Supplier have indicated that its long-term     |
| System                        | future is in doubt.                            |
| Legal Case Management         | No longer meets customer needs                 |
| Conference Allocation         | Runs on legacy database platform.              |
|                               | Replacement or upgrade to be considered.       |
| Grants                        | Runs on legacy database platform.              |
|                               | Replacement or upgrade to be considered.       |
| Ppvote                        | Legacy software that is increasingly difficult |
|                               | to support.                                    |
| Brightwave – Learn On Line    | Legacy software that is increasingly difficult |
|                               | to support.                                    |

Legacy software versions -

Consultation with users of these systems is underway to plan the replacement or upgrade of these software assets.

Desktop hardware – Laptops running Windows 10 version 1809, which goes out of support in May 2021, will require to be upgraded by the end of March 2022.

Report to:Finance and Corporate Resources CommitteeDate of Meeting:2 June 2021Report by:Executive Director (Finance and Corporate Resources)

## Finance and Corporate Resource Plan 2021/2022

#### 1. Purpose of Report

- 1.1. The purpose of the report is to:-
  - present the Finance and Corporate Resource Plan 2021/2022 for consideration and monitoring

#### 2. Recommendations

- 2.1. The Committee is asked to approve the following recommendation(s):-
  - (1) that the Resource Plan 2021/2022, attached as Appendix 1, be noted;
  - (2) that the Resource Plan 2021/2022 be uploaded onto the Council's website following consideration by this Committee; and
  - (3) that a Quarter 2 Progress Report on the Resource Plan 2021/2022 be provided to a future meeting of this Committee.

#### 3. Background

- 3.1. The Resource Plan sets out the outcomes, priorities and actions to be managed and delivered by the Resource for the financial year.
- 3.2. The Resource Plan follows the agreed corporate structure and style. The Plan is a key element of the Council's performance management arrangements. It provides details of the context within which the Resource operates and establishes actions and measures for the year ahead based on the priorities set out in the Council Plan Connect 2017 to 2022.
- 3.3. The Resource Plans for all Resources were approved by Executive Committee on 28 April 2021, with a recommendation that the Plans be referred to Resource Committees for noting and performance monitoring at Q2 and Q4.
- 3.4. Performance management is a keystone of Best Value and ensures that the Council can demonstrate sound governance arrangements. The Resource Plan is one part of the Council's framework for planning and budgeting and demonstrates how this leads to effective front line service delivery.
- 3.5. As part of this framework, the Resource Plan reflects the aspirations of the Council Plan and the Community Plan as well as being complemented by the details of individual Service, Business and other Plans. Ultimately, these details are included in the key work objectives of individual officers. This demonstrates the 'Golden Thread' of performance management which ensures a clear understanding of the Council's vision, values, ambitions and objectives at all levels.

- 3.6. The current format for performance reporting has been established since 2007 and is used for Executive Directors' reports to the Chief Executive, Resource Management Teams and Resource Committees. The focus has been on reporting progress on Council priorities, statutory performance indicators, other key performance measures and high level Resource priorities.
- 3.7. In preparing the Plan, account has also been taken of the need to ensure a robust response to Risk Management and Control. Risks associated with delivery of the actions in this Resource Plan have been identified and evaluated and are listed in the Resource Risk Register. Where necessary, controls or further actions to mitigate these risks have been agreed. Such actions are tracked through the Resource Risk Control Plan which is kept under review by the Risk Sponsor for the Resource.

#### 4. Resource Plan 2021/2022

- 4.1. The Resource Plan 2021/2022 is attached as Appendix 1 and is structured around the following headings:-
  - 1. Introduction
  - 2. Key areas for the year ahead
  - 3. Resource outcomes
  - 4. Measures and actions
  - 5. Resourcing the Plan

#### 4.2. Resource Outcomes 2021/2022

The Resource has established a number of outcomes to support the delivery of the Connect priorities in 2021/2022. These are detailed in Appendix 2. To support these outcomes, the Resource has developed performance measures and an action plan which are set out in section 4 of the Resource Plan. A selection of these will be included in the Council Pan Connect Quarter 2 and Quarter 4 Progress Reports 2021/2022, with the rest being monitored and reported at Resource level.

4.3. Monitoring and reporting

As part of the performance management arrangements, the Committee will also receive a mid-year update of progress on the measures in the Resource Plan – Quarter 2 Progress Report 2021/2022.

#### 5. Employee Implications

5.1. The outcomes noted within the Resource Plan will inform the Service Action Plans, where applicable and, in turn, the Performance Appraisal process for individual employees.

#### 6. Financial Implications

6.1. The outcomes within the Resource Plan are reflected in the respective Resource Revenue and Capital budgets and, longer term, within the framework of the Council's approved Financial Strategy.

#### 7. Climate Change, Sustainability and Environmental Implications

- 7.1. There are no climate change or environmental implications as a result of this report.
- 7.2. The Resource Plan takes into account Resource responsibilities in relation to sustainable development.

#### 8. Other Implications

- 8.1. The Community Plan 2017 to 2027 was agreed at the Community Planning Partnership Board on 11 October 2017. A significant element of the delivery of the outcomes in the Community Plan will come through the achievement of the actions contained within Connect.
- 8.2. Resource Plan actions are assessed as part of the Resource's risk management arrangements and relevant issues have been added to the Resource Risk Register.

#### 9. Equality Impact Assessment and Consultation Arrangements

9.1. Many of the actions detailed within the Resource Plan reflect ongoing strategies and policies which will be or have been the subject of consultation and equality impact assessment.

## **Section One – Introduction**

I am pleased to introduce our Resource Plan for 2021-22 which sets out outcomes and priorities for the coming year.

The five services within Finance and Corporate Resources help to ensure that the council operates successfully in an increasingly complex and challenging environment, and although diverse, each service is essential to the running of the council and the delivery of its vision, values and priorities.

Administration and Legal Services provides essential support for the core democratic and governance arrangements of the council as well as providing a full range of legal advice and support, managing electoral events and licensing and registration services to the public.

**Communications and Strategy** provides accurate, timely information for employees and residents. The service is responsible for the council's publications, its websites, intranet and social media. It also co-ordinates all Media enquiries. The service incorporates improvement functions, leading the council's work in pursuit of continuous improvement.

**Finance Services** provides sound financial stewardship to ensure the council's priorities are effectively funded and expenditure, including procurement, is appropriately monitored, controlled and reported. Finance Services is split between transactional activities including payables, procurement, risk management and insurance, revenues and benefits, and customer services and development; and Strategy which includes budget strategy, budget monitoring and providing financial support to all Resources.

**Information Technology Services** supports all council services through the maintenance of over 5,000 computers and servers running over 200 business applications across council Resources. This delivery is supported by council wide networks covering telephone, printing, mail and internet technologies.

**Personnel Services** is responsible for delivery of the full spectrum of personnel policies and practices across the council. This includes employee learning and organisational development; consultation; and supporting unemployed people into jobs, training or further education. The service also manages payroll, health, safety and wellbeing and is responsible for the co-ordination and implementation of equality and diversity legislation, good practice, and advancing equality for all.

The Resource is also responsible for a number of overarching services and functions, which are not shown above. These are the **Community Engagement Team**, which provides support to the Community Planning Board, and provides a single interface for community engagement including neighbourhood planning; **Audit and Compliance Services**, which provides assurance on the effectiveness of the council's risk management, control and governance arrangements, as well as ensuring compliance with European grant award requirements; and the **Central Research Unit**, which provides briefings and analysis on social, economic and demographic situations, policy developments and trends which may impact on decision-making, policies and resource allocations of the council and its communities.

Paul Manning Executive Director Finance and Corporate Resources

## Section Two – Key areas of focus for the year ahead

#### 2.0. Overview

The Resource has identified the main challenges, risks and new developments which will have significant impact on the delivery of services in the coming year. These are outlined briefly below.

2.1. Covid 19- response and recovery Through the initial period of 2020-21, the Council responded to the Global Pandemic, ensuring that essential services could safely be delivered, and the most vulnerable members of our community were safe. The Council now moves onto the period where we return to full service delivery, where appropriate, and recover from the period of service disruption. This will include new ways of working.

Finance and Corporate Resources will provide core support for services as they look to return to full capacity. This includes providing key financial advice, as well as the necessary advice and support around the workforce and their safety. The Resource will also support our Elected Members, ensuring their meetings run effectively, and they are provided with information to allow decisions to be taken on shaping service delivery going forwards.

COVID-19 has had a significant effect on financial position of many families and therefore frontline services for communities and people are expected to continue to provide valuable support as the effects of the pandemic carry forward into 2021-22.

- 2.2. Deliver effective Employability Services to support Economic Recovery Covid 19 has had a significant impact on the economy and as a result there has been a substantial increase in unemployment. There are new groups of unemployed seeking support, different from those groups the original employability programmes were designed for. Service delivery now needs to be redesigned to be delivered in a Covid safe way, with a move away from face to face support. In addition, programmes will have to address new need in addition to offering enhanced assistance to those traditionally supported in this area. Opportunities for employment and work placements are likely to be significantly reduced, so creative approaches to the provision of occupational experiences and effective use of funding streams to maximise support are required.
- 2.3. Financial Strategy The Resource leads on financial planning and reporting for the Council. Over recent years, the challenges for Local Government finance have continued, around balancing pressures of meeting additional demand and costs of delivering services. A key part of the financial management process is the development of Financial Strategies, developing financial plans which deliver the council's aims and ambitions, while recognising and responding to financial constraints. Financial strategies are prepared annually and approved by members leading to the final approval of annual budgets. This process includes consideration and approval of efficiency and savings options, and considers requirements for investment. The strategic approach to financial planning also includes planning for Capital programmes of work.

The costs of responding to, and recovering from, the Covid19 pandemic added pressures to the Council's budgets in 2020-21 and is expected to do so into 2021-22.

2.4. Develop a programme of Service Reviews supporting Service Recovery In Service recovery plans, change is explicit, and this needs to be reflected in the guidance to support our revised service review programme. It is important that managers and leaders are equipped to lead transformation, and that review and improvement processes are adopted and welcomed. Through the recovery process, there is the opportunity to shape Council services which are responsive, flexible and fit for purpose in our new environment. A transparent process which is understood by all involved, the early involvement of those affected, and honest evaluation of options will be key features of our approach. Guidance and support need to be tailored to be fit for purpose in the new environment.

**2.5. Deepening Community Engagement** Over the coming year, there are key pieces of work to be carried out around creating new and sustainable structures which involve local people effectively in influencing decisions which have an impact upon them and their lives, and supporting them to take positive action themselves to improve outcomes.

Linked to this is the development of new ways of working, such as the ongoing review of Community Planning. The further development of the new networks which have emerged during the pandemic will be a key part of identifying new priorities for the council and Community Plans alongside our South Lanarkshire communities.

**2.6. EU Exit** The potential impact of EU Exit on council funding and the economy were of concern before the COVID19 pandemic. It is now certain these areas will be significantly impacted by the effects of the pandemic, increasing the potential harm to the provision of local services and local business.

In terms of organisational planning, at a national level the Scottish Co-ordination Group (Covid19) has established a short life working group to consider the issue of concurrent risks – Covid19, Severe Weather and adverse effects of European Union (EU) Exit are amongst risks being considered not just in terms of likelihood or potential impact but how such scenarios can be manged simultaneously and the necessary national to local co-ordinating structure required for such purpose.

2.7. Strategic digital developments The Council is investing heavily in digital technologies to improve the delivery of services to citizens, streamline and standardise business processes, and improve collaboration and partnership working (eg HSCP). This investment is targeted on delivering significant productivity improvements and cost savings. IT has a major part to play in digital transformation by implementing and supporting new technologies at pace and at scale.

IT projects will continue to be prioritised based upon need, business case and alignment with Council Priorities. Partnerships with Local Government Digital Office, NHS Lanarkshire, Scottish Government and key suppliers will be leveraged to share best practices and accelerate rollout and adoption of new digital solutions. IT will continue to maintain high levels of availability of IT estate and high levels of support to officers and elected members.

Key IT activities will include completing the rollout of agile working for Council staff, and the migration of all computer systems from the Caird Datacentre.

2.8. Embed Equalities and Workforce Planning in Recovery Process Current research and analysis of data indicates that Covid 19 is likely to adversely impact specific groups in our society more than others. Our Equality Impact Assessment (EQIA) has identified similar issues, namely the disproportionate effect on older people, women, children and people with disabilities, and people from Black and Minority ethnic backgrounds. In addition, the full socio-economic impact of lockdown as a result of Covid19 has not yet become apparent, although it is anticipated that there will be greater impact on those with low skills, low incomes as well as those who are 16-24 years of age and those who are over 50 years of age. There have been significant changes to our own council's ways of working and how the workforce carries out service delivery. Increasing use of technology and working from home options have changed service delivery operations and how teams work together. Consultation with service users, members of the public and employees is needed in order to ensure that performance is maintained and people's priority needs are met. Flexibility in our approach to work and employees will be needed to accommodate the possibility of further local lockdowns, increased savings requirements, and the need to be efficient and responsive without creating disadvantage. Our recovery plans need to take account of both fair work and fair service delivery to our communities. The Council will publish its Mainstreaming Equalities Report in 2021, to meet its statutory requirements. This will set out our performance in relation to the Public Sector Equalities Duties and our plans for the future.

- 2.9. Renewing corporate planning Post-Covid, there is a need to look afresh at the council's strategic planning and reporting, to ensure that key plans are focused on the topics that matter most. There is an opportunity to strengthen the common vision and joint areas of work set out in the Council Plan and the Community Plan, increasing the links between the two documents and ensuring they are both developed in dialogue with the people and communities of South Lanarkshire. Within the year the Resource will lead on a renewal of strategic planning, including the development of Resource Plans and work to further align the Council Plan with the Community Plan.
- **2.10. Community Wealth Building** Community Wealth Building (CWB) is an alternative approach to traditional economic development, which seeks to develop resilient, inclusive local economies, with more local employment and a larger and more diverse business base. There is growing interest in CWB across the UK and especially in Scotland, where it has been endorsed by the Scottish Government as an important plank of how Scotland can deliver on its wellbeing economy aspirations. Finance and Corporate Resources will lead on the development of a Community Wealth Building strategy for South Lanarkshire, working with Elected Members and across all Resources to embed the CWB approach in the council's work through 2021 and beyond.

## **Section Three – Resource Outcomes**

#### 3.1. **Resource Outcomes**

Finance and Corporate Resources has established the following Resource outcomes to support the delivery of Connect priorities in 2021-22.

| Connect Priority   | Resource Outcomes   |
|--|---|
| Ensure communities<br>are safe, strong and<br>sustainable                          | <ul> <li>Individuals and communities in South Lanarkshire are<br/>engaged and able to participate in decision-making<br/>processes</li> </ul>                         |
| Promote sustainable<br>and inclusive<br>economic growth and<br>tackle disadvantage | <ul> <li>A people-centred approach to recovery is implemented to<br/>help individuals, communities, businesses and the social<br/>and third sector thrive.</li> </ul> |
| Get it right for<br>children and young<br>people                                   | <ul> <li>No Resource Objectives for this priority</li> </ul>  |
| Improve health, care<br>and wellbeing  | No Resource Objectives for this priority  |

#### 3.2. Delivering the Plan and achieving Best Value

In working towards the four priorities, the council aims to continually improve and ensure effective and efficient use of resources, and our business will be conducted with integrity, transparency and will operate to the highest standards.

Finance and Corporate Resources has established the following Resource outcomes to support Delivering the Plan and achieving Best Value.

| Delivering the Plan<br>and achieving Best<br>Value | <ul> <li>Customers experience high quality and improving council services</li> <li>The council demonstrates high standards of governance and sound financial stewardship</li> <li>The workforce has the skills, flexibility and capacity to deliver the council's priorities</li> <li>Digital and ICT services meet the needs of the council and</li> </ul> |
|--|---|
|  | its customers   |

## **Section Four – Measures and actions**

#### 4.0. Performance measures and action plan

This section of the Resource Plan is divided into two parts: part (a) sets out our main performance measures against our outcomes; and part (b) describes the key actions we will take in the coming year to respond to the challenges ahead and improve services and outcomes.

#### 4.a. How we will measure our performance

The impact of Covid continues to have a significant effect on performance for some services. For this reason, a number of annual targets have been adjusted accordingly and may sit below the baseline level established in previous years. In most cases, the baselines below refer to the financial year 2019-20.

| ResourceA people-centred approach to recovery is implemented to help individuals,Outcome:communities, businesses and the social and third sector thrive. |   |   |                 |                  |             |                    |
|--|---|---|-----------------|------------------|-------------|--------------------|
| Measure  |   |   | Baseline        | Annual<br>Target | Links       | Service            |
| 1.   | <ol> <li>Number of unemployed people<br/>supported via council-operated<br/>employability programmes</li> </ol> |   | 1,322<br>people | 1,000<br>people  | C7.2        | Personnel          |
| 2.   | 2. Number of unemployed people gaining sustainable employment   |   | 713 people      | 400 people       | C7.2        | Personnel          |
| 3.   |   | of unemployed people<br>g further education or                                | 568 people      | 200 people       | C7.2        | Personnel          |

## **Section Five – Resourcing the Plan**

#### 5.0. Introduction

In this section we consider the resources needed to implement our plan, including funding and staffing.

#### 5.1. Revenue Budget 2021-22

The Resource has a Net Revenue Budget of  $\pm 31.965$  million for 2021-22. The table below allocates this budget across the services:

| NET Budget by Service                            | 2021-22   |       |
|--|-----------|-------|
| Detail   | £ million | %     |
| Finance Services (transactions)                  | 10.970    | 34.32 |
| Finance Services (strategy)                      | 1.877     | 5.87  |
| Information Technology Services                  | 5.695     | 17.82 |
| Administration and Legal Services                | 4.003     | 12.52 |
| Communications and Strategy                      | 0.883     | 2.77  |
| Personnel Services                               | 8.213     | 25.69 |
| Other (audit, community engagement and research) | 0.324     | 1.01  |
| Total  | 31.965    | 100   |

#### 5.2. Capital Budget 2021-22

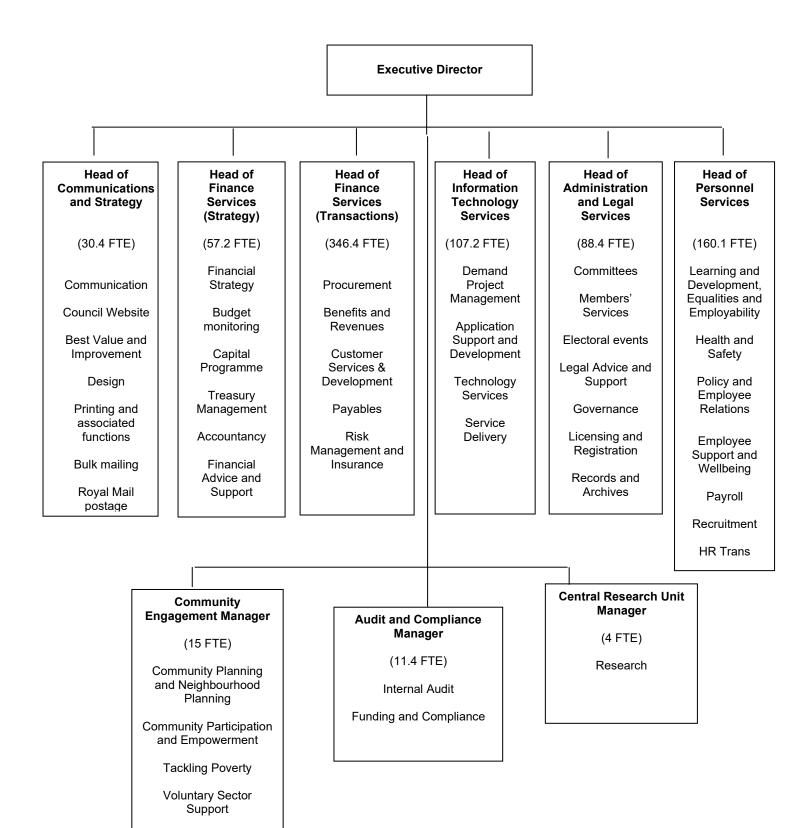

The following capital budget of £2.605million is allocated to the Resource for 2021-22:

| Capital Programme 2020-21                                   |           |  |  |  |
|---|-----------|--|--|--|
| Project   | £ million |  |  |  |
| Digital Connectivity  | 0.234     |  |  |  |
| Website / CRM / MDM / Customer Portal<br>/Integration Tools | 0.225     |  |  |  |
| Oracle Upgrade  | 1.335     |  |  |  |
| Caird Replacement   | 0.311     |  |  |  |
| Climate Change / Digital Transformation                     | 0.500     |  |  |  |
| Total   | 2.605     |  |  |  |

#### 5.3.

**Resource Employees** Finance and Corporate Resources has 967 employees as at March 2021. We support these employees to deliver their duties through a range of policies including personal appraisal and a robust training framework.

| Service  | Number of<br>employees |
|--|------------------------|
| Finance Services (transactions)                  | 432                    |
| Finance Services (strategy)                      | 66                     |
| Information Technology Services                  | 115                    |
| Administration and Legal Services                | 103                    |
| Communications and Strategy                      | 34                     |
| Personnel Services                               | 184                    |
| Other (audit, community engagement and research) | 33                     |
| Total  | 967                    |

Report to: Date of Meeting: Report by:

Subject:

### Finance and Corporate Resources Committee 2 June 2021 Executive Director (Finance and Corporate Resources)

#### Early Retirement, Voluntary Severance and Switch 2

#### 1. Purpose of Report

- 1.1. The purpose of the report is to:-
  - advise on early retirements, voluntary severances, re-employment of early retirees and re-deployments during the period 1 October 2020 to 31 March 2021

#### 2. Recommendation(s)

- 2.1. The Committee is asked to approve the following recommendation(s):-
  - (1) that the early retirements, voluntary severances, re-employment of early retirees, and redeployment of employees on the Switch 2 register during the period 1 October 2020 to 31 March 2021 be noted.

#### 3. Background

3.1. The Council analyses the number and associated costs of employees being released through early retirement and voluntary severance. This forms part of the ongoing monitoring process derived from the Audit Scotland report "Bye now pay later". This report provides information on the Council's position for the 6-month period 1 October 2020 to 31 March 2021.

#### 4. Current Position

# Early Retirements (Efficiency of the Service/Voluntary Redundancy) and Voluntary Severance

4.1. During the period, no early retirements on the grounds of efficiency of the service; voluntary redundancy or voluntary severance were granted. This represents no change compared to the previous 6-month period.

| AI | Annual Tienu Analysis |         |         |         |         |         |         |  |
|----|-----------------------|---------|---------|---------|---------|---------|---------|--|
|    | Annual                | 1/4/15- | 1/4/16- | 1/4/17- | 1/4/18- | 1/4/19- | 1/4/20- |  |
|    | Period                | 31/3/16 | 31/3/17 | 31/3/18 | 31/3/19 | 31/3/20 | 31/3/21 |  |
|    | No. of Early          |         |         |         |         |         |         |  |
|    | Retirements/          | 9       | 4       | 12      | 0       | 1       | 0       |  |
| 1  | Voluntary             | 9       | 4       | 12      | 0       |         | 0       |  |
|    | Severances            |         |         |         |         |         |         |  |

#### 4.2. Annual Trend Analysis

4.2.1 The table above shows the annual trend analysis of early exits granted due to efficiency of the service; voluntary redundancy or voluntary severance; and shows a decrease of 1 compared to the previous year.

#### 5. Early Retirements – III Health

5.1. In terms of early retirement on the grounds of ill-health, there are no capitalisation costs to the Council. During the 6-month period, the following ill-health retirements were approved:

| Resource                          | No. of Early Retirements<br>on ill health grounds |
|-----------------------------------|---|
| Community and Enterprise          | 6   |
| Education                         | 7   |
| Social Work/Housing and Technical | 9   |
| Total                             | 22  |

- 5.2. The Local Government Pension Scheme (LGPS) regulations allow for 2 tiers of ill health retirement in situations where the member's ill-health or infirmity of mind or body renders them permanently incapable of discharging efficiently the duties of their current employment. Tier 1 relates to members with no reasonable prospect of obtaining gainful employment before their state pension age. Tier 2 relates to members with a reasonable prospect of obtaining gainful employment before their state pension age.
- 5.3. During the 6-month period, 22 of the 25 ill health retirement requests made, were granted under the provisions of tier 1 and tier 2 of the Local Government and Scottish Teachers' Pension Schemes. Three applications resulted in no award being granted.

| Annual                              | 1/4/16- | 1/4/17- | 1/4/18- | 1/4/19- | 1/4/20- |
|-------------------------------------|---------|---------|---------|---------|---------|
| Period                              | 31/3/17 | 31/3/18 | 31/3/19 | 31/3/20 | 31/3/21 |
| No. of<br>ill-health<br>retirements | 28      | 37      | 46      | 37      | 43      |

5.4. Annual Trend Analysis

5.4.1. During the period 1 April 2020 to 31 March 2021, the number of ill health retirements granted increased by 6 compared to the previous year. This increase is due to the number of employees with serious medical conditions who met the criteria for ill health retirement.

#### 6. Re-employment of Early Retirees

6.1. The re-employment of those who have been granted early retirement is monitored and approved centrally within Personnel Services. During the 6-month period, no requests for re-employment were made and this represents no change when compared to the previous 6-month period.

#### 7. Switch 2

7.1. Switch 2 is monitored and approved centrally within Personnel Services. During the 6-month period, 14 employees and modern apprentices were redeployed to suitable alternative posts within the Council as follows:-

| Resource  | No. of<br>employees | No. of modern apprentices | Total |
|---|---------------------|---------------------------|-------|
| Community and<br>Enterprise /Finance and<br>Corporate /Education* | 4                   | 2                         | 6     |
| Housing and<br>Technical/Social Work*                             | 6                   | 2                         | 8     |
| TOTALS  | 10                  | 4                         | 14    |

\* In terms of data protection, Resources with fewer than 2 employees have been merged.

7.2. This is a decrease of 15 compared to the previous 6-month period. Of the 10 employees and 4 modern apprentices redeployed within the period, 6 were placed into permanent roles and 8 into fixed term roles. In line with the Switch 2 policy, employees placed on a fixed term basis will be matched to permanent posts as they become available.

#### 7.3. Annual Trend Analysis

| Annual                        | 1/4/16- | 1/04/17– | 1/4/18 – | 1/4/19– | 1/4/20–  |
|-------------------------------|---------|----------|----------|---------|----------|
| Period                        | 31/3/17 | 31/03/18 | 31/03/19 | 31/3/20 | 30/09/21 |
| No. of<br>Switch 2<br>matches | 113     | 102      | 71       | 47      | 43       |

7.4. During the period 1 April 2020 to 31 March 2021, the number of employees redeployed decreased by 4 compared to the previous year.

#### 8. Flexible Retirement

- 8.1. The approval of those who have been granted flexible retirement is monitored centrally within Personnel Services. During the 6-month period, 48 requests were approved as detailed below with no cost to the Council.
- 8.2. Included in these figures are phased retirement and winding down applications from teachers. (These options are available to teachers within the SPPA guidelines and are similar to the LGPS flexible retirement scheme.)

| Resource                    | No. of Flexible<br>Retirements | No. of Phased<br>Retirements/<br>Winding Down |  |
|-----------------------------|--------------------------------|---|--|
| Community and<br>Enterprise | 20                             |   |  |
| Education                   | 3                              | 4   |  |
| Finance and Corporate       | 3                              |   |  |
| Housing and Technical       | 10                             |   |  |
| Social Work                 | 8                              |   |  |
| Total                       | 48                             |   |  |

- 8.3. During the 6-month period, the average age of employees granted flexible retirement was 61 years, this is one year younger than the previous 6 month period.
- 8.4. Flexible retirement refusals are monitored centrally within Personnel Services. During the 6-month period, 1 flexible retirement application was refused.

#### 8.5. Annual Trend Analysis

| Annual      | 1/4/16- | 1/4/17- | 1/4/18 - | 1/4/19 - | 1/4/20 - |  |
|-------------|---------|---------|----------|----------|----------|--|
| Period      | 31/3/17 | 31/3/18 | 31/3/19  | 31/3/20  | 31/3/21  |  |
| No. of      |         |         |          |          |          |  |
| Flexible    | 118     | 159     | 141      | 159      | 125      |  |
| Retirements |         |         |          |          |          |  |

- 8.5.1. During the period 1 April 2020 to 31 March 2021, the number of employees granted flexible retirement decreased by 34 compared to the previous year.
- 8.5.2. Although the number of flexible retirement requests decreased during the period, a comparable increase was seen in the number of employees choosing to fully retire from their employment and access their pension benefits. (290 employees).

#### 9. Employee Implications

9.1. In respect of those employees refused ill-health retirement, incapability dismissals may have been considered.

#### 10. Financial Implications

10.1. There were no leavers in the period 1 October 2020 to 31 March 2021 for which early retirement/severance costs were incurred.

#### 11. Climate Change, Sustainability and Environmental Implications

11.1 There are no climate change, sustainability or environmental implications.

#### 12. Other Implications

12.1. The early release of employees across the Council must be properly managed to minimise the risk of adversely impacting service levels through the loss of vital skills and experience. In accordance with agreed policies, the redeployment of employees through the Switch 2 process continues to be considered as a matter of priority.

#### 13. Equality Impact Assessment and Consultation Arrangements

- 13.1 This report does not introduce a new policy, function or strategy or recommend a change to an existing policy, function or strategy and, therefore, no impact assessment is required.
- 13.2. All releases were in line with agreed policies and procedures therefore no further consultation was required.

Subject:

Report to:Finance and CoDate of Meeting:2 June 2021Report by:Executive Direct

#### Finance and Corporate Resources Committee 2 June 2021 Executive Director (Finance and Corporate Resources)

#### Procurement Strategy Action Plan Update 2020/2021 and Procurement Strategy Review 2021/2022

#### 1. Purpose of Report

- 1.1. The purpose of the report is to:-
  - provide Committee with an update on progress in the Procurement Strategy Action Plan to March 2021
  - advise Committee of the annual review of the Procurement Strategy for 2021/2022
  - advise Committee of the Procurement Strategy Action Plan for 2021/2022

#### 2. Recommendation(s)

- 2.1. The Committee is asked to approve the following recommendation(s):-
  - (1) that the content of the report be noted

#### 3. Background

- 3.1. The Council's Procurement Strategy 2020 to 2023 was approved by Executive Committee on 13 May 2020 and an update on progress with the Strategy Action plan to September 2020 was noted by Finance and Corporate Resources Committee on 20 January 2021.
- 3.2. In accordance with the Procurement Reform (Scotland) Act 2014, the Council must carry out an annual review of the Procurement Strategy. Progress on the delivery of the associated action plan is also reported at six monthly intervals to Finance and Corporate Resources Committee.

#### 4. Procurement Strategy and Action Plan Update

- 4.1. The Procurement Strategy approved in May 2020 included 7 key strategic objectives, which linked to key outcomes for the Procurement Service. An update on each of these objectives and evidence of progress in working towards these outcomes is included in Appendix 1 with highlights included below: -
  - implementation of new contract register database
  - Procurement savings target of £0.100 million included in budget strategy for 2021/2022
  - extensive liaison on contract delivery and supplier relief through Covid-19 pandemic
  - annual confirmation of payment of Living Wage in all Social Care contracts
  - contribution towards the development of the Council's first Community Wealth Building Strategy

- 4.2. The Procurement Strategy Action Plan included specific projects for 2020/2021, in support of the strategic objectives. An update on progress across each of the actions to the end of March 2021 is provided in Appendix 2.
- 4.3. A total of 14 actions were included in the action plan for 2020/2021. Progress is summarised in the table below and all actions appropriate to be carried forward to the new action plan for 2021/2022 have been included.

| Category | Number | Comment                                  |
|----------|--------|--|
| On hold  | 1      | Action no longer scheduled for 2020/2021 |
| Closed   | 1      | Project no longer progressing            |
| Red      | 8      | Action not completed within timescale    |
| Complete | 4      | Completed within timescale               |
| Total    | 14     |  |

4.4. Responding to Covid-19 priorities had a significant impact on the allocation of resources to Procurement's strategic objectives due to the impact of contract management, supplier relief and sourcing for unplanned requirements and latterly, supporting services to re-mobilise, including re-tendering for projects abandoned during the pandemic. In addition, resources were allocated to managing the procurement implications of EU Exit.

#### 5. Procurement Strategy 2020 to 2023 review

- 5.1. The Council is required to review the Procurement Strategy annually and this is the first annual review of the Procurement Strategy 2020 to 2023. The updated Procurement Strategy is attached in full at Appendix 3.
- 5.2 The key amendment to the Procurement Strategy is the introduction of a new strategic objective, Community Wealth Building. This follows the Council's new Community Wealth Building Strategy approved by Executive Committee on 10 March 2021. The introduction from the Executive Director (Finance and Corporate Resources) has been updated to reflect the significance of the new strategic objective.
- 5.3. The strategic aims reflect the commitments for the Procurement Service under the Community Wealth Building pillar of "Spending", with the objective of using public procurement to develop dense local supply chains to support quality local employment.
- 5.4. The stand-alone strategic objective of "Community Benefits" has now been incorporated to Community Wealth Building, given the synergy between these areas.
- 5.5. Procurement activity can make a significant contribution to reducing the levels of carbon from economic activity. New actions are included in the action plan for 2021/2022 to further progress the activity in this area with more information provided in section 9.
- 5.6. The 7 key strategic objectives, listed below, have been reviewed and updated to reflect current priorities and emerging issues:-
  - Compliance
  - Value for Money
  - Collaboration
  - Contract and Supplier Management

- Fair Work Practices
- Sustainable and Ethical
- Community Wealth Building (new)

#### 6. Procurement Strategy Action Plan 2021/2022

- 6.1. Appendix 4 details the Procurement Strategy Action Plan proposed for 2021/2022.
- 6.2. These specific actions contribute towards the achievement of the procurement strategic objectives and include a specific focus on Sustainable and Ethical procurement and Community Wealth Building, reflecting the Council's wider strategic objectives in this area.
- 6.3. The action plan also recognises the ongoing focus on supplier and contract management requirements following EU Exit and recovery from Covid-19, as both issues are expected to impact on the Council's suppliers and the wider supply chain throughout 2021 and beyond.
- 6.4. The delivery of many actions within the plan will depend on cross-Resource working. Joint working between Procurement and Economic Development will be particularly important to the delivery of the Community Wealth Building ambitions in the strategy.

#### 7. Employee Implications

7.1. The work required to deliver the objectives around Community Wealth Building and sustainability together with the expected increase in routine procurement work post-pandemic will impact on the central Procurement team, therefore workloads will be closely monitored, and additional resources identified if required.

#### 8. Financial Implications

- 8.1. There are no direct financial implications associated with this report.
- 8.2. A move to more local procurement, viewed as one of the main objectives of the Community Wealth Building Strategy may result in additional cost pressures. However, the extent of any cost pressure will be driven by the scale of additional local purchasing that is possible and any efficiencies that may be lost from reduced collaborative purchasing.

#### 9. Climate Change, Sustainability and Environmental Implications

- 9.1. The Procurement Service are working with the Scottish Government's Sustainable Toolkit, which aims to embed sustainable procurement into the Council's procurement processes and monitors progress in achieving the Sustainable Procurement Duty, including Climate Change objectives.
- 9.2. For 2021/2022 the main activity will focus on the review of the scoring of sustainability in contracts and progression of the Flexible Framework Sustainability action plan.

#### 10. Other Implications

10.1. The Procurement Reform (Scotland) Act 2014 requires any public organisation, which has an estimated total annual value of regulated procurement spend of £5 million or more, to prepare and publish a Procurement Strategy. An organisation must also review its Procurement Strategy annually and make such revisions as it considers appropriate for the purposes of the Act. The risk of non-compliance is mitigated by the proposals in this report.

#### **11. Equality Impact Assessment and Consultation Arrangements**

- 11.1. There is no requirement to carry out an equality impact assessment in terms of the proposals contained within this report.
- 11.2. Consultation on the revised Procurement Strategy and Procurement Strategy Action Plan for 2021/2022 has been carried out with the Procurement Network and Resource Heads of Service.

Appendix 3

# Procurement Strategy

2020-2023 Reviewed 2021/2022

## Procurement Strategy 2020-2023 Contents

Section 1 Introduction by Executive Director of Finance and Corporate Resources

Section 2 Purpose and delivery of the Strategy

Section 3 National and local context

Section 4 Strategic objectives

#### Section 1: Introduction by Executive Director of Finance and Corporate Resources

This Strategy sets out the vision for Council procurement for 2020-2023, demonstrating our commitment to achieving value for money and contributing to national and local priorities.

#### The Council's vision is to

"improve the quality of life for everyone in South Lanarkshire" and the works, supplies and services procured by the Council have a direct impact on delivery of our services, from social care and educational supplies to new build housing.

The Council's spending power can play a key role in influencing a more prosperous South Lanarkshire, including promoting jobs and growth, fair work practices and driving innovation from our suppliers.

Our aim is to build on achievements delivered by the Council's previous procurement strategies and embed the principles of public procurement: equal treatment, transparency, competition and accountability.

This strategy will be reviewed annually, and our outcomes monitored in the annual procurement report. The strategic objectives will promote best practice in procurement activity across the Council, supporting delivery of high quality, sustainable and efficient services from our suppliers.

I recognise the recent achievements of our Procurement Service, including supporting the Council's response to Covid 19, supporting the sustainability of our suppliers during this challenging period, the go live of our first procured service arrangement for support living and the implementation of changes to procurement arrangements following EU Exit.

Supporting the Council and our local economy during the Covid recovery period will be challenging and our strategic objectives reflect the wider remit for public procurement in responding to the Climate Change Emergency and Community Wealth Building. We will continue to focus on delivery of quality and value for money procured services while supporting local supply chains and quality employment opportunities.

Paul Manning Executive Director of Finance and Corporate Resources South Lanarkshire Council

#### Section 2: Purpose and Delivery of Strategy

Under the Procurement Reform (Scotland) Act 2014, the Council is required to publish a procurement strategy and review the objectives and outcomes annually.

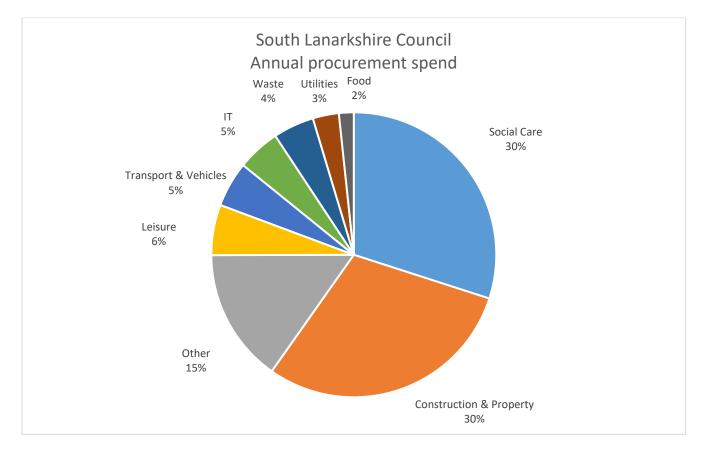

The strategy should establish the Council's strategic approach to procurement, setting out how we will deliver value for money and support delivery of national outcomes and the objectives set out in the Council's strategic plan.

The Council must also demonstrate how we will deliver the wider social, economic and environmental aims of procurement, as required by the sustainable procurement duty, while ensuring compliance with statutory duties and the Council's Standing Orders on Contracts.

The purpose of our procurement strategy is to:

- Set out clear objectives and provide a monitoring framework for reporting on our achievements and outcomes
- Focus on people, processes and systems to deliver an effective and continually improving procurement service

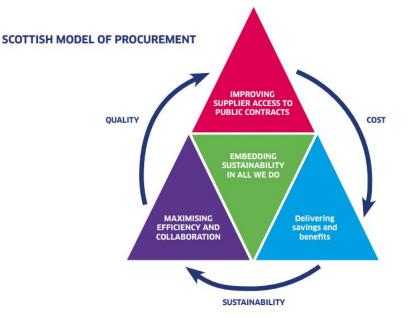

The Council spends in the region of £350m on externally procured goods, supplies and services annually, with significant areas of expenditure including social care (£110m) and construction and property (£110m).

#### Section 3: National and Local context

Public sector procurement in Scotland is valued at more than £11 billion per annum and the profile and remit of procurement activity continues to evolve and change.

The overarching aim of public sector procurement continues to be delivery of public value, as set out in the Scottish Model of Procurement below:

The Council operates within the Scottish Government's <u>Procurement Journey</u>, which ensures openness and transparency in our approach and clarity for stakeholders and suppliers.

#### National Outcomes

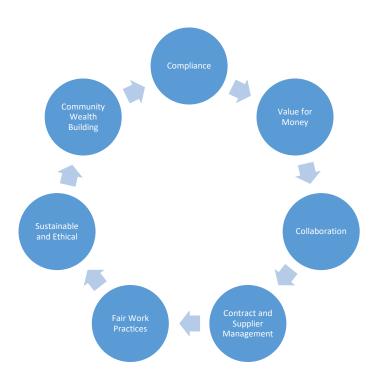

The <u>National Performance Framework</u> sets out how local government can contribute to achievement of <u>National Outcomes</u>. The framework aims to implement sustainable procurement and obliges the Council to consider how procurement will improve society, the economy and environment under the "Sustainable Procurement Duty". The Sustainable Procurement Duty is expected to further develop in accordance with the Climate Change Emergency declared by the Scottish Government.

#### Local Priorities

The procurement strategy allows the Council to set out how procurement activity will contribute to the Council and Community Planning Partnership's wider priorities and objectives, as set out in the Council plan <u>"Connect"</u>. Procurement are at the centre of the Council's Value of being "accountable, effective, efficient and transparent" and contribute to many of the Council's strategic ambitions, including:

- Achieving results through leadership, good governance, and organisational effectiveness
- Promoting economic growth and tackle disadvantage
- Getting it right for children and young people
- Improving health, care and wellbeing

<u>Section 4: Strategic Objectives</u> The Council has identified seven strategic objectives to support the Procurement Strategy. In this section, we set out how we will achieve each objective and what our target outcome will be.

| <b>OBJECTIVE 1</b> | Compliance   |
|--------------------|--|
| AIM                | Ensure compliance with Procurement Regulations and the<br>Council's Standing Orders on Contracts   |
| How to achieve     | Be open and transparent in our approach and monitor awareness of,<br>and compliance, with standards across the Council   |
|                    | Procurement team members are capable, confident and empowered to<br>support procurement activity across categories. Drive improvement in<br>Procurement Team capability through the Scottish Procurement<br>Competency Framework |
|                    | Procurement processes and systems are efficient, cohesive, streamlined and fit for purpose   |
|                    | Monitor non-contractual spend and work with Resources to improve compliance  |
|                    | Monitor performance against target of paying invoices within 30 days   |
|                    | Quarterly meetings of the Council's Procurement Network to develop<br>and review processes to ensure consistent standards council wide   |
|                    | Aim for continual improvement in Scottish Government's Procurement<br>and Commercial Improvement Programme   |
| Outcome            | Improve compliance and mitigate risk of contract challenge   |

| <b>OBJECTIVE 2</b> | Value for Money  |
|--------------------|--|
| AIM                | To secure Best Value, balancing cost and quality of service and support the Council in achieving budget savings      |
| How to achieve     | Recognise demand and recognise cost drivers and working with Resources in identifying opportunities for efficiencies |
|                    | Consider Whole Life Costing approach to embed sustainability in long term value decisions                            |
| Outcome            | Improved Value for Money in support of the Council's Financial Strategy  |

| <b>OBJECTIVE 3</b> | Collaboration  |
|--------------------|--|
| AIM                | Identify and influence collaborative opportunities to work with<br>public partners and drive value through the power of public<br>sector procurement |
| How to achieve     | Engage with procurement partners to identify collaborative opportunities and influence development of collaborative working                          |
| Outcome            | Improved levels of collaborative activity and delivery of efficiencies   |

| <b>OBJECTIVE 4</b> | Contract and Supplier Management  |
|--------------------|---|
| AIM                | Support Resources to take a proactive approach to contract and<br>supplier management to achieve innovation and value in contract<br>delivery |
| How to achieve     | Engage with suppliers to monitor contract performance and drive improvements and efficiencies   |
|                    | Implement electronic process for contract and supplier management   |
| Outcome            | Ensure suppliers meet contractual obligations, drive improvements in supplier performance and achieve efficiency improvements                 |

| <b>OBJECTIVE 5</b> | Fair Work Practices   |
|--------------------|---|
| AIM                | Work with suppliers to improve Fair Work Practices, including payment of the Living Wage and compliance with Council Charters |
| How to achieve     | Embed Fair Work Practices and Living Wage as standard and monitor compliance with Charters                                    |
| Outcome            | Improved Fair Work Practices and Living Wage for those involved in<br>delivery of Council contracts                           |

| <b>OBJECTIVE 6</b> | Sustainable and Ethical   |
|--------------------|---|
| AIM                | Secure wider social, economic and environmental benefits through contracts as set out in the Sustainable Procurement Duty       |
| How to achieve     | Support the Council's response to the Climate Change Emergency by improving environmental outcomes from procurement             |
|                    | Embed sustainability measures in procurement through use of Scottish Government's Sustainability Toolkit and life cycle costing |
|                    | Require clarity from contractors in supply chain and awareness of ethical standards and Modern Slavery                          |
|                    | Work with Police Scotland in prevention of Fraud and Disruption of Serious and Organised Crime                                  |
| Outcome            | Meet the Sustainable Procurement Duty   |

| <b>OBJECTIVE 7</b> | Community Wealth Building   |  |  |  |
|--------------------|---|--|--|--|
| AIM                | Support and encourage the local economy to grow sustainably<br>through the effective use of procurement to develop local<br>communities and maximise use of Community Benefits      |  |  |  |
| How to achieve     | Expand the capability of local businesses and social enterprises to bid<br>for public sector contracts with support from economic development<br>and procurement teams              |  |  |  |
|                    | Build on our knowledge of market supply through further analysis of local capacity to identify new opportunities for local business to grow   |  |  |  |
|                    | Increase levels of pre-market engagement before commissioning to<br>shape the preparation of tender requirements and prepare potential<br>local bidders                             |  |  |  |
|                    | Increase promotion of tender opportunities to local sectors   |  |  |  |
|                    | Encourage local suppliers to bid for Scotland Excel contract<br>opportunities to increase local business share of collaborative contract<br>spend by all Scottish local authorities |  |  |  |
|                    | Work with anchor institutions to explore further opportunities for more local spend   |  |  |  |
|                    | Maximise our approach to community benefits   |  |  |  |
|                    | Ensure contractors deliver social investment  |  |  |  |
|                    | Review procurement practices to deliver more local spend where possible   |  |  |  |
| Outcome            | Ensure the spending power of the Council and Community Benefits<br>contribute towards Community Wealth and achieve National<br>Outcomes   |  |  |  |

#### Procurement Strategy: Monitoring Framework

Delivery of the procurement strategy will be supported by an annual action plan. Each year the annual plan will be reviewed with new actions identified relevant to delivery of the strategic objectives.

A reporting and monitoring framework ensure high levels of governance surround the delivery of the procurement strategy.

In addition to an annual review of the procurement strategy, the Procurement Service will deliver the following:

- Annual Service Planning exercise: to plan all Procurement activity with Resources for the forthcoming year
- Action Plan: subject to a 6 monthly update report to the Council's Corporate Management Team
- Quarterly Procurement Updates: summarising progress across procurement activity to Resource Management Teams
- Resource committee reports on Contracts Awarded: every 6 months in accordance with Standing Orders on Contracts
- Procurement performance and high risk/high value report: every 6 months to the Corporate Management Team
- Annual Procurement Report: published annually in accordance with legislative requirements and approved by Committee

Report to:Finance and Corporate Resources CommitteeDate of Meeting:2 June 2021Report by:Executive Director (Finance and Corporate Resources)

# Subject: Notification of Contracts Awarded: 1 October 2020 to 31 March 2021

#### 1. Purpose of Report

- 1.1. The purpose of the report is to:-
  - provide notification to Committee, in accordance with Standing Orders on Contracts, of contracts awarded by Finance and Corporate Resources during the period 1 October 2020 to 31 March 2021

#### 2. Recommendation(s)

- 2.1. The Committee is asked to approve the following recommendation(s):-
  - (1) that details of the contracts awarded be noted.

#### 3. Background

3.1. It is a requirement of Clauses 21.8 and 22.5 of the Standing Orders on Contracts that details of the acceptance of all tenders above £50,000 be reported retrospectively to the relevant Committee for noting, other than those under Clause 21.3 where the award is not the lowest in a price only tender, or costs exceed the approved financial provision. In these instances a report is submitted to the appropriate Committee and subsequent authority to award is granted by that Committee.

#### 4. Contract Awards

4.1. Contracts awarded for the period 1 October 2020 to 31 March 2021, on the basis of lowest offer and/or most economically advantageous offer submitted, is provided at Appendix 1.

#### 5. Employee Implications

5.1. Contracts management, including performance appraisal, will be undertaken by both the main service user and the Procurement Team.

#### 6. Financial Implications

6.1. Appropriate budgetary provision is available for each of the contracts awarded.

#### 7. Climate Change, Sustainability and Environmental Implications

7.1. There are no Climate Change, Sustainability and Environmental Implications arising from the information presented in this report.

#### 8. Other Implications

8.1. There are no direct risks or implications for sustainability in terms of the information contained in this report.

#### 9. Equality Impact Assessment and Consultation Arrangements

- 9.1. This report does not introduce a new policy, function or strategy nor recommend a change to an existing policy, function or strategy and therefore, no impact assessment is required.
- 9.2. There is also no requirement to undertake any consultation in terms of the information contained in this report.

Report to: Date of Meeting: Report by:

Subject:

#### Finance and Corporate Resources Committee 2 June 2021 Executive Director (Finance and Corporate Resources)

#### Update on Delivery of the European Social Fund Programme 2014 to 2020

#### 1. Purpose of Report

- 1.1. The purpose of the report is to:-
  - provide an update on progress with the delivery of the European Social Fund (ESF) Programme 2014 to 2020

#### 2. Recommendation(s)

- 2.1. The Committee is asked to approve the following recommendation(s):-
  - (1) note the contents of this report; and
  - (2) note that the ESF element of the Programme remains under suspension but grant claims can be submitted and will be reimbursed by the Scottish Government.

#### 3. Background

- 3.1. The Scottish European Structural and Investment Funds Programme 2014 to 2020, approved by the European Commission (EC), sets out a broad approach to the development of the Scottish economy using European Union (EU) Structural Funds.
- 3.2. For management and monitoring purposes, the original approval through to 31 December 2019 was called Phase 1 and, from 1 January 2020 to 31 March 2023, the extended period, Phase 2. Although the UK has now left the European Union, the UK Government has provided a guarantee to fund approvals which are agreed within the current 2014 to 2020 EU funding cycle. This report sets out progress with the delivery of the South Lanarkshire Works 4 U (SLW4U) Strategic Intervention Programme Phase 2.
- 3.3. In addition to the grant funding, South Lanarkshire Council is required to provide a level of match-funding to support delivery of the Programme. As well as this match-funding requirement, the grant award also sets out required levels of engagement and specific outputs and outcomes that should be achieved.
- 3.4. The Programme receives ESF support to add value and achieve additional outcomes to delivery initiatives for which the Council has responsibility for developing and implementing.

- 3.5. SLW4U (delivered by Community and Enterprise Resources, Finance and Corporate Resources, Education Resources and external contractors) is a five stage employability pipeline that provides an integrated group of projects aimed at moving people towards employment, with a particular focus on the multiple disadvantaged and those with the most severe barriers to employment opportunities.
- 3.6. South Lanarkshire Council was awarded £6.3 million by the Scottish Government on 21 January 2020 to deliver the SLW4U Programme for the phase beginning on 1 January 2020 through to 31 March 2023. This grant was awarded at an increased intervention rate of 46.11%.

The grant award for this Phase is detailed in Table 1 below:-

|  | Funding |
|--|---------|
| Phase 2 - Approved Eligible Expenditure                  | £13.7m  |
| Phase 2 - Approved Eligible Grant (Grant Rate of 46.11%) | £6.3m   |
| Phase 2 – Match Fund by South Lanarkshire Council        | £7.4m   |
| Table 1: Phase 2 Grant                                   |         |

#### 4. **Progress with Claims**

- 4.1. The SLW4U Programme consists of a number of employability projects delivering a range of interlinked and progressive activities. Each project's progress is monitored against approved targets which informs the Programme's overall performance.
- 4.2. As the Programme progresses, periodic claims are submitted by South Lanarkshire Council to the Scottish Government. These seek interim payments against the total grant award based on engagement with a sufficient number of participants along with evidence of the delivery of target outputs and outcomes that were set out in the grant award. At the date of writing this report, claims have been checked by Funding and Compliance through to 31 December 2020 and are ready for submission.
- 4.3. Table 2 shows Grant paid and pending to date:

| Expenditure/Grant | Approval | Paid to<br>Date | Pending | Total<br>Claimed | %  |
|-------------------|----------|-----------------|---------|------------------|----|
| Total Expenditure | £21.5m   | £3.5m           | £8.6m   | £12.1m           | 56 |
| Total Grant       | £9.9m    | £1.6m           | 3.9m    | £5.5m            | 50 |

Table 2: Phase 1 and 2 Claims

4.4. With regards to Participant engagements, current data shows that 6,166 local individuals have been supported through the Programme to date. This represents 67.5% of the total target number of participants that should have been supported on conclusion of the Programme in March 2023. A further 500 participants have been involved in the EU employability programme during the COVID 19 pandemic and are not included in these figures as our external contractors continue to gather eligibility evidence. Practical limitations in the extent to which we could meet with participants to gather the required evidence has delayed passing these files to Funding and Compliance for verification and remains an area of work in progress.

4.5 Each participant's data is verified ahead of reporting to ensure that evidence of eligibility is retained. To date, 3,019 have been confirmed as eligible with a further 1,000 anticipated to be confirmed as eligible once documentation has been received from our external contractors. The remaining 2,147 require further review to confirm we can fully evidence eligibility. Whilst eligibility criteria will be met for some of these, it is anticipated that not all will have the required evidence to allow inclusion in the participant data returned to the Scottish Government.

| Target Outputs  | Target | Claimed/Pending | %     |
|---|--------|-----------------|-------|
| Unemployed/inactive (multiple<br>barriers to employment)/<br>Employed (multiple barriers in<br>the labour market) | 9,141  | 4,019           | 44.2% |

Table 3: Target Outputs to date

- 4.6. Plans are being put in place to meet the targets set by the Programme which will be challenging but are considered to be achievable through robust management by 31 March 2023.
- 4.7. There is a requirement to also report Results in terms of the 'highest outcome' achieved by each Participant on leaving the Programme. These are reported at the end of the Programme to ensure data is correct. A summary of these will be included in future ESF update reports to this Committee.
- 4.8. It is important to highlight that the operating environment in which the Programme is being delivered is not that which was anticipated at the time of grant award. The Scottish Government published guidance to Lead Partners, delivery bodies and representative organisations to address some of the difficulties being experienced as a result of the global COVID-19 health pandemic and to acknowledge that there will now be very different and reduced programme activities, models of delivery and working arrangements. It also clearly recognised that evidence of activity and outputs, achievement of targets and milestones, staffing levels and arrangements will all be severely impacted for the duration of COVID-19 and possibly beyond.
- 4.9. As a result, on 29 January 2021 the Scottish Government applied to the EC to invoke 'force majeure' in both the ESF and ERDF programmes based on the ongoing impact of COVID-19 on implementation and rate of spending. The Commission subsequently confirmed that the application had been successful allowing the re-phasing of the Programme to ensure vital funds are retained to support the long-term social and economic recovery of Scotland from the pandemic through to 2023.

#### 5. Suspension

5.1. In November 2019, South Lanarkshire Council were advised that the ESF programme had been formally suspended, at a Scotland wide level by the EC, following a pre-suspension period that initially started in February 2019. This suspension applied to all Public Bodies in Scotland in receipt of EU ESF and ERDF funding and was not specific to South Lanarkshire Council. Routine audit work undertaken by the EC had identified issues with elements of the ESF programme which led, in turn, to the EC suspending further payments pending resolution of the issues that had been identified.

5.2. In December 2020, the Council were advised that the ERDF suspension had been lifted. The ESF suspension however remains in place and the Scottish Government continues to work with the EC to reach a resolution. Claims can continue to be submitted, which will be reimbursed by the Sottish Government following verification.

#### 6. Employee Implications

- 6.1 There are a number of internal and external employees involved in managing and delivering EU assisted activity for the Council.
- 6.2. These costs are met by either Council budgets or EU grant funding reclaimed from the Scottish Government.

#### 7. Financial Implications

7.1. There are no financial implications arising directly from this report. Although the EC suspension of payments remains in place, the Scottish Government is continuing to collect information required to have the ESF suspension lifted and remains committed to achieving a successful outcome. In the interim, claims can be submitted and, once verified, reimbursed by the Scottish Government.

#### 8. Climate Change, Sustainability and Environmental Implications

8.1. There are no specific implications for climate change, sustainability or the environment within this report.

#### 9. Other Implications

- 9.1. The UK Government announced plans for a UK-wide 'Levelling Up' agenda and funding including the future replacement of EU Funds in the Budget on 3 March 2021. The launch of the UK Community Renewal Fund is intended as a pilot programme to test ideas for a UK Shared Prosperity to commence operation in 2022. The UK Government have maintained their commitment to the Shared Prosperity Fund being funded to a scale similar to that of EU funds. The UK Levelling Up Fund is new capital money and is additional to any Shared Prosperity Scheme funding.
- 9.2. Bids to the UK Community Renewal Fund will be appraised and the outcome of this process reported to Committee once concluded.
- 9.3. The deadline for bid submissions is 18 June 2021.

#### **10.** Equality Impact Assessment and Consultation Arrangements

10.1. Equality impact assessments have been carried out on different elements of EU employability service programmes since 2016 and a whole service assessment was completed in 2020/2021.

Subject:

Report to:Finance and Corporate Resources CommitteeDate of Meeting:2 June 2021Report by:Executive Director (Finance and Corporate Resources)

#### Safety at Sports Grounds – Re-issue of General Safety Certificate – Hamilton Park

#### 1. Purpose of Report

- 1.1. The purpose of the report is to:-
  - advise of the action taken, in terms of Standing Order No 36(c) because of the timescales involved, to re-issue the reviewed General Safety Certificate for Hamilton Park, Bothwell Road, Hamilton

#### 2. Recommendation(s)

- 2.1. The Committee is asked to approve the following recommendation(s):-
  - (1) that the action taken, in terms of Standing Order No 36(c) by the Executive Director (Finance and Corporate Resources), in consultation with the Chair and an ex officio member, to re-issue the General Safety Certificate for Hamilton Park, Bothwell Road, Hamilton, be noted.

#### 3. Background

- 3.1. In terms of the Fire Safety and Safety of Places of Sport Act 1987, a General Safety Certificate is required for a stand at a sports ground which can accommodate at least 500 spectators under cover to view the activities at the ground. A stand which falls within this classification is referred to as a "regulated stand". Hamilton Park Racecourse had previously been identified as a sports ground with a regulated stand.
- 3.2. The revised format of the General Safety Certificate for Hamilton Park Racecourse was approved by the Finance and Corporate Resources Committee at its meeting on 3 February 2016 and the Certificate is required to be reviewed and re-issued annually.

#### 4. COVID-19 Pandemic

- 4.1. As a result of the COVID-19 pandemic and the resultant Health Protection (Coronavirus, Restrictions) (Scotland) Regulations 2020, the start of last year's racing season was delayed until 24 June 2020, following which, all racing had been conducted behind closed doors.
- 4.2. The General Safety Certificate was not re-issued, however, ground management and the safety team produced an Operation Plan for Racing Behind Closed Doors, a stewarding plan and risk assessments which were distributed to representatives of the South Lanarkshire Sports Grounds Safety Advisory Group.

4.3. On the basis of the feedback received from the Safety Advisory Group representatives and the outcome of a site visit conducted by a representative of Fleet and Environmental Services, the Council's lead Service in terms of COVID-19 compliance, the Council had confirmed that it was satisfied that appropriate measures, in terms of COVID-19 compliance, had been put in place to ensure the reasonable safety of persons attending Hamilton Park for the purposes of racing behind closed doors.

#### 5. Re-issue of the General Safety Certificate

- 5.1. At the annual inspection which took place on 7 April 2021, the Grandstand was found to be well maintained and in a good state of repair and the engineer's annual structural inspection report concluded that the Grandstand was in a satisfactory structural condition. The report included some remedial recommendations and ground management had since advised that all the recommendations had been completed, with the exception of 1 recommendation, that would be addressed in a future maintenance schedule.
- 5.2. Ground management had provided copies of the appropriate annual inspection and test certificates. The race day records for last season were not inspected during the inspection as all racing last season had been held behind closed doors and race day logs had been copied to the Council.
- 5.3. A small number of housekeeping issues had been identified and ground management had addressed these issues, with the exception of 1 item, and had made a commitment to address the final issue prior to the return of spectators to the racecourse. Confirmation has since been provided by ground management that the outstanding issue has been addressed.
- 5.4. No race day inspection was carried out last season due to all races being held behind closed doors.
- 5.5. Ground management and the South Lanarkshire Sports Grounds Safety Advisory Group have reviewed the General Safety Certificate and the safety management arrangements at the racecourse and the following changes have been made to the Certificate:-
  - name of the racecourse updated to Hamilton Park
  - the geographical extent of the terms and conditions of the Certificate were now included
  - the Certificate now specified a period of 5 hours immediately prior to the commencement of the specified activity and 1 hour immediately following completion of the specified activity when the Holder was required to comply with the terms and conditions of the Certificate
  - reference was made to the Health Protection (Coronavirus) (Restrictions and Requirements) (Local Levels) (Scotland) Regulations 2020
  - inclusion of the requirement for the Holder to produce detailed reduced capacity calculations in accordance with Scottish Government guidance and the Guide to Safety at Sports Grounds Supplementary Guidance 02: Planning for social distancing at sports grounds, to be added to the General Safety Certificate, as an amendment, when the Health Protection (Coronavirus) (Restrictions and Requirements) (Local Levels) (Scotland) Regulations 2020 permitted the return of spectators to the racecourse
  - the operational plan had been updated for the 2021 racing season and now included Zone Ex arrangements
  - inclusion of an operations plan for racing behind closed doors

- inclusion of the requirement to produce an operations plan for racing with reduced capacities, to be included as an amendment to the Certificate, when the Health Protection (Coronavirus) (Restrictions and Requirements) (Local Levels) (Scotland) Regulations 2020 and Scottish Government guidance permitted the return of spectators
- the named Deputy Safety Officer had been updated
- 5.6. The Executive Director (Finance and Corporate Resources), in consultation with the Chair and an ex officio member, approved the reviewed General Safety Certificate for Hamilton Park to allow it to be re-issued prior to the start of the new racing season which commenced on Sunday 2 May 2021.

#### 6. Employee Implications

6.1. None.

#### 7. Financial Implications

7.1. The Council is authorised by regulations to charge fees for work reasonably done as a result of an application for the issue, amendment, replacement, transfer or cancellation of a safety certificate.

#### 8. Climate Change, Sustainability and Environmental Implications

8.1. There are no climate change, sustainability or environmental implications arising from the information presented in this report.

#### 9. Other Implications

- 9.1. There is a risk to the Council as the body responsible for administering safety certificates for sports grounds that any incident involving public safety where proper guidelines have not been followed could damage the Council's reputation. This risk is mitigated by the requirements and conditions contained within the General Safety Certificate on ground management to implement measures within the Guide to Safety at Sports Grounds (sixth edition) to ensure the reasonable safety of spectators.
- 9.2. In addition to this, an annual inspection and annual race day inspection will be carried out at Hamilton Park which include checks of safety procedures, physical inspection of the Grandstand and checks of inspection and test certificates of various installations and equipment.

#### **10.** Equality Impact Assessment and Consultation Arrangements

- 10.1. This report does not introduce a new policy, function or strategy or recommend a change to an existing policy, function or strategy and, therefore, no impact assessment is required.
- 10.2. Consultation has taken place with sports ground management at Hamilton Park and the South Lanarkshire Sports Grounds Safety Advisory Group which comprises of representatives of the following:-
  - relevant services within South Lanarkshire Council
  - NHS Lanarkshire
  - Police Scotland
  - Scottish Ambulance Service
  - Scottish Fire and Rescue Service
