## **10.** Employee Implications

10.1. None

## 11. Financial Implications

11.1. As at Period 7 Property Services is on target to achieve the required surplus target set.

## 12. Other Implications

12.1. The main risk associated with the Trading Operations' Budget is that there is a reduction in the surplus achieved. The risk has been assessed as low given the detailed budget management applied across the Resource. The risk is managed through four weekly Budget Monitoring Meetings at which any variance is analysed. In addition, the probable outturn exercise ensures early warning for corrective action to be taken where appropriate.

12.2. There are no implications for sustainability in terms of the information contained in this report.

#### 13. Consultation Arrangements

13.1. Regular consultation with Trades Unions regarding employee related issues continues through established forums.

### 14. Equality Impact Assessment

13.2. This report does not introduce a new policy, function or strategy or recommend a change to an existing policy, function or strategy and therefore, no impact assessment is required.
