3. Background

- 3.1. The Council operates a community grants scheme to support local constituted community groups and voluntary organisations. Applications are invited continually throughout the year.
- 3.2. All applications require to be supported by a constitution, audited accounts or annual income and expenditure accounts, a bank statement, and confirmation that the group/organisation will adhere to the conditions of the grant award.

4. Employee Implications

- 4.1. None.

5. Financial Implications

- 5.1. The current position of the community grant allocation for the East Kilbride Area Committee area in 2018/2019 is as follows:-

Total allocation for Community Grants	£25,750
Grants previously allocated	£20,945
Community Grants recommended in this report	£2,100
Remaining balance	£2,705

6. Other Implications

- 6.1. The risk to the Council is that grant funding is not utilised for the purpose of which it was intended. This risk is mitigated by internal controls including audit procedures and conditions of grant agreement.
- 6.2. There are no apparent implications in terms of sustainable development.

7. Equality Impact Assessment and Consultation Arrangements

- 7.1. This report does not introduce a new policy, function or strategy or recommend a change to an existing policy, function or strategy and therefore no impact assessment is required.
- 7.2. All the necessary consultation with the community groups has taken place.
