7 Enforcement Action - Removal of Spoil Heap, Removal of Temporary Access and Reinstatement of Ground Extension to Residential Curtilage at Millrig Road, Wiston

A report dated 25 January 2007 by the Executive Director (Enterprise Resources) was submitted on the requirement for enforcement action at Plot 2, Millrig Road, Wiston to secure the:-

- ◆ removal of the unauthorised spoil heap and temporary access
- ◆ reinstatement of land to its original condition
- ◆ reduction in the size of the residential plot to accord with the plans approved on 19 August 2002 (planning consent CL/02/0254)

On the basis that no planning applications had been received to regularise the position and it was considered that the retention of the spoil heap and access were adversely affecting the character of the rural area and were detrimental to the amenity of the surrounding countryside and residential properties in Wiston, it was proposed that enforcement action be taken.

The Committee decided:

- (1) that Enforcement Notices be served on the owner/occupier or lessee of Plot 2, Millrig Road, Wiston to secure the:-
 - ◆ removal of the existing spoil heap from the site
 - ◆ removal of the existing temporary access road and reinstatement of the land in accordance with the conditions attached to planning consent CL/05/0793 granted on 14 February 2006
 - ◆ reduction of the size of the residential plot at Millrig Road, Wiston to accord with the approved plan granted under decision notice CL/02/0254

A report dated 26 January 2007 by the Executive Director (Enterprise Resources) was submitted on the requirement for enforcement action to secure the removal of imported material and an unauthorised boundary fence at 20 Wellburn Lane, Lesmahagow.

Despite several reminders to the effect that planning permission was required for the engineering works to create a level rear garden area and a boundary fence, no planning application had been received. It was proposed, therefore, that an Enforcement Notice be served to secure the removal of the unauthorised imported material and the boundary fence at the location.

The Committee decided:

Listed Building Consent and Advertisement Consent (CL/06/0488 and CL/06/0460 respectively) had been granted on 25 August 2006. However, the existing signage did not accord with those consents and it was proposed that enforcement action be taken to secure the removal of the unauthorised signage from the property and its replacement with appropriate signage.

The Committee decided:

- (1) that a Listed Building Enforcement Notice be served on The Royal Bank of Scotland to secure the removal of the unauthorised internally illuminated plastic fascia signs from the front and side elevation of the listed building at 8 Abbeygreen, Lesmahagow; and

However, in the absence of a planning application to regularise the position and despite reminders to remove them, the unauthorised signboards remained in place. It was proposed, therefore, that enforcement action be taken to secure their removal.

The Committee decided:

- (1) that an Enforcement Notice be served on Verve Limited to secure removal of the existing unauthorised signboards adjacent to the northbound carriageway of the A73 and at the entrance to Verve's premises on Wildman Road, Law;
