Date of Meeting:	<b>15 February 2023</b>
Report by:	<b>Executive Director (Finance and Corporate Resources)</b>

Subject:	<b>Finance and Corporate Resource Plan: Quarter 2 Progress Report 2022/2023</b>
----------	---

## 1. Purpose of Report

1.1. The purpose of the report is to:-

- ♦ provide the Finance and Corporate Resource Plan Quarter 2 Progress Report 2022/2023, for the period 1 April 2022 to 30 September 2022

## 2. Recommendations

2.1. The Committee is asked to note the following recommendation(s):-

- (1) that the Finance and Corporate Resource Plan Quarter 2 Progress Report 2022/2023 as summarised in paragraph 5.2. and attached as Appendix 2 of this report, be noted;
- (2) that the key achievements made by the Resource to date, as detailed in paragraph 5.3. of this report, be noted;
- (3) that the areas for improvement and associated management actions as detailed in paragraph 5.4. of this report, be noted; and
- (4) that the additional scrutiny of reporting the updated status of those measures identified as 'report later' at Quarter 4 2020/2021, as summarised in paragraph 5.5., be noted.

## 3. Background

- 3.1. The Finance and Corporate Resource Plan 2022/2023 was approved by the Executive Committee on 24 August 2022 and noted by this Committee on 7 September 2022 and sets out the outcomes, measures and actions to be managed and delivered by the Resource in the financial year 2022/2023.
- 3.2. The Resource Plan follows the agreed corporate structure and style. The Plan is a key element of the Council's performance management arrangements and provides details of the context within which the Resource operates and establishes actions and measures for the year ahead based on the Outcomes set out in the Council Plan Connect 2022 to 2027.
- 3.3. As Elected Members are aware, from March 2020 onwards at times the Council was forced to suspend or reduce a number of services that could not be continued in full due to the Covid pandemic. The Council was also obliged to redirect resources so that it could deliver vital new services and supports for individuals, communities, and businesses. Despite the return of services through the Council's Recovery Plan there is a Covid legacy in terms of a residual impact on some services and a significant build-up of demand, as a result of which there remains an inevitable impact on performance in some areas.

#### 4. Resource Objectives 2022/2023

- 4.1. The Resource has established a number of outcomes to support the delivery of the Connect Outcomes in 2022/2023. These are detailed at Appendix 1.

#### 5. Quarter 2 Progress Report 2022/2023

- 5.1. Progress against all Resource Plan measures is contained in the Quarter 2 Progress Report 2022/2023, attached as Appendix 2. This report has been produced from the Council's performance management reporting system IMPROVe, and uses a traffic light format with the following definitions to give a status report on each measure:-

Status	Definition
Blue	Project complete
Green	The timescale or target has been met as per expectations
Amber	There has been minor slippage against timescale or minor shortfall against target
Red	There has been major slippage against timescale or major shortfall against target
Report later	The information is not yet available to allow us to say whether the target has been reached or not. This will be reported when available
Contextual	Included for 'information only', to set performance information in context

- 5.2. Measures which are classified as 'red' are considered in detail at section 5.4. of this report. To ensure adequate scrutiny of performance across all Resources, the Council's Performance and Review Scrutiny Forum may consider 'red' and/or 'amber' measures at a future meeting.

The overall summary of progress to date is as follows and performance should be considered in the context of the impact of responding to Covid 19:-

Status	Measures			
	Statistical	Project	Total	%
Blue	N/A	2	2	4%
Green	16	23	39	85%
Amber	1	0	1	2%
Red	0	1	1	2%
Report later/Contextual	0	3	3	7%
<b>Totals</b>	<b>17</b>	<b>29</b>	<b>46</b>	<b>100%</b>

(Data correct as at 20 December 2022)

- 5.3.2. In addition to working towards these Outcomes, we recognise that the council will continually aim to improve and ensure effective and efficient use of resources, and that business will be conducted with integrity and transparency and will operate to the highest standards. In order to monitor and report progress against these values, Resource outcomes have also been identified under the heading Delivering the Plan and achieving Best Value.

	The use of 'real-time' messaging within Finance Transactions has been implemented within the Benefits and Council Tax Call Centre and is being rolled out to other teams ie Non Domestic Rates (NDR), Customer Service Centre (CSC). This enables call handlers to issue links to online forms/web content to callers to promote customer self-service for enquiries, such as applying for Benefits/discounts and registering for myaccount.

In the same period, 3,751 employees attended 665 classroom-based events, and 1,053 employees attended 112 virtual online events.

Of the 3 measures identified in these categories at Quarter 4 2021/2022, one was a contextual measure, for which figures and narrative were provided in the Q4 report. Two are Local Government Benchmarking Framework (LGBF) indicators, for which the 2021/2022 results will not be published until February 2023. No further action is required.
