3.2. The budget reflects the approved programme for the year, as approved at the Executive Committee on 28 February 2018, exceptions approved during 2017/2018 and monies carried forward for projects from 2017/2018. It also includes budget adjustments approved by the Executive Committee during 2018/2019.

3.3. The report details the financial position for Social Work Resources in Appendix A.

## 4. Employee Implications

4.1. None

## 5. Financial Implications

5.1. The total capital programme for Social Work Resources for 2018/2019 was £0.640million.

### 5.2. 2018/2019 Final Position

Total expenditure to the 31 March 2019 was £0.460 million. For projects spending less than budget in year, this reflected the timing of spend and did not affect operational delivery. The budget for this capital spend was carried forward in to 2019/2020 to complete projects.

## **6. Other Implications**

- 6.1. The main risk associated with the Council's Capital Programme is that there is an overspend. The risk has been assessed as low given the detailed project management plans prepared and monitored for each project. The risk of overspend is managed through four weekly Investment Management Meetings.
- 6.2. There are no implications for sustainability in terms of the information contained in this report.

## **7. Equality Impact Assessment and Consultation Arrangements**

- 7.1. This report does not introduce a new policy, function or strategy or recommend a change to an existing policy, function or strategy and therefore no impact assessment is required.
- 7.2. There was also no requirement to undertake any consultation in terms of the information contained in this report.
