# Capital Budget Monitoring 2022/2023 - Housing Capital Programme

## 1. Purpose of Report

- 1.1. The purpose of the report is to:
  - update members of the Financial Resources Scrutiny Forum of progress on the Council's Housing Capital Programme for the period covering 1 April 2022 to 7 October 2022.

#### 2. Recommendation(s)

- 2.1. The Forum is asked to approve the following recommendation:
  - (1) that the physical and financial progress of the Housing Capital Programme be noted.

#### 3. Background

- 3.1. The Capital reports attached provide detail on the position as at 7 October 2022 from both a financial and physical perspective.
- 3.2. Appendix A shows the financial position of the Housing Capital Programme, with the physical progress detailed in Appendix B.

#### 4. 2022/2023 Housing Capital Programme

- 4.1. **2022/2023 Budget**: The revised Housing Capital Programme for the year is £66.361 million reflecting changes to the programme approved by the Executive Committee on 24 August 2022.
- 4.2. Programmed funding for the year also totals £66.361 million. The budget, along with a detailed breakdown of the funding sources is included in Appendix A to this report.
- 4.3. **Period 7 Position**: Budget for the period is £25.539 million and spend to 7 October 2022 amounts to £25.496 million (as shown in Appendix A), a slight underspend of £0.043 million.
- 4.4. As at 7 October 2022, £25.496 million of funding had been received.

#### 5. Employee Implications

5.1. There are no employee implications as a result of this report.

#### 6. Financial Implications

6.1. The financial implications are detailed in section 4 of this report.

## 7. Climate Change, Sustainability and Environmental Implications

7.1. There are no implications for climate change, sustainability or the environment in terms of the information contained in this report.

## 8. Other Implications

- 8.1. The main risk associated with the Council's Capital Programme is an overspend. There are detailed project management plans prepared and the risk of overspend on each project is monitored through four weekly investment management meetings.
- 8.2. The Council continues to experience material shortages, longer lead times and extraordinary inflationary price increases and it is anticipated that this will continue to impact the supply chain for the foreseeable future. The impact of this will continue to be monitored through the four weekly investment management meetings. Further updates will be reported in the coming months with any significant increases in contract values being brought to members' attention.

#### 9. Equality Impact Assessment and Consultation Arrangements

- 9.1. This report does not introduce a new policy, function or strategy or recommend a change to existing policy, function or strategy and therefore no impact assessment is required.
- 9.2. There was also no requirement to undertake any consultation in terms of the information contained in this report.
