Reasons for comment:

Comments: I strongly object to this proposal.

In my view this development is completely unnecessary and any house constructed would stand out like a proverbial sore thumb, eliminating pleasant green space and spoiling a lovely view towards Burnside Church.

I also believe that these grounds were initially gifted for bowls and tennis recreation purposes and certainly not for housing.

The local environment has been greatly enhanced by Rutherglen Tennis Club recovering the dilapidated Burnside Courts (at the expense of another unnecessary housing proposal ?) and this present proposal would be a huge step backwards.

I imagine that your roads / traffic people will be unhappy at the prospect of any additional vehicular access?

On these local environmental grounds, I look forward to SLC denying this application. Thank you for this opportunity to comment.
