Bring cast into the workshop.

It was well goooooood.

Need comfy seats!

This will start our issue-based work at our youth project.

Brilliant experience!

Very realistic.

Cast should be proud of themselves.

Very emotional.

Really hard-hitting.

Very disturbing but what a show.

We cannot afford for this to project not to continue.

Harrowing graphic.

Will definitely benefit our young people.

Will make young people think about consequences.

Every youthworker should bring there young people here.

Acting great but needs to be louder.

Realistic, real issues made me feel uncomfortable at times.

Brill loved the language and the issues.
