#### **4. Employee Implications**

4.1. None

#### **5. Financial Implications**

5.1. The Accounts show that the Joint Committee's total revenue expenditure amounted to £0.061 million in 2017/2018 and was met by other income of £0.062 million. This results in a £0.001 million surplus, which can be added to the revenue cash balance of £0.011 million brought forward from 2016/2017.

5.2. After taking account of any accruals and commitments, this leaves a revenue cash balance of £0.012 million to be carried forward for use in future years.

#### **6. Other Implications**

6.1. The main risk associated with the Clyde Valley Learning and Development Joint Committee Revenue Budget is failure to manage the budget resulting in expenditure exceeding available funding. The risk has been assessed as low given the detailed budget management applied within the Joint Committee. The risk is managed through four weekly Budget Monitoring when any variance is analysed. In addition, the probable outturn exercise ensured early warning for corrective action to be taken where appropriate.

#### **7. Equality Impact Assessment and Consultation Arrangements**

7.1. This report does not introduce a new policy, function or strategy or recommend a change to an existing policy, function or strategy and therefore no impact assessment is required.

7.2. There is also no requirement to undertake any consultation in terms of the information contained in the report.
