Dear Andrea

**Subject: Lanarkshire Community Justice Authority (LCJA) Area Plan 2011-14**

Further to my telephone call today please find attached the LCJA Area Plan for 2011-14. LCJA is keen to ensure that our commitment and that of our partners to reducing re-offending, is embedded in the Community Planning Partnership structure.

Specific outputs and timescales in relation to reducing re-offending are contained within the Area Plan which has been endorsed by South Lanarkshire Council and the Scottish Government. LCJA are anxious to see the attached objectives (from the Area Plan) are fully reflected in the content of South Lanarkshire Council's Single Outcome Agreement.

I understand from our conversation that use of the Partnership Improvement Plan (PIP) is the route for information to be shared and that you are happy to be a contact point for LCJA.

Thank you for your assistance in the matter.

Roberta Reid  
Planning and Development Adviser  
Lanarkshire CJA
