- ◆ obtain formal approval of an application by Claremont Amateur Football Club for a twinning grant which has been assessed as meeting the relevant criteria. - (2) that the Executive Director (Corporate Resources), in consultation with the Chair or Depute Chair, be authorised to vary the award to take account of the final number of participants involved in the twinning link.

3. Background

At the Executive Committee meeting of 25 February 2009, it was agreed that a flat rate grant of £30 per person be awarded for both incoming and outgoing participants on twinning exchanges between the Council's twin towns. The revised grant would apply to applications received from 1 April 2009.

7.2 Final numbers of participants may, however, fluctuate between the time of application and the date of travel. Authority is requested, therefore, for the Executive Director (Corporate Resources), in consultation with the Chair or Depute Chair, to vary the award to take account of the final number of participants involved in the twinning link.

8 Other Implications - Conditions of the Twinning Grant

8.1 On signing the application form, the group will agree to:-

- ◆ act as ambassadors for their home town and conduct themselves in an appropriate manner during the exchange

- ◆ complete and return the "Monitoring and Evaluation Form" to the local Twinning Association within 28 days of each exchange visit
- ◆ complete and return the "Financial Details Form" to the local Twinning Association within 28 days of the exchange
- ◆ make receipts available to identified Council officers on request

8.2 By completing and signing the application form, the organisation is agreeing to comply with the above conditions. Failure to comply with the conditions will be dealt with accordingly and future funding applications to South Lanarkshire Council will be jeopardised.

9 Equality Impact Assessment and Consultation Arrangements

9.1 Appropriate consultation has taken place with East Kilbride Twinning Association.

9.2 This report does not introduce a new policy, function or strategy or recommend a change to an existing policy, function or strategy and, therefore, no impact assessment is required.
