Applications are invited continually throughout the year.

3.2. The main aims of the community grants scheme are to:-

- ◆ fund activities and projects which bring community benefit

- ♦ involve people in the community by bringing them together to enjoy educational, recreational, leisure and other community activities or to improve the local environment

3.3. Support can be provided for a range of activities including administration and publicity costs, purchase of equipment and materials, annual outings and entrance fees, start-up costs and special events.
