Review procedure

In cases where the Planning Local Review Body considers that it has sufficient information, including the Notice of Review, the decision notice, report of handling and any further representations from interested parties, it may, under Regulation 12, proceed to determine the review. It is anticipated that the majority of cases the Planning Local Review Body deals with will fall into this category.

The Planning Local Review Body will decide on the procedure to be used to determine your review and may at any time during the review process require that further information or representations be made to enable it to determine the review. Further information may be required by one or a combination of procedures, such as written submissions, the holding of one or more hearing sessions and/or inspecting the land which is the subject of the review case.

Please indicate what procedure (or combination of procedures) you consider most appropriate for the handling of your review. You may tick more than one box if you wish the review to be conducted by a combination of procedures.

- 1. Further written submissions
- 2. One or more hearing sessions
- 3. Site inspection
- 4. Assessment of review documents only, with no further procedure

If you have marked box 1 or 2, please explain here which of the matters (as set out in your statement below) you believe ought to be subject of that procedure, and why you consider further submissions or a hearing are necessary:

Site inspection

In the event that the Local Review Body decides to inspect the review site, in your opinion:

- 1. Can the site be viewed entirely from public land? Yes No
- 2. Is it possible for the site to be accessed safely, and without barriers to entry? Yes No

If there are reasons why you think the Planning Local Review Body would be unable to undertake an unaccompanied site inspection, please explain here:

Statement of reasons for requiring the review

You must state, in full, why you are requesting a review on your application. Your statement must set out all matters you consider require to be taken into account in determining your review. State here the reasons for your Notice of Review and all matters you wish to raise. If necessary, this statement can be continued or provided in full in a separate document. You may also submit additional documentation with this form.
