The role of the CSWO is to provide professional advice and guidance to local authorities, elected members and officers in the provision of Social Work Services, whether commissioned or directly provided. The CSWO has a responsibility for overall performance improvement and the identification and management of corporate risk insofar as these relate to Social Work Services.
- 3.2. The CSWO is required to prepare an annual report of activity to the Chief Social Work Advisor for Scotland. The report follows a standardised reporting framework and timeframe to ensure key issues are highlighted and to aid learning and the sharing of information nationally. A summary report is also published annually by the Scottish Government. This will be the fourth CSWO report provided by South Lanarkshire Council.
