- (2) that the Chief Executive or the Executive Director (Finance and Corporate Resources), in consultation with the Chair, be authorised to approve any further community grant applications meeting the relevant criteria in the period to 31 March 2024 from the 2023/2024 budget

3. Background

- 3.1. The Council operates a community grants scheme to support local constituted community groups and voluntary organisations. All applications require to be supported by a constitution, audited accounts or annual income and expenditure accounts, a bank statement, and confirmation that the group/organisation will adhere to the conditions of the grant award. Applications are invited continually throughout the year.

- 3.2. The main aims of the community grants scheme are to:-

- ◆ fund activities and projects which bring community benefit
- ◆ involve people in the community by bringing them together to enjoy educational, recreational, leisure and other community activities or to improve the local environment

- 3.3 Support can be provided for a range of activities including administration and publicity costs, purchase of equipment and materials, annual outings and entrance fees, start-up costs and special events.

4. Employee Implications

- 4.1. None.

5. Financial Implications

- 5.1. The current position of the community grants for the East Kilbride Area Committee area in 2023/2024 is as follows:-

Total allocation for Community Grants	£25,750
Grants previously allocated	£11,673
Community grants allocated in this report	£1,629
Remaining balance	£12,448

5.2 In view of the fact that this is the last meeting of the Committee in the current financial year and to allow any further applications submitted prior to the end of the current financial year to be considered, it is proposed that the Chief Executive or the Executive Director (Finance and Corporate Resources), in consultation with the Chair, be authorised to approve any further community grant applications meeting the relevant criteria in the period to 31 March 2024. Information on those grants awarded would be reported to a future meeting.

6. Climate Change, Sustainability and Environmental Implications

6.1. There are no implications for climate change, sustainability or the environment in terms of the information contained in this report.

7. Other Implications

7.1. The risk to the Council is that grant funding is not utilised for the purpose for which it was intended. This risk is mitigated by internal controls including audit procedures and conditions of grant agreement.

8. Equality Impact Assessment and Consultation Arrangements

8.1. This report does not introduce a new policy, function or strategy or recommend a change to an existing policy, function or strategy and therefore, no impact assessment is required.

8.2. All the necessary consultation with the community groups has taken place.
