### **3. Background**

- 3.1. The Council operates a community grants scheme to support local constituted community groups and voluntary organisations. All applications require to be supported by a constitution, audited accounts or annual income and expenditure accounts, a bank statement, and confirmation that the group/organisation will adhere to the conditions of the grant award. Applications are invited continually throughout the year.
- 3.2. The main aims of the community grants scheme are to:-
- ◆ fund activities and projects which bring community benefit
  - ◆ involve people in the community by bringing them together to enjoy educational, recreational, leisure and other community activities or to improve the local environment
- 3.3. Support can be provided for a range of activities including administration and publicity costs, purchase of equipment and materials, annual outings and entrance fees, start-up costs and special events.

### **4. Employee Implications**

- 4.1. None.

### **5 Applications Approved Under Delegated Authority**

- 5.1 At its meeting held on 15 February 2022, the Area Committee authorised the Executive Director (Finance and Corporate Resources), in consultation with the Chair, to approve any further community grant applications in the period from 15 February to 31 March 2022. This was subject to applications meeting the Council's criteria for receipt of funding. It was also agreed that a report on any awards made would be submitted to the next meeting of the Area Committee for noting.
- 5.2 In line with the decision taken at the previous meeting of the Committee, 6 applications, as detailed in Appendix 1, for £1,915 were approved by the Executive Director (Finance and Corporate Resources), in consultation with the Chair, during the period 15 February to 31 March 2022.

## **6. Financial Implications**

Community grants allocated in this report	£ 4,490
Remaining balance	*£20,660

\*see paragraph 6.2 below

- 6.2. On the basis that the playscheme grant detailed in a separate report on this agenda amounting to £600 is approved, the remaining balance for allocation throughout the year is £20,660
- 6.3 Any unspent monies in the 2021/2022 financial year community grants budget distributed by Area Committees are being carried forward in reserves and could cover any other application by groups in the current financial year

## **7. Climate Change, Sustainability and Environmental Implications**

- 7.1. There are no implications for climate change, sustainability or the environment in terms of the information contained in this report.

## **8. Other Implications**

- 8.1. The risk to the Council is that grant funding is not utilised for the purpose of which it was intended. This risk is mitigated by internal controls including audit procedures and conditions of grant agreement.

## **9. Equality Impact Assessment and Consultation Arrangements**

- 9.1. This report does not introduce a new policy, function or strategy or recommend a change to an existing policy, function or strategy and therefore no impact assessment is required.
