

Breakfast Clubs

Questions

Questions received in terms of Standing Order No 18(a) on 3 September 2021 from Councillor Brown as follows:-

To ask:

- whether the Council is still committed to providing a breakfast club in every school;
- how many schools do not currently have a functioning breakfast club;
- whether there continue to be staffing issues; and
- when there will be a full complement of breakfast clubs available to all children who want them in every school?
