

## Appendix 1

### Communities and Place Interventions

S1: Place based investments for regeneration and town centre improvements, which could include better accessibility for disabled people, including capital spend and running costs.

S2: Support and improvement of community assets and infrastructure projects, including those that increase communities' resilience to natural hazards, such as flooding, and support for decarbonisation of facilities, energy efficiency audits, and installation of energy efficiency and renewable measures in community buildings (including capital spend and running costs)

S4: Design and management of the built and landscaped environment.

S5: Support for sport, arts, cultural, heritage and creative activities, projects and facilities and institutions.

S6: Funding for active travel enhancements and other small scale strategic transport projects.

S7: Funding for the development and promotion of wider campaigns which encourage people to visit and explore the local area

S9: Investment in capacity building, resilience (including climate change resilience) and infrastructure support for local civil society and community groups.

### Local Business Interventions

S14: Funding for the development and promotion (both trade and consumer) of the visitor economy, such as local attractions, trails, tours and tourism products more generally.

S15: SME development grants and support, aligned with local and regional sectoral priorities and growth potential. This could include, providing tailored expert advice, matched grants and leadership training to enable manufacturing SMEs to adopt industrial digital technology solutions including AI artificial intelligence; robotics and autonomous systems; additive manufacturing; industrial internet of things; virtual reality; data analytics. The support is proven to leverage high levels of private investment into technologies that drive growth, productivity, efficiency and resilience in manufacturing.

S20: Support for expert business advice and support programmes at the local and regional level, including support for decarbonisation, climate adaptation and circular economy advice. This could include funding for new and improvements to existing training hubs, business support offers, 'incubators', 'accelerators' and other forms of developmental environments for local enterprise (including social enterprise) which can support entrepreneurs and start-ups/high growth potential firms through the early stages of development and growth by offering a combination of services including: e.g. - account management, advice, resources, training, mentorship, coaching and access to workspace.

S22: Support for growing the local social economy, including community businesses, cooperatives and social enterprises

S26: Business support measures to drive employment growth, particularly in areas of higher unemployment.

S27: Funding to support relevant feasibility studies.

## **People and Skills Intervention**

S31: Employment support for economically inactive people: Intensive and wrap-around one-to-one support to move people closer towards mainstream provision and employment, supplemented by additional and/or specialist life and basic skills (digital, English, maths\* and ESOL) support where there are local provision gaps.

S32: Courses including basic skills (digital, English, maths (via Multiply) and ESOL), and life skills and career skills\*\* provision for people who are not economically inactive and who are unable to access other training or wrap around support detailed above. This could be supplemented by financial support for learners to enrol onto courses and complete qualifications.

S35: Support for employability programmes and advice, places should have regards for No One Left Behind agenda, the Young Person's Guarantee, Fair Start Scotland and Scottish employability pipeline. This could include tailored support to help people in employment, who are not supported by mainstream provision to address barriers to accessing education and training courses.

S39: Support for education and skills targeting vulnerable young people leaving school, places should have regards for the Young Person's Guarantee, modern apprenticeships and related policy.

S40: Support for community learning and development

## **Multiply Adult Numeracy Intervention**

S43M: Courses for parents wanting to increase their numeracy skills in order to help their children, and help with their own progression.

S45M: Courses designed to increase confidence with numbers for those needing the first steps towards formal qualifications.

S49M: Courses designed to help people use numeracy to manage their money.

S51M: Activities, courses or provision developed in partnership with community organisations and other partners aimed at engaging the hardest to reach learners - for example, those not in the labour market or other groups identified locally as in need.
