### **3. Background**

- 3.1. The Council operates a community grants scheme to support local constituted community groups and voluntary organisations. All applications require to be supported by a constitution, audited accounts or annual income and expenditure accounts, a bank statement, and confirmation that the group/organisation will adhere to the conditions of the grant award. Applications are invited continually throughout the year.
- 3.2. The main aims of the community grants scheme are to:-
- ◆ fund activities and projects which bring community benefit
  - ◆ involve people in the community by bringing them together to enjoy educational, recreational, leisure and other community activities or to improve the local environment
- 3.3. Support can be provided for a range of activities including administration and publicity costs, purchase of equipment and materials, annual outings and entrance fees, start-up costs and special events.

### **4. Employee Implications**

- 4.1. None.

### **5. Applications Approved Under Delegated Authority**

- 5.1. At its meeting held on 14 December 2021, the Area Committee authorised the Executive Director (Finance and Corporate Resources), in consultation with the Chair, to approve any further community grant applications in the period from 14 December 2021 to 31 March 2022. This was subject to applications meeting the Council's criteria for receipt of funding. It was also agreed that a report on any awards made would be submitted to the next meeting of the Area Committee for noting.

5.2 In line with the decision taken at the previous meeting of the Committee, 8 applications, as detailed in Appendix 1, for £5,093 were approved by the Executive Director (Finance and Corporate Resources), in consultation with the Chair, during the period 14 December to 31 March 2022.

5.2. In addition, in terms of Standing Order No 37(c), by the Executive Director (Finance and Corporate Resources), in consultation with the Chair and an ex-officio member, in view of the timescales involved, agreed to allocate £4,000 to Cambuslang Summerfest Organising Committee to meet the cost of co-ordinating this year's event.

## **6. Financial Implications**

6.1. The current position of the community grants for the Cambuslang and Rutherglen Area Committee area in 2022/2023 is as follows:-

Community grants allocated in this report	£1,700
Grant awarded to Cambuslang Summer Festival	£4,000
Remaining balance	*£18,850

\* see paragraph 6.2 below

6.2. On the basis that the playscheme grants detailed in a separate report on this agenda amounting to £1,200 are approved, the remaining balance for allocation throughout the year is £18,850.

6.3. Any unspent monies in the 2021/2022 financial year community grants budget distributed by Area Committees are being carried forward in reserves and could cover any over application by groups in the current financial year

## **7. Climate Change, Sustainability and Environmental Implications**

7.1. There are no implications for climate change, sustainability or the environment in terms of the information contained in this report.

## **8. Other Implications**
