SLL09	Outdoor, Country Parks, Museums and Libraries	Service Impact	Libraries – Opening Hours An assessment of operational hours and attendance levels has been carried out across Community Libraries, which has identified the ability to reduce the opening hours at 5 community libraries across the South Lanarkshire area in line with current demand. As a result, a saving of 1.43 FTE and £0.031m can be achieved. The change in hours for each library has been programmed to complement the opening times of an alternative library within a reasonable proximity. In addition to this, the new online virtual library has been launched which provides free 24hr access to eBooks, audio Books, newspapers, comics and magazines. The proposal is to reduce the opening hours at Halfway, Hillhouse, Forth, Bothwell and Uddingston libraries. Further information on current opening hours and proposed revised hours, along with information on the average usage levels and the reasons behind the proposed changes, is available separately and will be distributed to members.	1.43	0.031
SLL10	Outdoor, Country Parks, Museums and Libraries	Efficiency and Outturn	Library Staffing Structure Following consideration of the current management staffing structure within Library Services, a saving of £0.070m can be realised in 2019/2020. SLL12	Sport and Physical Activity	Service Impact	Leisure Centres – Opening Hours Analysis of usage levels at leisure centres shows poor attendance at certain times of the week. Based on this information, consideration of the current opening hours at the following leisure facilities allows a saving of £0.109m to be realised in 2019/2020: Reduction of 0.95FTE at Forth Leisure Centre through a reduction in opening hours (£0.021m) Reduction of 0.08FTE at Biggar Dual Use Facility through a reduction in opening hours (£0.003m) Reduction of 0.16FTE at Strathaven Leisure Centre through a reduction in opening hours (£0.004m) Reduction of 1.18FTE at Uddingston by closing the facility on Sundays (£0.023m) Reduction of 0.22FTE at Stewartfield Leisure Centre through a reduction in opening hours (£0.004m) Reduction of 1.89FTE at Coalburn Leisure Centre through a reduction in opening hours (£0.054m) This will result in a reduction of 4.48FTE. SLL14	Sport and Physical Activity	Service Impact	Duncanrig and Uddingston Dual Use Facilities – Open in Term Time Only A saving of £0.020m can be realised in 2019/2020 through the implementation of revised opening hours at Duncanrig and Uddingston Dual Use facilities, on the basis that there are alternative sites where current bookings could be accommodated. This proposal would see the facilities being available during term time only. The facilities would still be available for use by schoolchildren during the day. This would result in a reduction of 0.66 FTE. Further information on average usage levels during term time and non-term time periods is available separately and will be distributed to members.	0.66	0.020
