Deliver better health and social care outcomes for all

| Action | Measures | Comments/ Progress | Status |
|--|--|---|-----------------|
| Implement the actions detailed within the Health and Social Care Delivery Plan | Report on progress against trajectories for the 6 areas identified in the Health and Social Care Delivery Plan: Emergency Admissions; Unscheduled Care Bed Days; Accident and Emergency Attendances; Delayed Discharge Bed Days; End of Life Care; Balance of Care | Information on the 6 areas of the Health and Social Care Delivery Plan are monitored monthly and formally reported on a quarterly basis to the Integrated Joint Board, Performance Audit and Finance Sub Committee and Social Work Committee. Data for January – March 2021 2020 is not yet available. However year on year comparison between April – November shows • A&E attendances down by 27% against 2019/20* • emergency admissions down by 23% against 2019/20* • unscheduled bed days (Acute) down by 25% against 2019/20* • Unscheduled Care (UC) Bed days Acute/Geriatric Long Stay (GLS)/Mental Health (MH) down by 32% against 2019/20* • delayed discharge non-code nine bed days down by 53% against 2019/20 *(NB emergency admissions and unscheduled care bed days will increase as episodes of care are completed.) The improved performance in delayed discharge has continued in SLHSCP alongside the whole system roll out of Planned Date of Discharge multi-disciplinary approach. The percentage of people who spend their last six months in a community setting has steadily increased since 2013/14, 2019/20 is slightly above target at 10.1%. As the range of services in the community setting increases, it is expected that the numbers of people who spend the last six months in the community will similarly increase. Balance of care The percentage of people over 75 who are not thought to be in any | Status Green |
| | | other setting, or receiving any Home Care, has increased since 2015/16 and given the increase in the 75+ age group, the 2015/16 percentage remains the target through to 2019/20. | |

Deliver better health and social care outcomes for all

| Action | Measures | Comments/ Progress | Status |
|---|---|---|--------|
| Support the implementation of the IJB Directions which | Provide progress reports to the IJB in relation to the Directions | The Strategic Commissioning Plan (SCP) and the issue of Directions to the Health Board and the Local Authority for the financial year 2020/2021 was approved on 30 March 2020. | Green |
| focus on the shifting the balance of care | | The IJB acknowledged the potential impact of the Covid-19 pandemic on each partner's ability to implement the strategic commissioning intentions and the Directions as originally planned. | |
| | | To date there have been 37 Directions issued by the IJB. | |
| Extend the range and choice of day opportunities for older people | Develop and modernise day care services for older people which supports personal outcomes | The Outreach day service which was developed in response to the Covid pandemic remains in place and building based day services have not recommenced during quarter 4. There are recovery plans in place to gradually re-open building based day services from mid-May 2021 which will be guided by the Scottish Government's easing of restrictions and informed by local public health information. The Day Service Review report was delivered during the period February/March 2021 to the Integration Joint Board and SW Committee. Plans are now being developed to continue with consultation which will focus on designing a remodelled service. | Green |

Deliver better health and social care outcomes for all

| Action | Measures | Comments/ Progress | Status |
|---------------------------|--|--|--------|
| Implement Government | Provide updates on national strategies, e.g. See Hear, | The See Hear strategic planning group has been temporarily | Green |
| Strategies relating to | Mental Health | suspended due to the pandemic. However, information detailing | |
| mental health, additional | | supports available for people living with a sensory impairment have | |
| support needs, physical, | | been widely distributed. | |
| sensory and learning | | | |
| disability | | In relation to the Mental Health Strategy, a review and redesign of | |
| | | Hospital Based Complex Clinical Care bed provision for Old Age | |
| | | Psychiatry is underway, a proposal and business case has been | |
| | | agreed; consultation and engagement with families and carers is | |
| | | being planned. A review of the Mental Health Rehab and Recovery | |
| | | Service is also being undertaken with a number of process mapping | |
| | | workshops examining inpatient and community rehabilitation services. | |
| | | In addition, transfer of South Lanarkshire CMHT's from current | |
| | | hosting arrangements in North Lanarkshire is being considered. | |

Promote choice, control and flexibility in social care

| Action | Measures | Comments/ Progress | Status |
|--|--|---|--------|
| Work in partnership to support carers to continue in their caring role | Monitor and report on the remodelled commissioned carer support, information and engagement services | Lanarkshire Carers and Action for children are the main providers of our Adult Carers and Young Carers support services. Due to Covid 19 demands on Adult Carers Supports and Services have increased. Services developed digitally in response to the pandemic and additional funding was provided by Scottish Government and the Health and Social Care Partnership to support carers in having a creative break from caring. The delivery of traditional day care and respite services had to change as restrictions on social interactions changed. | Green |

Promote sustainable and inclusive economic growth and tackle disadvantage

Strengthen engagement with service users and carers

Delivering the plan and achieving best value

Deliver and communicate the Council Plan and ensure high standards of governance

| Action | Measures | Comments/ Progress | Status |
|--|--|---|----------|
| Ensure high standards of governance are being exercised | Groups and Social Work Governance Group | The annual risk register was presented and approved at Social Work Committee on 20th January 2021. The Corporate Risk Register is currently under review and the Social Work Risk Register and associated risk scorecards will be reviewed in line with the three lines of defence model. A report will be presented to Social work Committee in November 2021. | Complete |
| Ensure monitoring, compliance and control of externally purchased services | Ongoing monitoring of the quality of care provided by externally purchased services | Within South Lanarkshire, we currently have 110 externally registered Care Services. Care Homes for Children and Young People (18), Five of these services newly registered in 2020. Care Homes for Older People (38) Four of these services have changed ownership in 2020. Two services have grades of weak in the area of support/wellbeing (Kingsgate, East Kilbride and Clinton House, Larkhall). Care Homes for Adults (15) One service is adequate and others good and above. Arran House has no grades recorded as registered late 2019. There are 27 Housing support services registered. Care at Home Services (34) six services no inspection grades, three services adequate and the remaining services good and above. (Housing Support and Care at Home can be dual registered services). Support Services Day Care (5) one with no inspection grades, two good, and two very good. Regular reporting of these services grades are being developed and will be circulated across the Resource. | Green |
| Produce annual Chief Social Work Officer Report | Chief Social Work Officer Report is produced and forwarded to Scottish Chief Social Work Officer by September 2020 | The Chief Social Work Officer report 2019/2020 was submitted to the Scottish Government in October 2020. | Complete |

Delivering the plan and achieving best value

Develop improvement activity and promote scrutiny

| Action | Measures | Comments/ Progress | Status |
|--|--|--|----------|

| Contribute to a fair, healthy and sustainable food system | Contribute to the development of the Council's Food Strategy which will encompass social, health, economic and environmental concerns related to food | A Project Review Group has now been established and the first meeting took place on 25th February 2021. The purpose of this group is to increase collaboration across partners so that food sourced, prepared, and served in schools and council properties supports the development of healthier, fairer, and more sustainable | Green |
| | | food systems" (Good Food Strategy, 2020-2025). There is ongoing work being developed within this Project Review Group and this will be reported through the progress update report of the Good Food Strategy (at Q2 and Q4) to the Climate Change and Sustainability Committee. This is linked with the Monitoring Framework of the Procurement Strategy (2020-2023). | |
