### **3. Background**

- 3.1. The Council operates a community grants scheme to support local constituted community groups and voluntary organisations. All applications require to be supported by a constitution, audited accounts or annual income and expenditure accounts, a bank statement, and confirmation that the group/organisation will adhere to the conditions of the grant award. Applications are invited continually throughout the year.
- 3.2. The main aims of the community grants scheme are to:-
  - ◆ fund activities and projects which bring community benefit
  - ◆ involve people in the community by bringing them together to enjoy educational, recreational, leisure and other community activities or to improve the local environment
- 3.3. Support can be provided for a range of activities including administration and publicity costs, purchase of equipment and materials, annual outings and entrance fees, start-up costs and special events.
- 3.4. In light of the community efforts in response to the COVID-19 pandemic, it was agreed that £20,000 from the 2020/2021 community grants budget be allocated to assist community groups engaged in supporting their communities during the COVID-19 pandemic. The £20,000 had been apportioned equally between the 4 Area Committee areas i.e. £5,000 from each.

- 3.5. Community groups who wished to provide assistance and support to those most in need were able to apply for small grants to meet expenses associated with this work. As it was anticipated that funds would be required immediately to assist in the response effort, it had been agreed that applications would be considered by the Executive Director (Finance and Corporate Resources), in consultation with the appropriate Chair.
- 3.6 Any remaining balance from the £5,000 allocation from each Area Committee community grants budget, as at 31 December 2020, would be returned to the 2020/2021 community grants budget. As detailed in paragraph 2 above, £4,760 has been awarded to community groups who assisted in the response to the COVID-19 pandemic, leaving a balance of £240.
- 3.7. As per the community grants scheme, community groups would normally only be permitted to submit one application in each financial year, however, community groups that had applied for funding to assist in the COVID-19 response would still be entitled to apply for a grant for another purpose under the scheme in the same financial year.

#### **4. Employee Implications**
